## First NJCAA

## Murphy first woman coach

Dot Murphy, a former women's basketball coach at Mississippi University for Women, has been hired by the Hinds Junior College Athletic Department to coach the Eagles' wide receivers.

Murphy is the first woman football coach in the National Junior College Athletic Association's history, but has brought seven years of coaching experience to her new job. After receiving her B.S. from Mississippi University for Women in 1974, she was assistant women's basketball coach for a year at the University of Tennessee at Martin, Tennessee. While working on her Master's degree, which she earned in 1977 from Mississippi State University, she coached women's basketball at Itawamba Junior College. From 1977 to 1982 she coached at Mississippi University for Women.

Throughout her undergraduate college career she won numerous sports and scholastic awards and played in national tournaments as

well as taking a silver medal as a member of United States Women's Basketball team in the World University Games held in Moscow, Russia in 1973. She was also named Rookie of the Year in the National Women's Invitational Tournament in 1974, and was All American in 1972 and 1974.

Though she has no formal football coaching experience, Bill Buckner, head football coach for the Eagles, said, "She is working out fine and the receivers have responded well to her. She's an asset, catching on quickly to what we do."

Dr. Clyde Muse, president of the Hinds Junior College District stated, "She has the coaching skills to make a major contribution to our football program."

Murphy is married to Gene Murphy who has been coaching football at Hinds for one year. They have a son, Kelly, six years old, and a daughter, Jennifer, twenty-two months old.

## Art club plans trip

Alpha Rho Tau, the Raymond Campus Art Club, will sponsor a field trip to the 1984 World's Fair and the Vatican Exhibit on October 4.

The bus will leave Raymond at 6:30 a.m. and arrive at the fair at 10 a.m. The group, under the direction of Art Department Chairman Bob Dunaway, will tour the Vatican Pavilion, the Mississippi Pavilion, the Mississippi and the Louisiana

galleries. At 7 p.m., the group will meet at the bus and will leave the fair at 7:30 p.m., arriving in Raymond at 11 p.m. that evening.

Cost of the trip is \$40. If you are interested, reserve your place by sending a check to Bob Dunaway in the Art Department by September 25. A waiting list will begin when the first 46 reservations are received.

## Homecoming petitions due Sept. 11

by Lisa Uzzle

Petitions for the Homecoming Court elections are available in the ASB office, Room 207 of the Student Union Building and the Public Relations Office downstairs in the back of the Student Union Building.

The petitions are due on September 11 by 2 p.m. They are to be turned in to the ASB office or the Public Relations Office.

The first primary will be held on September 13th and 14th and the second primary will be held on September 17th and 18th. Voting booths for

the Homecoming elections will be set up outside the cafeteria and grill, as well as a booth in the Vocational-Technical Complex.

The maids will be officially announced on Wednesday, September 19, but the Homecoming Queen will not be announced until the ceremonies on September 29.

Before the first primary on September 12, a meeting will be held with all the candidates in Room 209 of the Student Union Building at 3:30 p.m. This meeting will cover campaign rules and a group picture will be taken.

Student organizations,

residence halls, etc., will nominate one freshman and one sophomore candidate to represent their respective group.

Commuters who wish to become candidates must have a petition with signatures of 100 or more commuter students who attest they are currently enrolled in HJC.

The Raymond Campus will accept nine freshmen and nine sophomore commuter petitions. All petitions from commuters will be accepted on a first come first served basis.

The classification for freshman and sophomore candidates are as follows: To

classify as a freshman, a candidate must have 26 hours of less as an academic or technical student. A vocational candidate must be enrolled for first or second semester.

To classify as a sophomore a candidate must have 27 semester hours or more as an academic or technical student. Sophomore vocational students must have an enrollment of three semesters or more.

All candidates must submit three photos with their application. The photos need to be approximately three by five inches in size.

## Editorial

## Zooming to class causes problems

Well here we go again. It's back to school time. At this time of year we all consider the usual stuff to be of utmost importance. You know, good classes, good teachers, dates, and just generally having a good time in college, I only ask one thing, make sure you're around to enjoy **all** of this year and next year, and the next, and the next, and...

Here I go. Telling you the same thing your mother has told you since you were 15. The ol' drive carefully. Things like, don't go too fast, use your signal, etc. But there is something about being young that makes us want to get there faster. Have you ever timed the difference between driving 55 m.p.h. and driving 70 m.p.h.? By the time you go through stop signs and red lights you're not going to get there much faster at 70 m.p.h. Sometimes you don't get there at all.

But don't you just hate putting along Highway 18 at 55 m.p.h. when you just know your little red car can go so much faster? And don't you just **laugh** at the thought of putting on a seat belt? And wouldn't you just **die** if you were two minutes late for class? Well, that can be arranged.

Hey! You're careful, right? You've been driving since you were ten and you've never had a wreck. Well, it only takes one time. And no matter how long you've been driving, you're still just as mortal as the next guy.

Nothing feels better than cruising along at 70 m.p.h. with the stereo blasting, right? Well, I don't know from experience, but I bet nothing feels worse than **slamming into another car, or tree, or telephone pole, at 70 m.p.h.**

Highway 18 is not a playground. Especially with the road construction going on. There are the tedious moments when you get behind a dump truck. I mean, we all know it isn't very exciting driving along at 4 m.p.h. while staring a truck load of red dirt in the rear-end. But sometimes you have to be patient.

Then there are those college students who can't read. It's a very simple word, just four letter, which is even highlighted by a red sign, STOP. The four-way stop coming off Highway 18 on to campus is probably the most dangerous place in Raymond. Not that college students are the only illiterates in this community, several residents are guilty of going straight through the four-way stop on their way to Raymond. So in addition to being careful, we need to watch out for the other guy.

I'm not telling you that every student that drives on Highway 18 is going to die in a traffic accident. But even if you just put a dent in your car, it's something you don't need.

So when you get in that car, be careful. Be careful for you and the people that you don't know on Highway 18. I'd appreciate it, because, I drive on Highway 18 every day. And I won't run over you, if you don't run over me. Is it a deal?

## Campus police to enforce rules, student should read regulations

by Lisa Uzzle

The campus police department would like for students to be aware of certain rules concerning cars on campus. These rules will be enforced by the campus police.

For commuters parking is available in the North parking lot, as well as Sheffield-Woolley parking lot. Commuters are asked to park only in those places designated for commuters. All commuter cars parked in residence hall parking lots will be ticketed.

Dormitory students are asked to park in lots designated for them. The campus police also ask dormitory students to walk from one dormitory to another between the hours of 7:30 a.m. until 4:30 p.m. rather than take their cars.

For students with special medical problems (temporary or otherwise) special parking is available. Applications for this can be obtained from the campus police department, located on the first floor of the Student Union Building. A letter from a doctor, verifying the problem, is required.

Temporary parking permits are available in the campus police office. These permits are valid for one week and there is a limit of three per semester. Regular student parking decals are available in the Business Office of the Administration Building. The decals are to be placed on the rear left bumper of the car, they cannot be applied to glass.

The campus police department offers some extra services to students. They will open locked cars for keys, but the student must sign a damage release. Jumper cables are available in the police station, but campus police are not allowed to jump off the student's car.

The campus police department is open from 8:00 a.m. until 4:30 p.m. If you have an emergency or any reason to contact the campus police the number is: 857-3270, at night

call: 857-5410.

If a student receiving a ticket wishes to appeal, he has three school days to do so. If the ticket is not appealed it should be paid as soon as possible. Students with outstanding tickets at the end of a semester will not be allowed to register and their transcripts will be held.

For further information concerning parking on campus contact Chief Larry Coleman or J.W. Hoatland of the campus police department.

## "Presidential Speaking"

by Clyde Muse

We would like to welcome our returning students, entering freshmen, and other first-time students to the 1984 fall semester of the Hinds Junior College District. We trust that you will experience a unique and most pleasant educational experience here at Hinds. We feel that you will find our faculty and staff most deserving of its reputation for being dedicated, efficient, eager to serve, and satisfying to students while providing quality educational experiences to each student.

The 10,763 student enrollment in the fall of 1983 made the College one of the largest institutions of higher learning in the state. These students came not only from our five county District, but also from counties all over Mississippi and other states and countries. We are extremely proud of our student body and the contributions made by Hinds' students here on our campus, on the campuses of other institutions, and the world of work.

Current projects of renovations, repairs, improvements, and construction in the District include improvements to the student union building, conversion of a faculty house to use as a career counseling unit, and the dedication of a dormitory complex to house 432 students on the Utica Campus. The complex consists of three dormitories, a cafeteria, a student lounge and a facility housing the resident hall director, laundry area and offices. Cost for constructing and equipping this complex was approximately four million dollars.

The Raymond Campus is anticipating a dedication in November of the William M. McKenzie Agricultural Arena and Farm Management Building. A long overdue central heating/air conditioning system is being installed in Harris-Patrick Hall. Reroofing of the vocational-technical buildings has been completed. Due to renovations in Herrin-Stewart Hall to accommodate the expanded computer services, the Special Services Lab is moving into new quarters. When the renovation of the ground floor of Denton Gym

is complete the Lab will locate there.

The Jackson Campus-Sunset Drive Center has come into repairs due to the damage by our Yazoo Clay. Repairs to the foundation are complete. Fall renovation plans there include the Technical Physics Lab and the Child Care Center.

The friable asbestos materials survey has been completed and designated priority areas are in the process of being removed.

Our College has recently been recognized nationally with two firsts. The Hinds Junior College District was recognized by United States Undersecretary of Energy, Pat Collins, as "a model for other junior colleges to follow". He congratulated Hinds for being a leader in the nation in energy conservation.

The second is wide receiver football Coach Dot Murphy. She is the first female football coach in the National Junior College Athletic Association.

Your student officials have been meeting and planning activities for the opening of this session. I am tremendously impressed by your leaders' work and feel that they have some exciting plans for students for the coming year. I would challenge each of you to work with your elected student leaders by becoming involved and support these activities.

We certainly hope that you will find the year just as exciting and rewarding as we feel it will be. Your learning resources are here — faculty, staff, facilities, and opportunities. They are yours for the asking.

### Meat Merchandising announces hours

The Hinds Junior College District Meat Merchandising department would like to announce that it is once again opening for business starting August 29, 1984.

Our hours this fall will be: Open Wednesdays through Fridays from 11:00 a.m. to 3:00 p.m. The Cold Storage is open daily until 5:00 p.m. and would be happy to hold your purchase in their cooler until you get off from work.

Collins and Ball and other representatives from the U.S. Department of Energy and the State Department of Energy and Transportation toured the Raymond Campus this summer to look at DOE-funded energy conservation projects.

## New staff added to HJCD

There have been several new members added to the staff of Hinds Junior College District.

In the math and science department William Compere will be working at the Universities Center of the Jackson Campus. Compere is a Mathematics and Computer Science instructor. Edna Holbrook is a new Mathematics instructor at the Raymond Campus. Also at the Jackson Campus Universities Center is Jesse Kirkland, a Mathematics/Physics instructor. Lender Luse, a Science and Math instructor, is at the Hinds Agricultural High School. Ernest D. Reynolds, Jr. is a Political Science instructor at the Raymond Campus.

Dianne Kelly and Janice Nail are new staff members at the Library of the Raymond Campus. Glenda Lester is new at the Jackson Campus, Universities Center. Lester is an Academic Counselor and Librarian/Instructor.

Wyonda Cain is a new Vocational Counselor, at the Jackson Campus on Sunset Drive. Cindy Crane is a new Drafting instructor for the Rankin Branch. Robert Lague is the Electricity and Wiring instructor at the Vicksburg Warren County Branch. William Wilson will be the Assistant Director of Vocational Technical Education at the Jackson Campus on Sunset Drive.

Daniel Gilbert and Billy Louise Lee are new Psychology instructors for the Raymond Campus. Also at the Raymond Campus, is Jerry

Williamson, a Philosophy instructor.

In the Music Department of the Raymond Campus two new staff members have been added. Peggy Blackwell is the new piano instructor, and Bob Cheesman is a brass instrument instructor and director of the stage band.

Antoinette Roberts is the new Secretary to Assistant Director of the Rankin Branch. On the Raymond Campus, Lillian D. Shannon is the new Research Assistant in the Office of Dean of Students. Chere Stegall is a new keypunch operator for the

This year really got off to a great start. The Toga Street Dance with "Heat", and the Pool Party were huge successes. Due to your participation, we plan to have similar events throughout the year. If you were not there, you missed a fun time. Special thanks goes to Kevin Nations, ASB Programming Director; Jerry File, ASB Vice-President; Julie McDonald, ASB Secretary.

Our first home is Saturday, September 8. The coaches and players have been working hard toward a good season, so let's help the cheerleaders, band, and Hi-Steppers show support for our Eagles.

This year Arts Feast Week will be held September 24-29. It's a week packed full of special events and ending the week on Saturday is the Homecoming game. Organizations, clubs, and residence halls provide forms for the

candidates chosen to represent them. Commuters may petition for candidacy. Homecoming Court Nomination/Petition forms can be picked up and dropped off at the Public Relations Office in back of the Student Union Building.

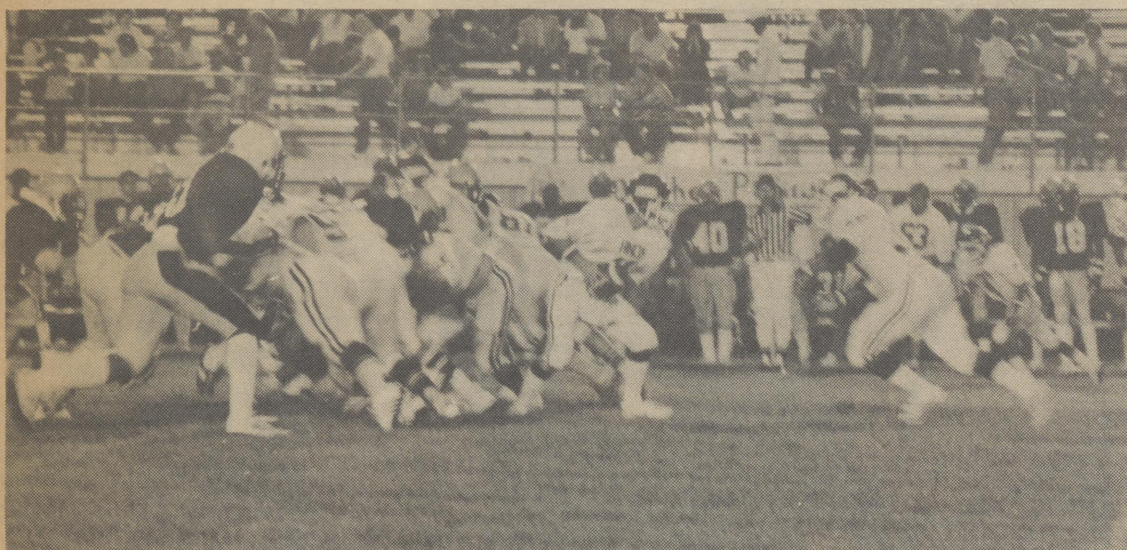

Those of you who are interested in Student Activities and holding a position on a committee in the Student Government should come by the ASB office in the Student Union Building, Room 209, and fill out an application. I am sure you have many excellent ideas and this is one way of seeing them implemented.

I am looking forward to working with you this year in making it your best year here at the Hinds Junior College District. I trust you can find a happy medium between school work, extracurricular activities and having a blast this year.

# EAGLES CAPTURE OPENER

## Hinds defeats Northeast 21-6

The Hinds Junior College Eagles opened the 1984 football season by defeating the Northeast Junior College Tigers 21-6 in Booneville last Saturday night.

The Eagles broke loose just before the halftime when they took over the ball at their 29 and after five plays Eagle quarterback Milton Taylor of Jackson swept right end on another keep from eight yards out, then cut back into the end zone for the touchdown. Hinds kicker Claus Larsen made the extra point and the Eagles had a 7-0 lead at the half. The Tigers took possession of the ball but were unable to do anything in the remaining time.

On the opening play of the third quarter Hinds' Loviett Dixon of Jackson returned the boot 88 yards to give the Eagles their second touchdown. Claus Larsen again made the extra point and the Eagles were leading 14-0.

Northeast made their only touchdown of the game with 2:18 left in the third quarter when Tiger quarterback Lamar Keith scored from the seven on a sweep of left end. The attempt for the point after failed when the center snap was missed.

During the fourth quarter Eagle tailback Bruce Parker of Houma, Louisiana got loose on a 67 yard sprint with a pitchout around right end for the final Eagle touchdown. Larsen made the extra point and the Eagles wrapped up their first victory of the year with a 21-6

win.

Commenting on the game Coach Bill Buckner remarked, "It's real exciting to win the opening game of a season and I believe that we got a lot of tremendous play out of our defense and when we correct some of the mistakes we made on offense I'll feel a lot better about our total game."

Further remarking on the Northeast game Buckner commented, "Overall our kicking game was in good shape even though we had a couple of break downs."

The Hinds Eagles will meet Pearl River Junior College in Raymond on Saturday, September 8, at 7:30 p.m. Commenting on the upcoming game, Coach Buckner stated, "They have a traditional team with a super running back this season and there has always been a running battle between Pearl River and Hinds."

## Intramural teams applications due

Persons interested in organizing an intramural flag football team on the Raymond Campus this year must have the application completed and turned in to room 215 in the Student Union Building or given to Joe Riggins in the Science Building, office B, by 12:00 noon on Monday, September 10.

Applications are available in the Student Union Building, Cafeteria, and at the Switchboard in the Administration Building.

Later in the year teams for basketball, mixed teams for volleyball and softball, will also be organized.

## HJC Soccer club seeks members

The Hinds Soccer Club, which is stationed on the Raymond Campus, will begin its fifth year this season. Those wishing to try out for the team can contact Coach Tom Shepherd at Herrin-Stewart Hall in room 301, or at the soccer field.

The team was formed in 1979 in response to requests from a group of young men who wanted to continue to play soccer while attending college. Last year the team recorded wins over Mississippi College and Delta State and played competitively with Mississippi State, Southern and Ole Miss.

# WHAT EVERY STUDENT SHOULD KNOW ABOUT THE DIFFERENCES BETWEEN LEASING A TELEPHONE AND LEASING A CHICKEN.

Yes, there are differences. And we think you should know what they are. Ask yourself these questions.

## WHEN YOU LEASE A CHICKEN, DO YOU GET THREE MONTHS FREE DURING THE SUMMER?

Probably not. But when you lease your telephone from AT&T this fall, you won't pay any lease charges next summer. You can use your phone at home, and bring it back to school in the fall.

## DO LEASED CHICKENS COME IN A SELECTION OF COLORS AND STYLES?

No. Chickens don't come in many colors. But the AT&T telephone you lease this fall comes in a variety of colors and three popular styles.

## ARE LEASED CHICKENS REPAIRED FREE?

Don't kid yourself. Repairing a chicken is a delicate process that requires the work of expensive professionals. However, in the off chance your AT&T leased telephone

needs repairs, we'll fix it absolutely free when you visit any of our AT&T Phone Centers.

Jackson Downtown  
410 E. Capitol Street

Jackson North  
1461 Canton Mart Road

## ARE LEASED CHICKENS SHIPPED DIRECTLY TO YOU?

Ship a chicken? Don't be silly. However, your AT&T leased telephone will be shipped directly to you after one call to 1-800-555-8111, or you can pick up your phone at any of our AT&T Phone Centers.

## ONE FINAL QUESTION: DOES IT COST THE SAME TO LEASE A CHICKEN AS TO LEASE A TELEPHONE THIS FALL?

Hardly. While we have no hard data on the exact cost of leasing a chicken, we can tell you with some certainty that the cost of leasing a telephone this fall is far less than you might think.

The decision to lease a chicken or a telephone, of course, rests with you.

But should you opt for the telephone, remember: you get three

months free next summer, and you can take

the phone home with you. There's a choice of colors and styles, free repair, and we'll ship you the phone or you can pick it up at any of our AT&T Phone Centers.

It doesn't cost much either. And that's something to crow about.

AT&T Consumer Sales and Service. To order your telephone, call 1-800-555-8111 for delivery right to your door or for information concerning AT&T Phone Center locations.

## Scholarship Bank has funds available

College students who have not received the necessary state or federal funds for continued education are urged to apply to The Scholarship Bank for private educational funding.

Working in conjunction with high school and college financial aid counselors, The Scholarship Bank will send students a computer-generated printout of the private aid sources that the student appears specifically qualified to receive. According to the director of the search service, private financial aid from corporations, trade groups, and educational and civic foundations amounts to approximately one fourth of all financial aid available, or a sum of

about \$500 million dollars. Much private financial aid is based on factors other than need or family income, but on criteria such as major, occupational goal, willingness to enter contests, write essays or take on an internship.

The Scholarship Bank has approximately 25,000 sources of private financial aid and will send students a list of 20 to 50 names and addresses upon receipt from the student of a questionnaire. The questionnaire can be ordered from The Scholarship Bank in Los Angeles by sending a stamped, self-addressed envelope to 10100 Santa Monica Boulevard, No. 2600, Los Angeles, CA 90067.

## Hi-Stepper shows create busy summer months

by Angie Bright

The Hinds Junior College Hi-Steppers performed before an estimated crowd of several thousand at the International Riverfront at the World's Fair, on June 25.

Sophomore Kitty Mulligan commented on the performance at the World's Fair, "It really boosted our morale. Thousands of people watched us perform. It was really great!"

Mr. Tommy Walker, who staged the opening and closing productions for the 1984 World Olympics, invited the Hi-Steppers to perform this year at the World's Fair. He has also invited them back to perform in October, as a headlining attraction. "I was just elated over their reception," commented Mrs. Anna Bee, director of the Hi-Steppers.

The Hi-Steppers also performed on Jackson Day, August 9, at the Neshoba County Fair. They plan to perform a stage show at a meeting of the Mississippi Soil Conservation Department on September 6.

Mrs. Bee also commented, "I think they're coming to be an exciting group. They're one of the most outstanding dance lines we've had. We are fortunate."

Sophomore officers for the Hi-Steppers include: President Dana Mangum, Vice President Ginny Milano, Secretary Tammy Benton, Treasurer April Richardson, Senator Karen Daley, Historian Angie Smith,

Projects Chairman Tina Mooney, Social Chairman Pam Ritter, and Spirit Chairman Melanie Tribble.

The freshmen officers are: Jill Steadman, Cherrell Smith, Kris Kirby and Diana Ward.

Some of the music the Hi-Steppers will be performing to this year are: "Beat It", "Eye of the Tiger", "Hey Neighbor and Saints", "Heart of Rock and Roll", "She Works Hard for the Money", and "Just One of Those Things".

## Edith Ballard Scholarship organized

A music scholarship fund named in memory of HJC piano and organ instructor Edith Ballard has been established by friends and relatives. The fund is administered by the Hinds Junior College District Development Foundation.

Students selected to receive the Edith Ballard Scholarship must be full-time students majoring in music. They must have a talent evaluation by the Music Department teachers. A 2.5 grade point average must be maintained and the students must be financially needy.

Students recommended for

the Edith Ballard Scholarship must be approved by the Music Department and the final selection will be made by the Hinds Junior College District Scholarship Committee.

Edith Ballard taught piano and organ at Hinds for 15 years. She also taught at Clarke College in Newton; in Redford, Virginia; at Mississippi College; in Yazoo City; at New Orleans Seminary; and in Carrollton, and Winona. She died in February of cancer.

"Edith's interest and enthusiasm in working with young people, especially in the area of music, will be

perpetuated by the annual awarding of this scholarship," said HJCD Raymond Campus Music Department Chairman Leslie Reeves.

Scholarships will be awarded each year from the interest accrued from the principle received for the scholarship fund. Persons interested in making a tax deductible contribution to the Edith Ballard Scholarship Fund should make their checks payable to the Hinds Junior College District Development Foundation and mail it to: Edith Ballard Scholarship Fund, Hinds Junior College District Development Office, Raymond, Mississippi 39154.

## Cafeteria plans various events

by Lisa Uzzle

The Raymond cafeteria and grill are privately operated by the Mississippi Valley Food Service. The food service director is Debbie Hopper and her assistant is Karen Lewis. The cafeteria has planned several special events for September.

On September sixth there will be a cookout held at Mayo Field House before the pep rally. Hotdogs and hamburgers will be served.

On September 10th the cafeteria will have their first monthly birthday party. On a

certain date each month the cafeteria will serve birthday cake to the student body (this is included in a regular meal). In addition, students having a birthday in that month will be eligible to win a private birthday party for themselves and five friends.

On Thursday, September 13th, boxed lunches will be served for the home game against Holmes Junior College.

On the 18th, ice cream will be served with a regular meal in the main cafeteria.

## Vicksburg's Susan Cox wins national honor

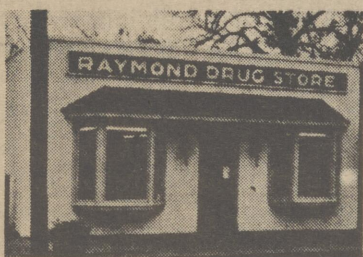

Susan Cox of Vicksburg, a sophomore majoring in Medical Laboratory Technology at the Nursing/Allied Health Center on the Hinds Junior College District's Jackson Campus, won second place in the National Vocational Industrial Clubs of America Olympic Skills held in June in Louisville, Kentucky.

The VICA Olympic Skills represent all areas of vocational and technical education.

Students are tested in a variety of clinical and practical areas that pertain to their major field of study. Cox won second place in the nation for Medical Laboratory Technology students.

Cox won first place in the Mississippi VICA Olympic Skills in Medical Laboratory Technology in April. She was also captain of the HJCD Medical Laboratory Technology Bowl Team that won first place in the state.

## Committee members needed for ASB

The Associated Student Body has several committees available for students interested in student government at the Hinds Junior College Raymond Campus. If interested, students may contact the ASB office located in room 207 of the Student Union Building.

The **Public Relations Committee** notifies students of ASB-sponsored events through newspaper articles, the electronic sign, posters, etc. and works with HJCD's Public Relations Department.

The **Student Services Committee** helps with direct services to students, including food service, refrigerators, student I.D., and handbooks. This committee works with Director of Food Services.

The **Student Special Activities Committee** helps coordinate two special weeks on campus — "Arts Feast" week in the Fall and "3E" week in the Spring. This committee works together with the HJCD Special Activities Committee.

The **Disciplinary Committee**

hears and considers charges brought against any student for violation of college regulations governing the conduct and behavior of students and prescribes penalties for the violation.

The **Judicial Appeals Committee** hears appeals brought by the student for a campus traffic violation. This committee works with the Campus Police Department.

The **Programming Activities Committee** plans and schedules activities held on campus, such as movies, street dances, the Homecoming Dance, and the Spring Formal.

The **Intramural Committee** promotes, organizes, and administers a wide range of team and individual games and sports. These sports included flag football, tennis, volleyball, basketball, soccer and softball. This committee works with HJCD Intramural Director.

The **Commuter Services Committee** helps commuting students with their needs and

works with commuters on their involvement in campus activities.

The **Residence Halls Committee** regulates the activities in the dorm and coordinates with the Director of Residence Life. Members are elected by dorms.

## Music scholarship offered to students

A music scholarship fund named in memory of HJCD Raymond Campus piano and organ instructor James Furlow is being established by friends and relatives. The fund will be administered through the Hinds Junior College Development Foundation.

Students selected to receive the James Furlow Scholarship must be full time students majoring in music with an emphasis on keyboard or vocal. They must have a talent evaluation by the Music Department faculty, maintain a 2.5 or better grade point average, and have financial need.

James Furlow, a native of Mendenhall and an alumnus of Hinds Junior College, and Louisiana State University, died April 2, 1984. He taught piano and organ at Hinds for 19 years and had served as organist for many area churches and judged many music competitions in the area.

Students interested in this scholarship can contact the Financial Aid department of the Raymond Campus, at 857-3223.

## Healey receives Texas scholarship

Tom Healey, a former student of Hinds Junior College in Raymond, was awarded a scholarship by Moorman's Manufacturing Company to attend Texas A & M University. He will be attending in January 1985.

Healey majored in Animal Science while at Hinds. He will be majoring in Animal Science with a minor degree in Agriculture Economics at Texas A & M.

While at Hinds Healey was vice-president of the Agriculture Club and a member of the Hinds Livestock Judging Team.

Healey attended high school in Katy, Texas, before moving to Mississippi. While there he won the following awards: Reserve Grand Champion Market, Star Green Hand, Star Chapter Farmer in FFA, and various awards in swine products, poultry, dairy and beef cattle.

After moving to Mississippi Healey exhibited many

livestock projects. He won the Reserve Champion Medium Weight Steer at the 1982 Dixie Livestock Show. He was also on the poultry, land, and livestock judging teams.

Healey is a member of the Mississippi Junior Angus

Association and the American Angus Association. He graduated from St. Joseph High School in Jackson, and attends the Immaculate Conception Catholic Church in Raymond.

## Marie Hull Gallery schedules exhibit

Lifesize laminated wood sculpture by Cleveland, Mississippi artist Floyd Shaman will be the first exhibit of the 1984-85 season for the Marie Hull Gallery in the Katherine Denton Art Building on the Raymond Campus of HJCD. The exhibit will be on display September 26 through October 26.

A preview showing and reception for the artist will be held from 10-11:30 a.m. in the Marie Hull Gallery in conjunction with Hinds' homecoming activities September 29.

"This is one of the most outstanding shows we have

had in the gallery," said Marie Hull Gallery coordinator Gail McCarty. "We are privileged to have Mr. Shaman's work with us."

Shaman is a native of Wyoming and now resides in Cleveland, Mississippi. He has an impressive national and international exhibition record with works in collections throughout the United States and in Canada, Belgium, Australia and Italy.

The Marie Hull Gallery is open free to the public from 8 a.m. through 3 p.m. Monday through Thursday and Friday 8-12 except on holidays.

## Lendon Players seek new members

by Paulette Campbell

The Lendon Players, Hinds' drama club, will be accepting new members during meetings on September 10 and September 24. These two meetings will be the last chance for new members to join.

Applicants do not have to be drama majors or take classes in drama. The main qualification is an interest in theatre.

"Arsenic and Old Lace", the Lendon Players' only production this semester, will be presented November 13 through November 17. There are nine main roles and five female roles open. Auditions will be held on October 2. For more information, contact Nancy Wade, president of the Lendon Players, or the sponsor, Denise Halbach, in the Speech and Theatre Department.

## Campus briefs

The Raymond post office requests that all HJC students on the Raymond Campus use a special zip code for receiving mail. The zip code consists of the Raymond zip and a zip for the college. The college zip is 39154-0999. This zip allows the Raymond post office to deliver the college's mail more quickly.

## Disney World Reps visit Hinds Campus

by Angela Knapp

Two representatives from the Disney World Internship Program and one teen representative from Disney World, will be on campus Tuesday, October 2.

Students interested in an internship must register for an interview and fill out an application with Clark Henderson's office, room 201 of the Administration Building. Interested students must also be majoring in one of the following fields: business, public relations, communications, recreation, or speech. Only students that meet these requirements will be interviewed.

Students participating in the internship program will work for one semester at Disney World. There will be a series of thirteen professional seminars given during this time. Some subjects covered will include marketing, public relations, financing and management. The internship will be counted as three hours credit in the Cooperative Education Program.

Henderson, Director of Cooperative Education and Placement, commented on the internship, "All the students we've had go to Disney World have come back with great comments. It's an outstanding program, with a lot of educational benefits."

Henderson also remarked, "This past summer Hinds student Steve Usry of Jackson served in this program as a custodial host at Disney World in Kissimmee, Florida." This program included 450 students per semester.

## MC challenges HJC for blood

Circle K will sponsor a blood drive on the Raymond Campus, Wednesday, September 26, from 8:30 a.m. until 5:00 p.m. in room 209 of the Student Union Building.

Circle K is working with Mississippi Blood Service this semester for the drive. Mississippi Blood Service is a community blood center open 24 hours a day, seven days a week and provides and delivers blood products, including platelets to satisfy local hospital needs.

Mississippi Blood Service supplies products to 60 hospitals ranging from the Tennessee border to the Mississippi Gulf Coast.

It takes about 35 minutes to give blood and it is best that you have eaten a meal before giving. If a person has given recently they should not give again for at least eight weeks.

The Hinds Raymond Campus has been challenged by Mississippi College. The campus receiving most donations will be awarded a plaque.

## Beauty pageant slated

The 1984 Hinds Junior College Yearbook Beauty Pageant will be held Wednesday, November 14, in Cain Auditorium at 7:30 p.m. Five beauties will be selected, one of whom will be crowned, "Most Beautiful" and featured in the 1984 Eagle yearbook.

Mrs. Anna Bee will serve as director of the pageant and Bob Hodges, yearbook advisor, will serve as assistant director of the event. The Circle K Club will be in charge of the stage decorations for the pageant.

The pageant will be judged strictly on beauty in evening gowns. Any Hinds coed who is interested in participating should stop by Mrs. Bee's office, located in the Women's Gym or the Public Relations Office in the Student Union Building and fill out an application. All applications must be returned to the Public Relations Office by Friday, October 26.

The first rehearsal for the pageant will be on Sunday, November 10 at 6:00 p.m. in Cain Auditorium on the Raymond Campus. Girls who

enter the pageant are required to be at all rehearsals prior to the night of the production.

More information may be

obtained by contacting Mrs. Bee in the Women's Gym at extension 3346 or Bob Hodges at extension 3323.

## Organizations plan decoration awards

There was a meeting of the organizations committee held Wednesday, September 19, in the Student Union Building. The meeting dealt with the building of Homecoming decorations.

The meeting was directed by Jerry File, Associated Student Body vice president. Various organization leaders attended.

During the meeting types of awards to be given for decorations were discussed. It was also decided that the frames for the decorations will be put in Mayo Field House Friday, September 28. The organizations will have the afternoon to put the design on the frame of their decoration. Friday night each organization will have just three hours to complete the decoration.

The decorations will be made of chicken wire frames stuffed with crepe paper. ASB will provide each group \$15 for materials for their decoration.

# Make your own Decisions: Vote

What happens every four years, costs millions of dollars, and has grown well educated men (and now women) dancing around calling each other dirty names?

If you guessed the president elections, you are completely right. Maybe you think it's a little early to be talking about the elections, but actually I've got something else in mind. Do you vote? More than likely you don't. And I don't just mean in the national elections either. Did you vote in the homecoming elections? These things affect our every day lives. So how can we be so blaise about elections?

All right, so maybe the Homecoming court will not affect the rest of your life, but haven't you ever heard 'It's your patriotic duty to vote'? Well, you're not Paul Revere so let somebody else be patriotic, right? And we've all heard about our forefathers sacrificing their lives for our right to vote. Now, I'm not belittling this at all, but that was a long time ago and we tend to forget. But I can tell you one thing we haven't forgotten how to do, that's complain.

We complain about who won, gripe about who lost. And like I said, it's not just national elections, this includes campus elections. It seems like we'd care enough to vote in student elections, this is our college, and we are paying money to go here. So why don't we care? If we take the trouble to gripe, it seems like we'd take the trouble to vote.

If you start now, voting in college elections, maybe we'll begin to see how these elections can affect our lives. And if you still don't care, then just sit back and let somebody else make the decisions for you.

**But remember, if you don't vote, don't gripe!**

## Public Relations increases staff

Colleen Hartfield and Ben Smith are new employees for the Public Relations Department of the Hinds Junior College District. They will both be working on the Raymond Campus.

Mrs. Hartfield is the new Assistant Public Relations Director. Mrs. Hartfield will be working with the faculty staff newsletter, the district newsletter, and the *Hindsight*.

Mrs. Hartfield received an undergraduate degree in education and a masters degree in English with an emphasis in Public Relations, from Southeast Missouri State University.

She has previous experience in teaching, retail management, and was a training coordinator for McRaes.

"I'm very enthused about my new position and being involved in the activities of the Hinds Junior College District. I would like to encourage the students, faculty, and staff to call upon this office for assistance in publicizing any special event or student and faculty accomplishments," commented Mrs. Hartfield. Mrs. Hartfield lives on the Raymond Campus with her husband and two year old daughter, Kate.

Ben Smith is a photographer and artist. He attended the Raymond Campus of Hinds and went on to Belhaven, where he received an Associate Degree in Commercial Design and Advertising.

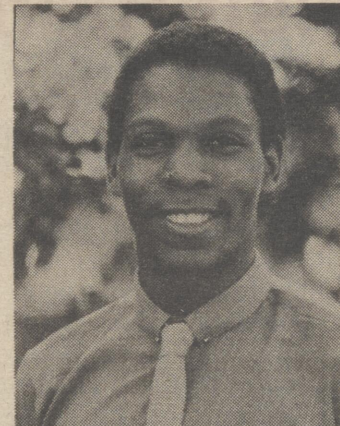

Smith has previously worked for Kap II International, a tee shirt and cap company. He served as a graphic artist and cameraman. He also operated

his own studio, where he concentrated on photographing weddings, and doing advertizing illustrations.

Smith commented on his new job, "I think the staff here is great, I think I'll really enjoy working here."

by  
**Janice Patti**

I hope everyone's school year has started off as well as our Eagle football team's.

Next week, beginning Monday, September 24, we are having Arts Feast/Homecoming Week honoring our football players. The week ends with the Homecoming Game against East Mississippi on Saturday, September 29. This will be one of the most exciting weeks of the semester, busy with spectacular events at noon and at supper.

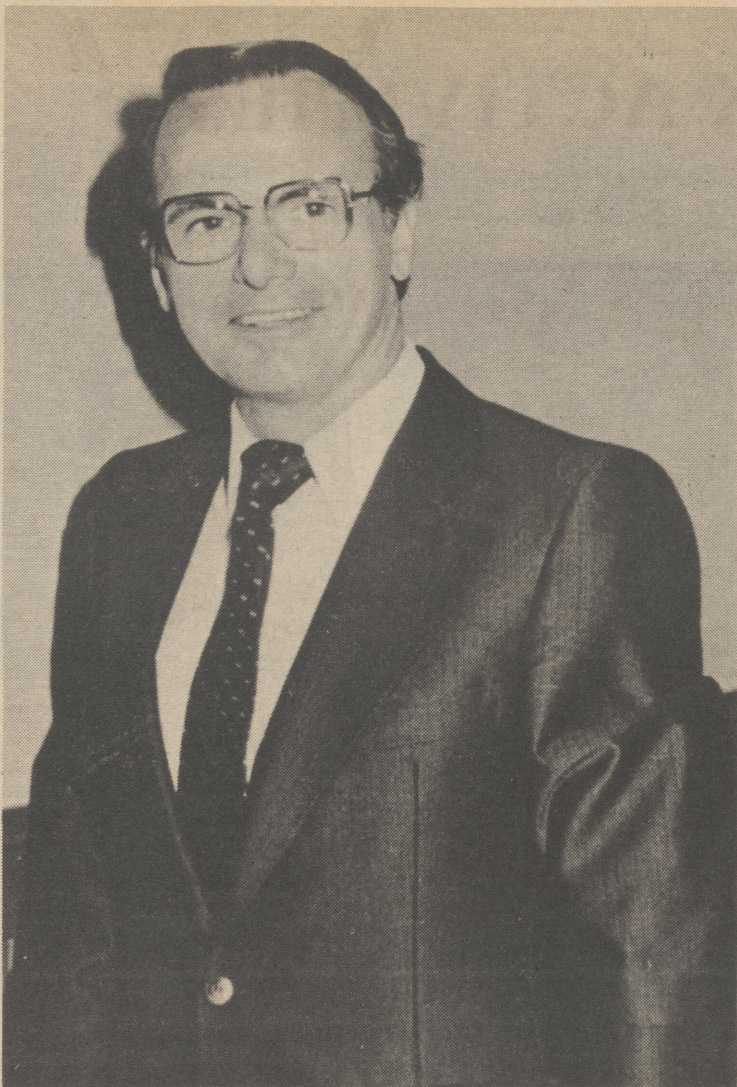

A list of events is printed in this paper and an event card will be available for you to keep handy. A limited number of Arts Feast T-Shirts will be

sold for \$3 at the events while they last.

We are now accepting applications for committees and will be interviewing applicants through October 5. You may pick up an application in the ASB office. Please specify the time best for you on the application or call our office.

Now that we have settled into school, we have regular office hours. Monday 2:00-3:00; Tuesday 12:30-4:30; Wednesday 2:00-4:30; Thursday 12:30-3:00 and Friday 12:00-4:30. Additional hours may be added. We invite you to stop by and talk to us.

IRL DEAN RHODES

# Irl Dean Rhodes named 1984 Alumnus of Year

Irl Dean Rhodes, a Rankin County native and a 1957 graduate of Hinds Junior College, has been named Hinds' 1984 Alumnus of the Year. Rhodes' reaction was, "This was quite an honor. I'm flattered. I'm a big supporter of junior college education and especially Hinds."

Dr. Clyde Muse, president of Hinds Junior College District, said, "Irl Dean Rhodes is one of the finest supporters the Hinds Junior College District has. He has worked for increased millage for operations and capital improvement. Along with the Board of Supervisors and the Board's attorney, Irl Dean was a key promoter in putting together the Rankin Branch."

Rhodes has had an outstanding career in education, in politics, and in community service. An honor graduate of Brandon High School, Rhodes

was president of the student body. At Hinds Junior College he was president of the freshman class, Mr. Hinds Junior College, and editor of the HINDSONIAN, the student newspaper. For two years following graduation from Hinds, Rhodes served part time as Public Relations Director for Hinds.

In 1959, Rhodes graduated from Mississippi College and was elected to the state legislature. At 22 years of age, he was at that time the youngest legislator.

At the age of 26, Rhodes became the youngest chancery clerk in the state when he was elected Rankin County Chancery Clerk. He is in his 21st year in this office.

His service to political, civic, and religious groups has included: president of the Mississippi Chancery Clerks' Association, member of the Pearl River Valley Basin Development District, first president of and executive director of the Pearl Junior Chamber of Commerce, president of the Pearl/Brandon Rotary Club, and trustee and

charter member of the McLaurin Heights United Methodist Church.

Current service includes: elected representative of all county employees on the Board of Trustees of the State Public Employees Retirement System, member of the Board of Directors of the Rankin County Bank, chairman of the Rankin YMCA, and a member of the Board of Directors of the Rankin County Boys' Club, a group that recently named a recreation field Rhodes Field. Rhodes is a 32nd degree Scottish Rite Mason and a Shriner.

He also is a member of the Board of Directors of the HJCD Development Foundation. Jackie Granberry, HJCD Director of Recruiting, commented, "Mr. Rhodes encourages students to come to Hinds. I get calls regularly about potential students."

Rhodes currently lives in Pearl. He has two sons: Jeff, an investment banker in Houston, Texas, and Scott, a college student at Hinds last year and currently at the University of Mississippi.

## 50-Plus plan class activities

In July a 50-Plus group of Hinds Junior College graduates met to begin planning for Homecoming 1984. Former graduates present were Walter Gibbes, W.H. and Emma Grace Cochran, Robert Smathers, Nancy Duren, Clara Meeks Cranford, and Anne Chapman Hardy. Other former graduates will also be involved in the Homecoming planning activities.

In the 50-Plus featured groups at Homecoming will be graduates of the classes of 1924 and 1934. Anne Hardy and others are contacting graduates of the Classes of 1933, 1934, and 1935. The planning committee is also eager to have present graduates and other members of the classes since 1922 as well as other graduates and members of all other years.

The committee especially is working to get good representation of former athletes. Nancy Duren and Clara Cranford are contacting members of the girls' championship basketball teams of 1948, 1949, and 1950. In addition Helen Belknap Cox and Maude Wynne Brantley are contacting other athletes. Also featured will be large families who attended Hinds. Robert Smathers is contacting these individuals.

The committee encourages all former graduates and other class members to attend Homecoming 1984. Walter Gibbes, committee coor-

dinator, said, "The goal is to have over 200 present."

W.H. Cochran, president of the Alumni Association, urges all: "Be a true representative of Hinds Junior College. Call and encourage others to come to Homecoming. Bring with you a written list of names and addresses of former students." The Alumni Association is anxious to continue adding to their list names and addresses of former students.

## Maid of Cotton Contest

The Maid of Cotton program is being enhanced and expanded through a special projects grant to The Cotton Foundation by the Ciba-Geigy Corporation.

The \$70,000 grant will be used to expand the educational awards offered to finalists and to enrich the Maid's activities during her domestic tour and her visit to Washington, D.C., according to the National Cotton Council, which conducts the program.

Beginning this year, the Maid of Cotton will receive a \$10,000 educational award. The first alternate will receive \$4,000; the second alternate, \$2,500; and all other finalists, \$500 each.

"The expanded educational awards program will help the cotton industry to attract even better qualified young women to submit applications," Tom-

If you haven't been contacted, please take the initiative. Call one of the committee members or call the Alumni Office at 601-857-3350; give your name, address, and graduation year. Ask any questions you might have about Homecoming. Most importantly, put September 29 on your calendar and plan to be on the Raymond Campus for Hinds Junior College Homecoming 1984.

my Funk, a Harlingen, Texas, cotton producer and president of the Foundation, explained.

"The grant will also help the Maid do a more effective job of telling cotton's story in Washington, D.C., and across the nation, and we appreciate Ciba-Geigy's support for this program," Funk added.

Applications for the 1985 election, to be held for the first time in Dallas, Dec. 27-29, are available from the National Cotton Council, 1918 North Parkway, Memphis, Tenn. 38112. Deadline for entering is midnight Nov. 9.

To be eligible, applicants must be between the ages of 19 and 23 inclusive at least 5 feet five inches tall, and never married. They must also have been born in a cotton-producing state or maintained continuous residence in the Cotton Belt since the age of seven.

**EAGLE WIN** — The Hinds Eagles defeated the Holmes Bulldogs last week at Raymond. This gave the Eagles a 3-0 record for the season. Pictured above Hinds fullback Frank Thompson of Jackson Callaway gains ground for the Eagles. The Eagles went ahead to win 17-3 over Holmes.

## Eagles comprise 3-0 record; add wins over PRC & HJC

Bill Buckner's Hinds Junior College Eagles captured their second win of the season as they defeated the Pearl River Junior College Wildcats 27-21 in Raymond last Saturday night.

At halftime both teams were tied 14-14 and then both went to 21-21 during the fourth quarter as neither team scored during the third. The winning touchdown of the game came with 1:30 left in the fourth quarter as Hinds quarterback Randy Becnel of New Orleans completed a 22 yard pass to wide receiver Lee Beard of Baton Rouge. This gave the Eagles a 6 point edge over the Wildcats.

The only score made during the first quarter came when Pearl River tailback Ricky Myers ran the ball in from four yards out for the touchdown and Kenneth Seymour made the extra point.

Second quarter action saw Hinds fullback Joe Robinson of Jackson run the ball in from the four yard line for the touchdown. Hinds kicker Claus Larsen of Jackson made the extra point. With less than 10 minutes left Hinds tailback Bruce Parker of Houma, Louisiana carried the ball six yards for the touchdown while Claus Larsen again added the extra point. With 1:20 left in the half Pearl River's Chip Lofton ran the ball in 13 yards for another Wildcat touchdown and Kenneth Seymour added the extra

point. This put both teams at a 14-14 tie at halftime.

In the fourth quarter Hinds Robert Green of Vicksburg ran the ball in 60 yards for the touchdown and Claus Larsen added the extra point. Shortly after this play Pearl River's Mike Proulx carried the ball in from the 1 yard line for the touchdown and Seymour made the extra point.

### HOLMES

Hinds Junior College's Eagles continue to fly high with their third straight victory by smashing the Holmes Junior College Bulldogs 17-3 last Thursday at Raymond.

Hinds coach Bill Buckner stated, "It's very exciting to be a 3-0 and to have played Holmes who has a very good ball club and its great to see our team is still putting forth a complete team effort."

Taking awhile to put points on the board the Eagles first score came with three minutes left in the second quarter when Hinds kicker Claus Larsen kicked a 42-yard field goal. Later in the second quarter Hinds quarterback Randy Becnel connected with wide receiver Gordon Downs on a 71-yard pitch, catch, and take off touchdown play. Larsen added the point after.

With ten seconds left in the half Holmes kicker Mark Jackson kicked a 40-yard field goal giving Holmes first score of the game. This gave the Eagles a 10-3 lead at the half.

During the third quarter both teams struggled up until the last two minutes when the Bulldogs gave up a fumble on their 26-yard line setting up the Eagles with an easy score.

Hinds Bruce Parker circling right end 15 yards for the touchdown that gave the Eagles their final score of the night. Claus Larsen again added the extra point.

Stats for both teams were not impressive, Hinds had eight first downs, Holmes 10. Hinds gained 124 yards on 40 rushes, the Bulldogs 119 on 43. Passing for Hinds was completed 3 of 12 for 92 yards., and Holmes five of 17 for 43 and they also gave up an interception.

## Intramural tennis creates challenge

The Hinds Junior College inter campus tennis challenge ladder will begin on the 24th of September. Players of all levels will participate in both men's and women's divisions.

With this format, a player may challenge one or two positions above their present position. If the challenger wins, he may take the opponents position on the ladder. If he loses he drops to the bottom of the ladder.

For further information contact either Dr. McKnight at ext. 3295 in the Chemistry Department or Daniel Gilbert at ext. 3283 in the Psychology Department.

Those participating with the new intramural tennis program are:

## Living at the 'Magic Kingdom'

Have you ever dreamed of living in the "Magic Kingdom?" well, Hinds Junior College student Steve Ury of Jackson did just that. Ury, a business major on the Raymond Campus, was student of the Walt Disney World College Program in the Spring of 1984 at Disney World.

Ury lived in Kissimmee, Florida, at a trailer park called Snow White Campground. The park houses 450 students

from the United States. The students work approximately 30 hours a week and are paid by the hour.

Ury worked as a custodial host. This includes keeping the grounds clean and offering information to tourists. Ury commented, "I'd recommend this job to the guys going, because it keeps you outside, and gives you freedom to move around, but for the girls I'd recommend the gift shop or attractions, you meet a lot

of people."

The program began in 1981, and since then has included 450 students a semester. Thousands of students are interviewed for the program each semester. Acceptance is based mainly on a personal interview with a representative from Disney World.

Disney World crews operate 24 hours a day. The park takes in approximately 1.2 million dollars on an average day and employs 20,000 people.

The students have an opportunity for a social life also. "Something was always going on, we'd go to the beach, hang around Snow White Campgrounds, play basketball, or go watch the baseball teams in spring training. Spring is the best time to go, the weather is great."

Students attended business seminars one day a week for three hours. They learned about advertising, maintenance, public relations, food management, and operations of attractions. Students are not graded or tested on this material, but grades are sent to the student's college. College credit is given for the semester of work.

"I was nervous before I went, but once I got there it was great. I met so many people, it was the fastest three months of my life, everyone hated to come home. But I've met people I'll know for the rest of my life."

Ury just recently returned from New York, where he attended a reunion of the people he worked with in Florida.

"If you like people, I'd definitely go, it's an experience you'll never forget."

## Barbering dept. provides services

by Kim Smith

Hinds Junior College's Barbering Department is operating in full swing. The Barbering Program began in 1939, and has been very successful in turning out many talented barbers. The Barbering School is located behind the library in the new vocational building.

The program is headed by Vic Traxler and Murray Neal.

Traxler has been teaching at Hinds for twenty-four years. Besides spending time at the Barbering School, Traxler has developed his own line of hair care products. Neal enjoys working as a member of the Barbering Board, which regulates barbering businesses throughout the areas of Mississippi to insure that they all meet standards and regulations.

The Barbering Department cuts about 300 styles each week. The facility operates from 9 to 4 each Monday through Wednesday, 9 a.m. to 8 p.m. each Tuesday and Thursday, and 8 a.m. to 2 p.m. on Fridays. Perms cost eight dollars and haircuts range from one dollar to fifty cents.

With such good prices, the Barbering Department has an enormous clientele. Traxler feels that it is not just the low prices that attract customers but also the friendly atmosphere in the shop and the close supervising of the students. Traxler enjoys his work and the customers that frequent the shop.

The students participating in barbering have to meet several requirements to graduate. They have to take

several written exams and acquire a total of 1500 hours work experience. They are also required to take the State Board for barbering. The State Board involves a written exam as well as mastering barbering techniques such as long and short cuts, shampoos, styles, and some sets, facials, coloring, shaving, and permanents. The average student can graduate in two regular semesters and one summer session. After passing the State Board, the students look forward to permanent employment and having a steady income. The students receive no salary except tips.

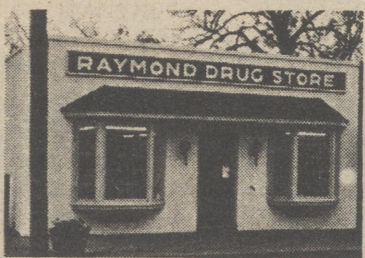

There is a wide range of students participating in the Barbering Program. One student, Doris Downing, really enjoys the program. She has already raised a family and has decided to pursue barbering as a career. When asked what it is like to work with young people, she replied, "I like to work with the younger kids because I have teenagers of my own and I can relate to them easily. I find them interesting and they make me feel young." Downing also enjoys working with the instructors because they are nice, fair, and easy going. She is glad that she is going back to school and really appreciates the support of her family.

Regardless of age, the students at Hinds really enjoy the Barbering Program and are striving toward graduation and future goals. All the students will be confident and show great professionalism in their jobs as they use the experience they have gained at the Hinds' Barbering School.

**HOME BUILDERS MEETING**--Hinds students Gerald People, left, and Andrea Ward, second from left, attended the monthly meeting of the Jackson Home Builders Association. Annette Gibbs, third from left, state student chairperson for the State Home Builders Association and Fred Griffin, at right, President of the Jackson Home Builders presented a check to the HJCD to encourage education in the home building industry.

## National Homebuilders present scholarships

The National Home Builders Association presented a \$1,000 check to the HJCD which will be awarded in scholarships to students pursuing programs related to the home building industry. This donation will match the combined contributions of the Jackson Home Builders Association and the state of Mississippi Home Builders Association being made this year.

HJCD students Gerald Peoples and Andrea Ward attended the September Jackson Home Builders Association monthly meeting during which the presentation was made. Ward, an Industrial Drafting freshman from Ocean Springs, and Peoples, a Drafting and Design sophomore from Pearl, are members of the HJCD Student Chapter of the Home Builders Association which is sponsored by Lonnie Harper, Technical and Industrial Drafting Department Chairperson and Joe Huffman, Carpentry instructor.

Annette Gibbs, State Student Chapter Chairperson for the Home Builders Association, explained that the \$2,000 scholarship money awarded each year was to encourage education in the home building industries. Programs at HJCD related to this industry are Bricklaying, Building Construction and Management, Carpentry, General Electricity and Wiring, Refrigeration and Air Conditioning, and Technical and Industrial Drafting.

Jackson Home Builders Association President, Fred Griffin, stated, "Our involvement in education comes from our concern that we weren't getting young people into our industry." Therefore in addition to scholarship money, the Association continues its involvement by presenting programs to students on such topics as estimating and selecting building materials.

Through involvement in the Student Chapter of the Home Builders Association, HJCD students can establish professional contacts which will be helpful upon completion of their programs. Any student interested in becoming a member should contact either faculty sponsor.

## Raymond Campus activities

Auditions were held for Clefs and Women's Ensemble during the week of September 3 through 7. The auditions were directed by Mrs. Geneva Reeves in the Music Department.

The Clefs chosen were: Marty Barksdale, Angie Callahan, Mary Holland, Cindy Fortenberry, Nancy Wade, Sharon Walters, Robert Young, Buddy Wiltcher, Cliff Torrence, Byron Galloway, Albert Nolan, and Dusty Rhodes.

The following have been chosen for the Women's Ensemble: Kim Gross, Melinda Land, Angie Callahan, Sharon Walters, Lisa Hoyt, Noelle Honeycutt, Cindy Fortenberry, Lisa Box, and Cathy Williams.

These two groups are the principal performers for the Music Department. They will perform at public meetings and other public services.

### Gallery Exhibit

Shaman's exhibit in the Marie Hull Gallery will be from September 26-October 26. Meet Shaman at a reception in the Marie Hull Gallery on Saturday, September 29, 10:00-11:30 AM.

Often whimsical, always communicative, the life-size sculptures of Floyd Shaman present his sympathetic commentary on subject of Middle America.

A native of Wyoming, now residing in Cleveland, Mississippi, Shaman has an impressive national and international exhibition record. His works are represented in col-

lections throughout the United States and in Canada, Belgium, Australia, and Italy.

### Homecoming Dance

Celebrity Ball, a nine-member band, well-known in the Southeast, plays Top 40, rock and roll, and funk as well as hits made popular by Michael Jackson, John Cougar, Prince, Journey, Lionel Ritchie, Huey Lewis and The News, Rod Stewart, and Van Halen.

Celebrity Ball regularly plays at Cash's in Fort Walton Beach and for Greek parties from Georgia to Louisiana to Tennessee to Mississippi.

Celebrity Ball will play for the Homecoming Dance which will be held on Thursday evening at 8:00 PM in the Mayo Fieldhouse.

## Choir slates fund raiser

The Hinds Junior College Choir, directed by Leslie Reeves, will begin their annual fund raising event on September 28. The drive will run through October 15.

The choir will sell stocking stuffers for Christmas. This will be the eighth year the choir has sold these items. The money they raise will be used to pay for the choir tour.

If you are interested in ordering items from the choir, see a choir member or call the Music Department, at 857-3271.

HINDS JUNIOR COLLEGE, RAYMOND, MISSISSIPPI

OCTOBER 5, 1984

## Counseling has special service for students

Porter Pryor, a counselor with the Mississippi Baptist Medical Center, is on the Raymond Campus every Monday from 9 a.m. to 4 p.m. Porter is a part of a special counseling program set up by the Hinds Junior College District. The counseling is available to students and faculty that have any type of problems that affect their school work or jobs.

The program is in its second year. The number of people receiving counseling has increased greatly this year. All counseling is free and confidential. The counseling service gives the college statistics, but no names are revealed.

The service has sponsored programs for dormitory students concerning the dangers of alcohol and drug dependency. Pryor stated, "The service would be more than happy to continue sponsoring these programs for those organizations interested."

"Our hope is that more students will take advantage of the program that the college is offering them", stated Pryor.

Tuesdays through Fridays Pryor can be reached at the Baptist Hospital, at 968-5032. Cliff Nelson is also available for counseling. He can be reached on the Raymond Campus, all week during business hours, at 857-3216.

## VICA wins display awards

The awards were for First Finished and Most Artistic Decorations. Seven student organization participated in the building of the decorations.

**HOMECOMING QUEEN**—Janet Kennedy of Pearl was crowned Homecoming Queen last week during ceremonies at the game with East Mississippi. Kennedy is also the reigning Miss Hinds Junior College.

## HJCD Nursing students receive scholarships

Lillie Rose and Miranda Simon, student nurses from the Hinds Junior College District, were two of the students chosen to be the recipients of the Eliza Pillars Scholarship. The Eliza Pillars Scholarship is awarded annually to three senior student nurses who have a minimum 3.0 grade average. The third recipient was Amin Saleem of the University of Mississippi.

The Scholarships were awarded at a party on September 29 at 9 p.m. at the Oaks Apartments Club House, 4940 Ridgewood Road. All registered nurses and their escorts were invited.

The scholarship and the Eliza Pillars Registered Nurses Association was organized in 1945 in the honor of Eliza Pillars, the first black registered nurse in the State of Mississippi.

The association participates in professional and social organizational endeavors to provide community services. The association participates in a joint nursing/medical conference annually with medical and dental groups.

## Editorial

# The Living Will:

Just recently the 1984 Mississippi Legislature passed a law concerning filing a "Living Will". This gives people over the age of 18 the right to die in cases of terminal illness, in which they are on life support systems.

I would like to commend the legislature for passing this bill, and giving people the right to **choose**.

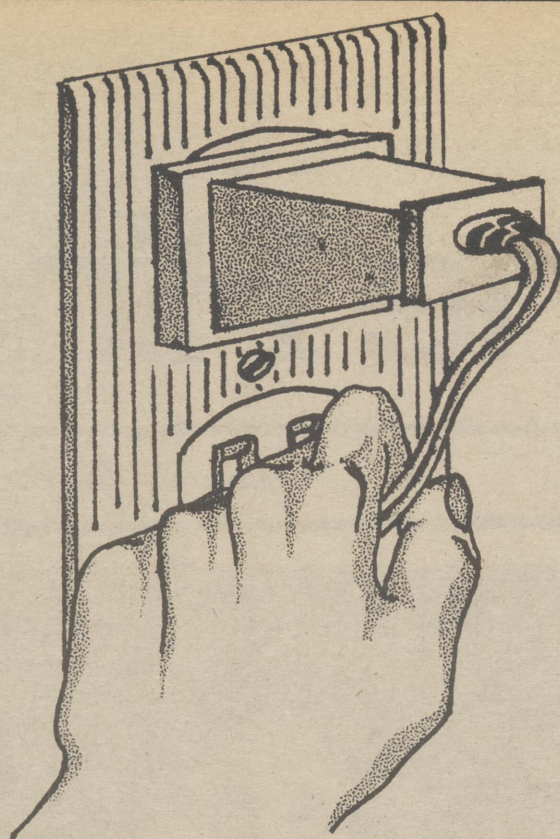

I never could understand the need for life-sustaining methods. If there is no hope of a patient ever regaining consciousness, what is the purpose of dragging the friends and family through such an ordeal? In my opinion, to be alive doesn't mean lying in a hospital bed hooked up to a machine.

But, that's the problem, I'm telling you **my** opinion. I've never been in that situation and I honestly don't know what I'd do. All I can do is speculate. I think the passing of the law is good. I think this because I have a strong belief in personal freedom. It's tragic to see families who want to let a loved one die, peacefully, but can't because of the law.

The law also offers a revocation form. This is in case you file a "Living Will" then decide later you would want to be put on life sustaining methods. So, either way, you're covered.

Of course, this isn't a subject everyone likes to dwell on, but it's a reality that some of us must deal with. If you've never thought about it, you should. It's not something to be taken lightly, and you have to consider more than just your feelings. If this is an issue you consider important, discuss it with your family and contact the Mississippi State Department of Health Division of Public Health Statistics.

And again, even if we are for or against the "right to die", we should all be thankful for **the right to choose**.

When is it time?

Several artists performed on the Raymond Campus during Arts Feast week, September 24 through September 28. **The Hindsonian** asked some students from the Raymond Campus how they felt about Arts Feast, and what they liked best.

**Patti Gibson**, a psychology major commented, "I enjoyed Arts Feast, my favorite performer was Greg "Fingers" Taylor. I think Arts Feast week is a good idea."

**Angie Callahan**, a nursing major, said, "I attended some of the activities during Arts Feast, but I liked "Fingers" Taylors the best."

**Melinda Land** said, "I liked Freedom the best, because they played a lot of up-to-date tunes. I think it's a good idea for students to have more activities to get involved in, other than just going to class."

**John Matthews** commented, "I think "Fingers" Taylor is a great blues artist, I'd also like to see Sam Myers perform out here, he's the ultimate blues artist in Jackson."

**Scott Dudley** said, "I enjoyed seeing Sawyer Brown better in person than on television. It would also be nice to see some comedians out here."

**Gina Dosset** commented on Arts Feast, "I enjoyed

Freedom the most, because I like their kind of music and everybody seemed to enjoy this event more than the others. There were more people ther and the show was great. I'd love to see more bands on campus."

## Star Search

# Sawyer Brown makes big hit

During Arts Feast week, on September 27, Sawyer Brown performed in the mall area. Sawyer Brown, a Nashville based band, recently appeared on the T.V. show Star Search.

The members of Sawyer Brown are: key board player and singer Gregg Hubbard, singer Mark Miller, singer and guitarist, Bobby Randall, bass player Jim Scholten, and drummer Joe Smyth. Bobby Randall talked with **The Hindsonian** about the band and their rapidly increasing success.

**Hindsonian:** "What was it like being on Star Search and what did the band receive from the show?"

**Randall:** "Well, the people were very professional, they were really great. We won \$175,000 in cash. And our appearance on Star Search gave a lot of really good publicity, and helped us get our record deal."

**Hindsonian:** "What's the name of your first album and when is it coming out?"

**Randall:** "We not positive on the name of the album, yet, but I'm pretty sure it's going to be called 'Round I', it's

being released on Capitol records. Our first single off the album is "Lenoa", it was released two weeks ago and entered the charts at 83. The second single we plan on releasing is "Smoking in the Rockies, Rocking in the Smokies", which is also off this first album."

**Hindsonian:** "Is this the first time the band has played in Jackson?"

**Randall:** "We played the Ramada Inn here in Jackson several times. But the next time we come back to Jackson we'd be very interested in playing the Civic Center."

**Hindsonian:** "How would you describe the music Sawyer Brown plays?"

**Randall:** "We like to classify our music as American Music. We try to play a little bit for everybody."

**Hindsonian:** "How long has Sawyer Brown been together?"

**Randall:** It'll be three years this April that we've been together. We all sort of met through Herbert McPhail, who is our Jackson representative."

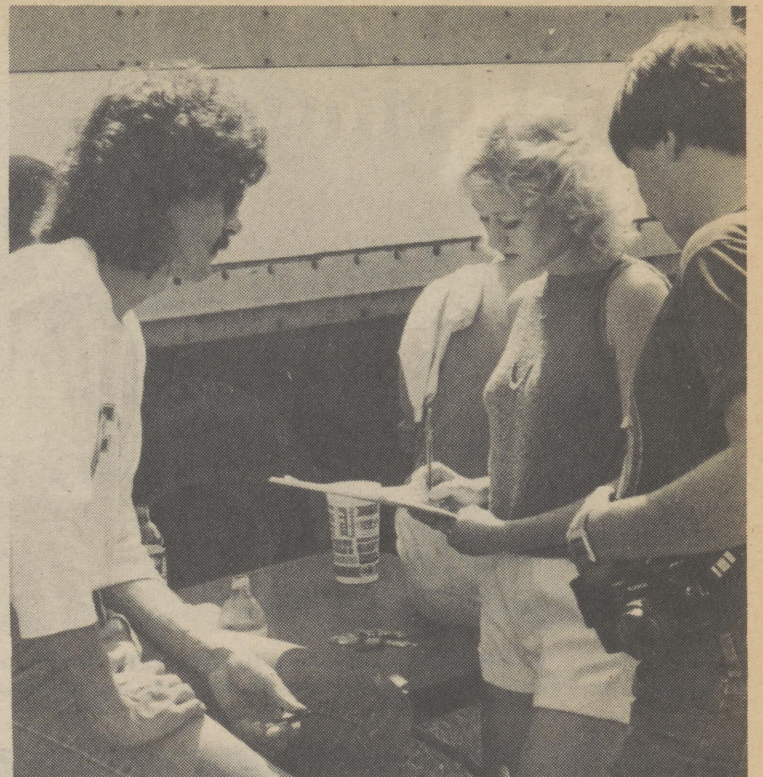

**Hindsonian:** What does the

band have lined up in the near future as far as performing?"

**Randall:** We just came off performing with Barbara Mandrell and Lee Greenwood in Springfield, Illinois. We drew about 7,000 people there. We'll be playing five days with Glen Campbell, five days with the Kendalls, twelve days with Kenny Rogers and Crystal Gayle in Baton Rouge, and two weeks in Harrah's in Reno."

**Hindsonian:** "How do you feel about this sudden success the band has experienced?"

**Randall:** "Well, this is something we've worked for for three years, it's something we always knew we'd get. After our appearing on Star Search everything has happened very fast, and it's just a matter of getting adjusted to it. It's pretty tiring, because you do a lot of traveling and sometimes you don't get much sleep. But as far as performing, that's the best thing in the world. I know I wouldn't want to do anything else, and neither would any of the other guys. No matter how tiring it gets, it's all I want to do."

SAWYER BROWN—Bobby Randall, left, talks with Hindsonian editor, Lisa Uzzle, center, and photographer, Martin LeBouef. Randall is a member of Sawyer Brown, a band that performed on the Raymond campus during Arts Feast week.

## Child Care provided at HJCD Jackson Branch

by Angie Bright

Hinds Junior College District's Jackson Branch provides an unusual Child Development Day Care Center for the faculty, staff and students of the Jackson Branch. For the minimal cost of ten dollars a week an elite group of children are allowed to participate in the Child Development Program.

At present, eight children are involved in the program. Only a small number are allowed into the program because in the child developmental program only a few children are needed to provide a representative of every preschool age. Presently, the program only consists of infants and toddlers but will be expanded to all preschool age divisions next year.

The child care laboratory began mainly as a child development laboratory where college students get experience

with children. The students actually learn how to plan meals for children, cook and serve them. Also, the students have different enrichment games that involve the children in each preschool division. For example, for the one month old child the students place various strips of colored tape on the child's blanket and as the child pushes up he notices these strips of tape and becomes interested.

Mary Ann Jacobs, Director of the Child Care Program, stated, "I think in terms of the college student the laboratory experience with children is the most important part of the program. The student can bring to that experience and put into practice under our supervision while in a protective environment all he/she has learned in the classroom. This builds confidence in the student."

## Eagles defeat Lions for Homecoming victory

In what seemed like a marathon football game the Hinds Junior College Eagles became the victor in the 3 hour and 20 minute Homecoming game in Raymond last Saturday with a 24-20 defeat over the East Mississippi Junior College Lions.

The first play of the ballgame for the Lions was decisive as EMJC quarterback David Coleman passed to Walter Buck for a 69 yard touchdown. Steve Sampson made the extra point for the Lions giving them a 7-0 lead.

During the second quarter Hinds quarterback Randy Becnel passed 6 yards to Joe Robinson for the touchdown. Claus Larsen's kick gave the Eagles a 7-7 tie. Later in the second Larsen kicked a 22 yard field goal for the Hinds squad giving them a 10-7 lead at halftime.

The only score added to the board during the third quarter was when Hinds tailback Bruce Parker made a 32 yard run for the touchdown. Claus Larsen made the extra point and the Eagles increased their lead 17-7.

During the fourth quarter East Mississippi's Bernard Jones ran the ball in 26 yards for the touchdown as Steve Sampson made the extra point. Hinds tailback Bruck Parker again added points to the board as he made a 6 yard pass from David Coleman as the final buzzer blew. The point after was no good and

the Eagles finished with a 24-20 victory.

The Eagles are now 4-1 for the season and East Mississippi is 1-4 for the season.

The Eagles will host Copiah-Lincoln Junior College next Saturday, October 6, in Raymond at 7:30 p.m.

### STATISTICS

## Danish kicker finds new home

If you said Hinnerup around the Hinds campus it would only mean anything to one person, and that would be a tall blond, blue eyed Dane named Claus Larsen who happens to be the kicker for the Hinds Eagles. Hinnerup is the home of Larsen in Denmark who came to Hinds three years ago by way of Forest Hill High School.

Larsen was an exchange student at Forest Hill and when he came to Jackson in August of 1981 he had never seen American football. He was familiar with soccer which is the Football-European style football.

Larsen tells of going out for the team at Forest Hill and Coach Billy Templeton was nice letting him watch for awhile and then put him at split end position. After realizing that the kickers for using soccer style Larsen asked to try kicking for FHS and that is what he does best.

Following high school graduation Larsen went back to Denmark for the summer before heading back to the USA and taking up Coach Bill Buckner's offer to kick for the Eagles. Larsen joined the Eagles and claims he had only a fair season with 100 percent on extra points and maybe five for 12 or 13 on field goals.

Remembering his first year Coach Buckner said, "His biggest game was the Copiah-Lincoln game at Wesson when with two seconds left on the

board Larsen kicked a field goal that gave the Eagles a 20-17 victory."

American football was not enough for Larsen to overcome homesickness so when this time summer rolled around he headed back to Denmark. Larsen also attributes his staying in Denmark the next year to his finding a girlfriend and also the fact that he receives no credit for attending an American college. While home that year he went to pre-college, a place between high school and regular college.

It was around Christmas that Larsen's thoughts wandered back to the USA and he wrote Coach Buckner and asked about returning the next season.

Buckner was happy to have the tall Dane return to the Eagle squad and as mid-August approached and Larsen appeared on campus few faces were familiar to him other than teachers he had during his first year.

Making friends easily is no problem for Larsen for if you didn't know who he was he seems just like one of the guys. However, he speaks five languages and is known to quickly correct a student for misusing the English language.

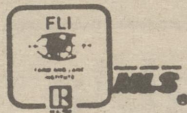

With five games behind him this season Larsen has 13 extra points to his credit and he has attempted 5 field goals and completed 3 for a combined total of 22 points he scored for the Eagles.

**FIELD GOALS** — Claus Larsen of Denmark is the kicker for the Hinds Eagles. This season he has kicked three fields and 13 extra points for the team. He is a sophomore and was an exchange student at Forest Hill High School before coming to Hinds.

## Hinds Marching Band offers entertaining show

The Hinds Junior College marching band, directed by Dr. John Manchester has 72 members this year. The band performs at Hinds' football games and community functions throughout the year.

Dena O'Bannon, a sophomore from Froest, is the field commander. The horn line captain is Randy Leflore from Clinton and he plays the tuba. Van Jones, a trombone player, is the horn line co-captain. The drum line captain is Willie Bumphis, who plays the snare drum. The drum line co-captain is Bryan West.

The rifle captain is Bethany Jenkins, who plays the bass and clarinet. Rifle co-captain is Tommie Jarrell, also a clarinetist.

The flag captain this year is a freshman from Florence, Anett Pipkin. The flag co-captain, Michelle Trosclair is also a freshman. Dr. Manchester commented, "It's very unusual for both the flag captain and co-captain to be freshmen."

The band will march in ex-

hibition at the Forest Hill High School Band contest in Jackson on October 20. The band will also march in the Jackson Christmas parade.

All present band members will have the chance to audition for the All State Junior College Band before the end of this semester. The students making the All State Junior College Band will attend a band clinic held at Mississippi State University in January of 1985.

The HJCD band will also host the District six band clinic on the Raymond Campus in January of 1985. They have also been invited to perform in the Jackson Mardi Gras parade in February of 1985.

Dr. Manchester commented, "The students are the main factor in the amount of community activities the band is involved in and the students take a lot of responsibility in the clinics hosted on campus by the band." "If it wasn't for the students we couldn't do it," commented Dr. Manchester.

## Kennedy named Queen, court/escorts presented

Janet Kennedy was crowned 1984 Hinds Junior College Homecoming Queen on Saturday, September 29, during half-time of the Homecoming game against East Mississippi Junior College.

The homecoming court consisted of freshmen maids: Tamara Allen escorted by Wesley Bratcher, Dona Gray escorted by John Ward, Dee

McPhail escorted by Tony Morris, and Liz Van Zandt escorted by Buddy Shannon.

The sophomore maids were: Lynne Bostick escorted by Phil Whitehead, Stacy Goff escorted by Dan Williams, Janet Kennedy escorted by Stuart Redd, Veronica McKee escorted by Johnny DeWitt, and Vicky Rogers escorted by Ronnie Prewitt.

## Career Counseling available

by Angela Knapp

The Counseling Center on the Raymond Campus is offering students a program which can assess individual interests, abilities and personality and determine how they are related to certain careers. This program helps students to consider occupations suited to their own interests and abilities.

The results of the surveys include computer-produced reports and profiles. Counselors will discuss what the results mean through interviews with students.

Follow-up counseling is available for those who need further personal and/or career exploration. Professional staff members can provide students with counseling services as well as with advice on courses. The focus in counseling is more in-depth, and is not limited to academic planning. Counseling is provided with strict adherence to the rule of privacy.

"Many students may simply need to talk things over from time to time and to be heard in a truly confidential setting," commented Dr. Philip Booth

of the Counseling, Guidance and Testing Center. "People may be unaware of the variety of services available through the Center."

Besides personal counseling and career exploration, assistance may be provided in the areas of child management and stress reduction.

For information and scheduling, please contact Dr. Philip Booth, Counseling Guidance and Testing Center, Raymond Campus, 857-3216 or 857-3221. Students are welcome to walk in or call for an appointment.

## HJCD Rankin Branch elects 1984 DECA Chapter Officers

The Hinds Junior College District Rankin DECA Chapter has elected officers for the 1984-85 school year. The chapter is composed of students from nine area Rankin High Schools.

The officers are: President Canda Rials, Pearl High; Vice-President Hugh Parrish, McLaurin High; Secretary Shelia Roberts, Pearl High;

Treasurer Sherri Dunaway, McLaurin High; Parliamentarian Tony Crapps, McLaurin High; Historian Andy Hauptman, Brandon High; Reporter Tim Sebren, Brandon High; Chaplain Ken Cheeks, McLaurin High.

These officers and members of this chapter are enrolled in Marketing and Diversified Occupations at the Rankin

Branch. They will be involved in many projects centering around both school and community activities. October 18 through 20 these officers will be attending the Southern Regional DECA Conference in Biloxi.

Chapter advisors are Sue Pitts, Marketing Instructor, and Lynn Holliday, Diversified Occupations Instructor.

## Arts Feast - Entertaining

Arts Feast Week on the Raymond Campus provided students and faculty with a welcomed relief from the normal routine of everyday classes and studying. A variety of entertainment was offered by various artists. The more cultural sounds of the Jackson Symphony to Gospel and then to country and pop was provided by the performers. The outside activities with meals being served on The Mall created an almost party like atmosphere.

## Additional lighting set for Raymond

Due to the recent concerns expressed by various members of the Raymond campus community regarding security and safety, the Campus Police Department and the College Administration has engaged in an active campaign to instill public confidence in the safety and security of the Raymond campus.

Measures have been taken to repair existing and install additional street and security lighting in various locations on campus. An additional Campus Police Officer has been employed and volunteer Campus Police Reservest have been assigned to duty during the hours of darkness to help provide additional physical security. Additionally, after careful explication of the various expressed concerns, the Division of Student Affairs along with the Campus Police Department plan to implement an immediate intensive community awareness and crime prevention program which will include multi-media presentations, property identification,

forums and residence hall meetings.

Working together the College Administration, Department of Student Affairs, Department of Physical Plant and Maintenance and the Campus Police sincerely desire to serve the community's safety and security requirements and in so doing deserve the community's confidence.

To be totally successful in an attempt to provide for the best possible program of safety and security we need your assistance, cooperation and involvement. You are your own best resource for safety and security. The College can provide for a degree of safety and security, but it is still your responsibility and obligation to be aware, interested and involved. There are some basic self-help suggestions that you should observe and practice.

1. Secure your own property by locking the door to your dormitory room or the door to your automobile. Record serial numbers or mark your property for identification.

2. Be aware of your surroundings. Don't take chances, park in lighted secure areas. Take a friend along with you when are out alone especially at night. Don't frequent dark isolated areas. Be observant of strangers. Avoid situations where you may be confronted by strangers. Report suspicious persons and activities to your Resident Assistants or Campus Police.

3. Commit the Campus Police telephone number, 857-5410 to memory or write it down and have it readily available in case of any emergency.

Working together we can ensure a much more secure and safe environment in which to enjoy campus life at Hinds Junior College.

If you would like to comment on or have any questions or need any assistance concerning safety and security please contact: Chief Larry Coleman, 857-3270, Mr. Rick Hartfield, 857-3222, or Mr. Troy Henderson, 857-3367 or in an emergency the Campus Police at 857-5410.

## Hiney-Ho '84 begins October 30

Hiney-Ho '84 will begin at 12:30 p.m. on October 30 on the Raymond campus. This is a new idea being developed by Hinds students who promote unification on the campus. The public is invited and all Hinds students are encouraged to participate.

Hiney-Ho '84 will be a 'field day to remember'. It will consist of events such as egg-toss, relays, etc. There will also be a bonfire at the end of the day. The Hinds students participating will be divided into three groups: housing, organizations, and commuters. When the students participate in an event and

win their group is given a certain amount of points. At the end of the day the points are added up and the group with the most points will be awarded a scholarship, which they can award to a person in their group. The funds for the scholarship will be raised from local businesses who wish to sponsor the event.

Hiney-Ho '84 was an idea of Jeannie Mayfield and the fourth floor residents of Hardy-Puryear. Mayfield is a Resident Assistant for the fourth floor. The girls would appreciate and encourage all students to get involved. For

information contact Mayfield at 857-8163, room 400.

All events are scheduled to be played across Main Street on the field beside the Hinds Cold Storage Plant.

### BAND

Bryan West, drum line co-captain, commented on the band, "The band out here is different than high school. There's not as much pressure, and I feel the whole idea is to have fun. I've enjoyed the years I've been here, or I wouldn't have come back. I feel Dr. Manchester is as much of a friend as a band director," stated West.

## Special services office moves to Denton Gym

The Special Services office has been moved from Herrin-Stewart Hall to the basement of Denton Gym. This office is available for certain students that need assistance in school.

The services are available for three types of students: handicapped students, some foreign students, and students needing financial assistance. The program is funded to handle approximately 137 students yearly, but occasionally goes over this quota. The number of students accepted depends mainly on the needs of the students.

The program assists handicapped students by making sure they have access to all their classes. Some foreign students are eligible for help through this program. However, the program can accept only those foreign students that are American citizens, or are in the process of becoming American citizens.

The third type of student the service offers assistance to are students with financial problems. The students and their family must be considered 150 percent below poverty level, and the student must be a first

generation college student. Two-thirds of the funding the program receives is directed toward this type of student. The service doesn't offer scholarships, but will assist the student in finding funds for school. The program also offers tutoring for all three types of students.

If a student is interested in the program he or she can go by the office and fill out an application. If a student is considered eligible the service will begin assistance as soon as possible. There is no time limit on applying with the special services. The program is open to needy students all year.

The special services program is Federally funded with some local assistance. It is directed by Sandra Boyd and the staff coordinator is Ginger Manchester. The office hours are 8:00 a.m. to 3:00 p.m. Monday through Friday and the phone number is 857-3386. "We'd be glad to talk with any students who feel they are qualified, all they have to do is come by and fill out an application", commented Ms. Boyd.

The service also has positions available for tutors.

## Recital scheduled Oct. 8

There will be a recital by oboist Patricia Malone and harsichordist Dana Ragsdale on October 8. The recital will be held in the Fine Arts Annex in Room 121 at 8 p.m.

Dr. Malone is assistant professor of oboe at the University of Southern Mississippi. She has performed with the Florida Gulf Coast, Savannah, Jackson, Meridian and Pensacola symphonies. She is currently affiliated with the Southern Arts Woodwind Quintet and Southerly Winds Trio.

Ragsdale has toured the South as a soloist, with flutist Doris Bruckner and with the Southern Arts Baroque Trio. Ms. Ragsdale is currently completing requirements for her Doctor of Musical Arts Degree from the College Conservatory of Music in Cincinnati where she works with Eiji Hashimoto.

Malone and Ragsdale will also perform at the University of Southern Mississippi on November 12, and again on March 7, 1985 at the Fine Arts Series at USM.

## Beverly Enterprises gives scholarships

Reggie Strickland, Southern Regional Director for Beverly Enterprises has presented to HJCD President Dr. Clyde Muse, a \$1,000 check which will be awarded in scholarships to students of merit in the Allied Health fields.

Beverly Enterprises is the largest national provider of long term health care with over 800 facilities in the United States. The Southern Division office, located on

Lakeland Drive, is the base for 23 health care facilities in the state of Mississippi which employ 2,000 health care professionals.

In acknowledging Beverly Enterprises and its continued corporation to the HJCD Development Investors Club which is the highest level of contributors. Beverly Enterprises had also contributed \$1,000 scholarship money in 1983.

**HINEY-HO '84** - Residents from the fourth floor of Hardy-Puryear are organizing Hiney-Ho '84. The girls are, standing from left to right: Nita Byrnes, Angie Brumfield, Dana McPhail, Jeannine Mayfield, and Ruthie Henry. Seated is Donna Lowe. Hiney-Ho '84 will be held Oct. 30 on the mall area of the Raymond campus.

## Hiney Ho '84 Day set for October 30

Hiney-Ho '84 is an event planned on the Raymond campus for the entire Hinds Junior College District. It will be held in the Mall area on Oct. 30, beginning at 12:30 and going until dark. Entertainment for the evening will be provided by Jean and Kelly Pates, a local group that perform in clubs in Jackson and the surrounding areas.

Hiney-Ho '84 was developed by Jeannine Mayfield and the fourth floor residents of Hardy-Puryear. The entire project is being organized by these girls with help from interested clubs around campus.

The girls would appreciate anyone entering the events to let them know before October 30 by contacting anyone on the fourth floor of Hardy-Puryear. The number is 857-8163.

The events of the day will include all types of relay races, balloon toss, tug of war and other events of this nature. There will also be a break dance competition and a hairy legs contest for the guys. There is a one dollar entry fee for these two events. Prizes will be awarded to the winners.

Students of HJC will also have the opportunity to become a part of the **Guinness Book of World Records**. Between events a mattress pile up will be held. This is where as many students as possible will pile up on one mattress. If possible this event will be entered in the **Guinness Book of World Records**.

Around sundown a bonfire will be built and hot chocolate will be served. Jean and Kelly Pates will perform for the

## Pulitzer Nominee...

### Noted author speaks on campus sponsored by English Department

Virginia Spencer Carr, author of *The Lonely Hunter: A Biography of Carson McCullers*, and *Dos Passos: A Life*, spoke on the Raymond Campus of the Hinds Junior College District Wednesday, October 17. Her subject was "Dos Passos and the Making of Biography."

*The Lonely Hunter*, published in 1975, has been widely acclaimed. Nominated for a Pulitzer Prize and National Book Award, the McCullers biography won the Francis Butler Simkins Prize of the Southern Historical Association and Longwood College. The Don Passos biography was published this month.

Dr. Carr, professor of English at Columbus College in Georgia, has lectured widely throughout the United States, as well as in Poland, Turkey, South Korea and Japan as a member of the international civilian good will mission, Friendship Force. Her Friendship Force lectureship in Poland in 1980-81 coincided with the birth of Solidarity, the now-outlawed Polish People's Labor Union. She has a

novel-in-progress which is set in Poland during that time frame.

A native of West Palm Beach, Florida, Dr. Carr received her B.A. and Ph.D. from Florida State University and her M.A. from the University of North Carolina at Chapel Hill. Formerly on

the faculties of Armstrong State College in Savannah, Georgia, and Palm Beach Junior College, she has also taught in secondary schools in Florida, California and North Carolina.

Dr. Carr's lecture was sponsored by the HJCD Raymond Campus English Department.

**NOTED AUTHOR**—The widely acclaimed author, Virginia Spencer Carr appeared on the Raymond campus for a press conference October 16. She spoke on her novels and her recent trip to Poland.

## Editorial...

## Equality vs. Elections

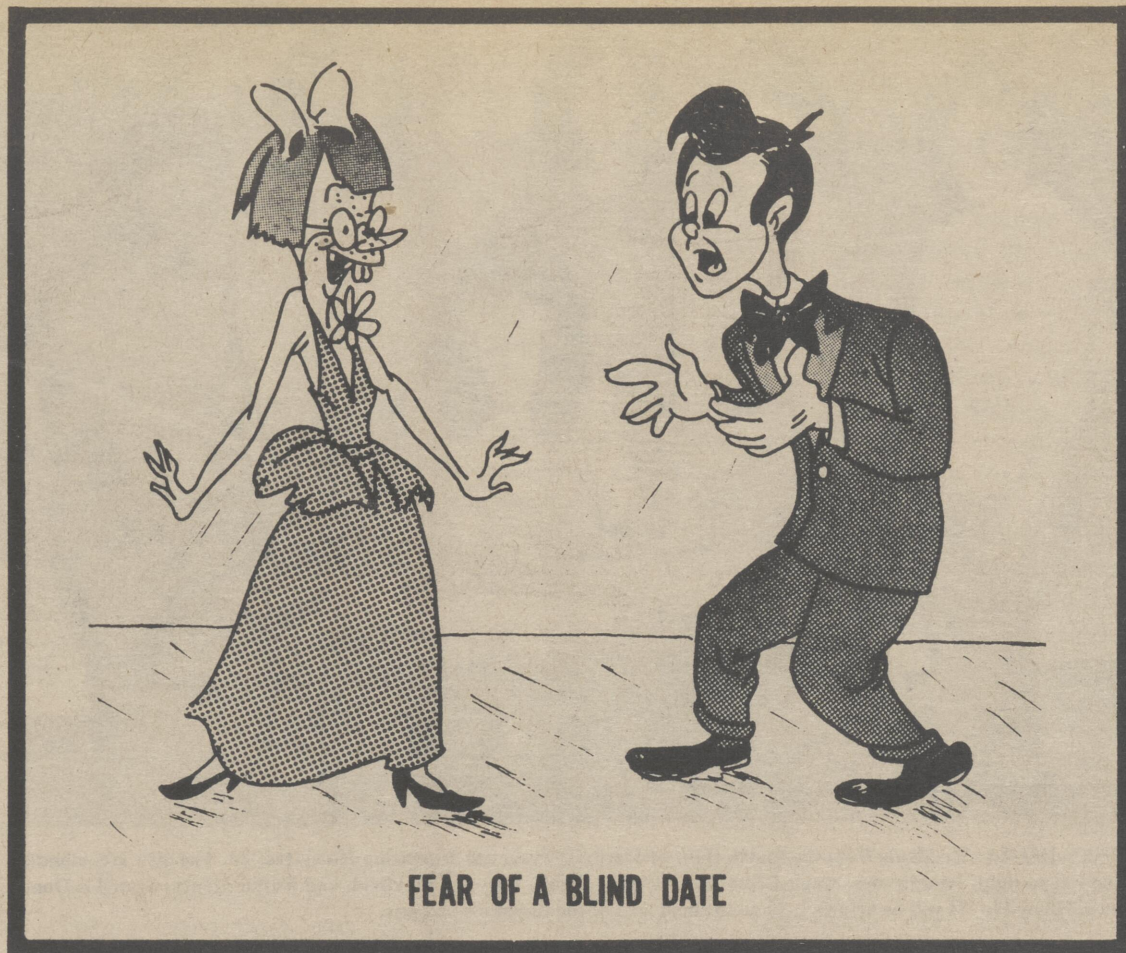

The 1984 Presidential elections: Geraldine Ferraro vs. the world. Maybe you think that statement is a little dramatic, maybe it is. However, with the nomination of Geraldine Ferraro as the first **female** vice-presidential candidate you can rest assured things will never be the same. Win or lose she's made an impression on us all.

I would think the Democrats would be leading with women voters because of Ms. Ferraro, however, from the polls I've read the Democrats are **behind** in women voters. You've heard the expression "You've come along way baby." Maybe we all need to take a few steps forward.

It's apparent that women aren't voting for Mondale and Ferraro simply because she is a woman. Some women aren't voting for them **because** she is a woman. This is more evident in the South because we've been taught 'women just don't do things like that'. In my opinion this isn't the most productive attitude. I haven't been voting very long, but I've always felt you shouldn't vote for a candidate on the basis of sex. I've heard women say that they wouldn't vote for a woman just because she was a woman, well now is time to put up or shut up.

Even though I run the risk of having the ERA down on my head, maybe just maybe, we should vote for the **candidate**. What a novel idea, right? I bet no one ever thought of that. It's always been democrat or republican now male or female.

Once the new wears off **Ms** Ferraro we might find she's a pretty good candidate, unfortunately, it could be too late by then. Today's society is constantly striving for equality, black against white, male against female. It seems to me that we'll never be truly equal until we look at the **person** not the package.

## Campus poll gives Reagan-Bush lead

The **Hindsonian** conducted a straw poll on the 1984 Presidential elections on October 15. Seven hundred and twenty ballots were distributed to 18 teachers on the Raymond campus. Two hundred and eighteen ballots were returned and the results were taken from these votes.

The Democratic ticket consisting of Walter Mondale and

Geraldine Ferraro received only 17 percent of the votes. In reference to the small support for Mondale and Ferraro one voter stated, "I don't really think the nomination of Ferraro has helped Mondale as much as he thought it would."

The Republican ticket consisting of Ronald Reagan and Walter Mondale received 82 percent of the votes. "I can see

a lot of improvement in the nation today and I think Reagan brought it about", commented a Reagan supporter.

Only 1 percent of the voters were undecided.

The **Hindsonian** would like to thank the teachers and students that participated in the straw poll.

bonfire. In case of rain Hiney Ho '84 will be moved to November 1.

The student body will be divided into three groups: housing, organizations, and commuters. Points will be awarded to winners in an event. Each student that enters must represent one of these groups. At the end of the day all the points will be totaled and the group with the most points will be the winner of Hiney-Ho '84.

T-shirts will be sold for three dollars. They come in all colors and sizes and will have Hiney-Ho '84 on the front. Refreshments will also be served at a small cost during the day.

Another way a person or club can win points for their group is to enter the advertising campaign. There is no entrance fee for this event. A club must include the name of their organization and Hiney-Ho '84 on a poster or any other means of advertising available. The points will be awarded to the most unique and creative advertisement. The advertisements will be

displayed week before Hiney-Ho '84.

The purpose of Hiney-Ho '84 is to build funds for a scholarship to be awarded for the spring semester and to promote unification of Hinds students. The public is invited and there is no admission charge for any of the events. Only Hinds students may enter the events and only Hinds students are eligible for the scholarship.

If you are interested in entering the break dance contest contact Ruthie Henry in room 413 or Brenda Williams in room 401 of Hardy. The

number is 857-8163. All the guys interested in the hairy legs contest can call Angie Brumfield in room 406 of Hardy at the above number.

The girls organizing this day would like to encourage everyone to get involved in Hiney-Ho '84. All clubs and organizations that are interested in setting up booths can contact Jeannie Mayfield at 857-8163 in room 400. "We're really excited about this. We'd like for everyone to come out and just have a lot of fun. We think it'll be a day for everyone to remember," commented Mayfield.

**AUTO BODY AND FRAME**--Two students in the Auto Body and Frame classes on the Raymond campus work in the shop during class time. Seventy-five percent of the students' grades are taken from the work done in class.

## Body Shop saves customers, provides work for students

The Auto Body and Frame Department of the Raymond campus is located in the vocational complex at the back of the campus. The program is instructed by Herbert McPhail and Hastel Brewer.

McPhail began teaching the course 15 years ago in a small shop with 12 students who handled about 5 cars at a time. Now the course has 42 students who handle up to 125 cars a semester. Classes are six hours a day, five days a week for 3 semesters and one summer.

When the students graduate they are prepared to work and most of the students have little trouble finding jobs. McPhail commented, "Several companies have called the shop looking for people to come to work for them and we can place students easily."

In the program the students learn everything from repairing a small dent to doing a

'total', which is completely rebuilding the body of a car. There is very little book work in the course and 75 percent of the student's grade is taken from shop work.

McPhail gives estimates on vehicles that need work on Mondays from 1 p.m. until 3 p.m. The program is now booked up for the rest of the semester. "We never have problems finding cars to work on," commented McPhail.

Since the students work so closely together they tend to become the best of friends. "We've got a lot of good students. We end up being more like a family because we spend so much time together," said McPhail. Several of the students have gone on to open up their own businesses and have been very successful.

The only charge to a customer is the cost of materials. This means the customers can save from 75 to

80 percent by taking their car to the HJC body shop rather than a commercial business.

McPhail and his students are very safety conscious. There is a large sign as you walk into the shop that requests people to check with a supervisor about entering the shop. Even though the sign is very evident people entering the shop seldom notice it. McPhail also requires visitors, as well as his students, to wear safety glasses.

The facility tries to help the faculty and student body before taking outside work. The program is open to female as well as male students. The program has never had any female students but they have had handicapped students that did quite well.

The students can handle any kind of body repair, so if you are interested in having work done, call Herbert McPhail or Hastel Brewer at 857-3338.

## HJC English Department host 1987 SCETC conference in Feb.

The English department on the Raymond campus of the Hinds Junior College District will be hosting the Southeastern Conference on English in the Two-year College (SCETC) in February 1987.

On October 6, 1984, in a business meeting of the SCETC in Atlanta, Raymond campus instructor Jerry Carr offered on behalf of the Hinds English Department to host the 1987 conference.

Hinds hosted the conference once before in 1974. Peggy Brent is the arrangements chairman, and Dr. Nell Ann Pickett is the programming chairman's for the 1987 conference.

The SCETC is an affiliate of the National Council of Teachers of English, which is an organization open to English teachers in four year colleges. The SCETC has approximately 600 members. Some of the activities planned for the 1987 conference will be on the Raymond campus, but the conference itself will be held in Jackson. The con-

ference will cover a nine state area. The Hinds English department plans on 350 to 450 people participating in the 1987 conference.

## Circle K helps MS Foundation

The Hinds Junior College chapter of Circle K set up a booth at the state fair to raise money for Multiple Sclerosis of Mississippi. Circle K members worked the booth from 4 p.m. until 10 p.m. on week nights. Workers from Multiple Sclerosis worked the booth during the remaining hours.

Raffle tickets were sold for a ten-speed bicycle. Tickets were 50 cents a piece or three for a dollar. The drawing is to be scheduled at a later date because it will be held in conjunction with other MS raffles.

"Circle K earned 200 dollars for a very worthy cause and Martin LeBouef sold the most raffle tickets," commented Circle K President Ken Anderson.

## ASB Forum

by  
Janice Patti

Mississippi Youth Congress will be held November 15 through 17 at the New Capitol in Jackson. This function gives students the opportunity to act as senators and representatives in the law making process of a bill.

College students are senators and high school students are representatives. Each bill that a student presents must be passed by the student House of Representatives and Senate before the state Congress acts upon the bill. HJCD can take eight students to the Youth Congress. The students attending must present their bills to Fred Brooks in the Speech Department by October 19. If you would like to be a spectator, contact Brooks before November 14.

On October 10, the student government committees met to discuss projects for this school year. Some ideas presented were to have a movie night once or twice a month, revise or add to student bills, begin an activities center, co-ed dorm parties at the lodge, a

spring break trip, and a stereo in the cafeteria.

Each committee is responsible for two projects of their choice this year. If you are interested in being on a committee or have ideas to be submitted to a committee contact the committee director through ASB, HJC Box 900, Raymond, MS 39154.

The committees and their directors are: Special activities, Penni Tharp; Public Relations, Andy Drummonds; Programming, Kevin Nations; Intramural, John Gillespie; Food and Entertainment, Gerald Peoples; Judicial Appeals, Buddy Still; Disciplinary, Lisa Simmons; and Commuter, Jamie Cox.

Hiney Ho '84 will be Tuesday, October 30. This will be a full day of field events, a break dance contest, and a hairy legs contest. At night there will be a bonfire with marshmallows and hot chocolate. A scholarship will be given to a qualified student for spring semester. However, to apply for it, you must enter the contests.

**FBLA FAIR BOOTH**—Susan Moody (left) and Pam Holifield (right) are members of Ms. Connie Baddley's (center) Intensive Business class on the Rankin Branch. The students set up a booth at the state fair to promote interest in FBLA (Future Business Leaders of America).

## FBLA sponsors state fair booth

Business and marketing students from the Rankin branch of the Hinds Junior College District have been involved in activities to increase their understanding of the courses they are taking.

The Intensive Business Program students from the Rankin branch set up a booth at the Mississippi State Fair. The booth was set up in the Trademart Building on October 4 and was open until October 14.

The booth was supervised

by Future Business Leaders of America (FBLA) students from the Rankin Branch. Felicia Evans, Kim Hodges, and Rhonda Jones are the second year students that constructed the booth.

The State Department asked the Rankin Chapter of FBLA to set up the booth promoting FBLA. The booth offered information concerning the club and benefits that it provides.

The Rankin FBLA chapter has 35 members. Members from Ms. Connie Baddley's

class were in charge of the booth at the fair.

Sue Pitts' Marketing students from the Rankin Branch received a guided tour of the new Northpark Mall on September 28. Mr. Bounds, general manager of the mall, escorted the group as he explained the Cadillac Fairview Corporation marketing program, the mall's store selection process, and the building's architectural design features.

## Sweet Potato capital hosts national festival November 3

The Sweet Potato Capital of the World, Vardaman, Mississippi will host the 1984 National Sweet Potato Festival. The festivities begin on Saturday, November 3 and conclude Saturday, November 10 with the Harvest Banquet.

"This year's event promises to be the best festival yet," remarked Benny Graves, secretary-treasurer of the Mississippi Sweet Potato Council, official sponsors for the annual event. "We are proud of the accomplishments of the sweet potato industry and the festival offers a time of enjoyment for the people who make it happen, the sweet potato farm families. The production season is hectic, so the festival is a time of enjoyment and relaxation," commented Graves.

The following events will be held on November 3: Sweet Potato 5K Fun Run, Sweet Potato Pie Eating Contest, Bar-B-Que Chicken Dinner, Sweet Potato Equipment Show, Arts and Crafts Sale and Musical Entertainment.

The Mississippi Sweet Potato Queen will be selected at the closing of the beauty contest. The contest to be held November 6 and 7 will also feature the crowning of a Little Miss Sweet Potato.

The festival will close on Saturday November 10, with the Harvest Banquet and cooking contest. Entertainment for the Harvest Banquet will be provided by the comedy team of "The Mayor and Buford."

For more information on festival activities contact Maxine Blue, Box 84, Vardaman, Miss., 38878, or phone 601-682-7487.

## Basketball cheerleader tryouts scheduled Oct. 22

The try-outs for enrollment for Spring cheerleaders and mascot for the 1984-85 Hinds Junior College basketball season were held Thursday, October 18, at 3:00 p.m. and on Monday, October 22, at 3:00 p.m. at the Stadium.

On Tuesday, October 23, at 6:00 p.m. the selection of 8 cheerleaders and the mascot as well as alternatives will be decided in the field house.

### QUALIFICATIONS

The qualifications for cheerleader are as follows: (1) must be enrolled full-time on the Raymond Campus of Hinds and plan to continue

Semester of 1985; (2) minimum cumulative GPA of 2.0; (3) regular admission status (if enrolled for first time fall semester, 1984); (4) In good standing with the college and not in academic or disciplinary probation; (5) No health of physical defects which would hamper the ability to perform as a cheerleader or which might result in cheerleading to be unsafe to one's health.

### INFORMATION

If more information is needed you should contact Bill Oakes in Room 215 of the Student Union Building.

**EAGLES DEFEAT WARRIORS**—The Hinds Junior College Eagles defeated the East Central Junior College Warriors last Saturday night in Decatur 7-0 giving the Eagles a 5-2 record for the season. ### 5-2 Record...

## Eagles down ECJC Warriors

The Hinds Junior College Eagles added another victory to the win column last Saturday night in Decatur as they defeated the East Central Junior College Warriors 7-0. The victory gives the Eagles a 5-2 record and ECJC is now 0-7.

After taking over the ball at the ECJC 49 Hinds Joe Robinson drove for 8 yards and then a penalty against the Warriors gave Hinds 5 more. The next play came when Hinds quarterback Randy Becnel kept the ball and followed the fullback through the hole at right guard and went 36 yards for the touchdown. Claus

Larsen added the point after and the Eagles put the only 7 points of the game on the board within the first four minutes of the game.

Through the remainder of the first half ECJC on 8 possessions punted five times, lost two fumbles, while the Eagles on 8 possessions punted four times, lost two fumbles, and Claus Larsen was wide left on a 50 yard field goal attempt.

Neither team could do much better during the second half and the only highlight was when Hinds had to hold off a ECJC penetration to the Eagles 13, when a fourth-

down, 4 to go pass by the Warriors was to high and Hinds then took over to run out the remaining 2:45.

East Central had two pass interceptions, missed a 26 yard field goal attempt, punted once and turned the ball over on downs in five possessions while Hinds punted four times, lost a fumble and still had the ball at game's end on its six possessions.

The Eagles will travel to Jones Junior College in Ellisville this Saturday, October 20, with game time at 7:30 p.m.

## Hinds visits Jones seeks division win

Bill Buckner's Hinds Junior College Eagles will travel to Jones Junior College Saturday, October 20, in Ellisville with game time at 7:30 p.m. The Eagles with a 5-2 record and Jones with a 6-1 record will be playing in a south division game.

Eagle coach Bill Buckner commented, "We will be facing one of the best defensive ball clubs we have seen and Jones has two defensive tackles that are as fast as our running backs and these guys have been keys to their success." Buckner also remarked, "This is one of the biggest games we play and we have a number of players injured that we hope will be able to play this week."

With the Jones game being one of three left for the Eagle

squad who is looking for a winning season they will be on the road again next week as they travel to Clarksdale to Coahoma Junior College. The last home game of the season will be on Saturday, November 3 when the Eagles host Gulf Coast at 2:00 p.m.

So far this season the Eagles have scored a total of 123 points while opponents have scored 98 points against them. Leading scorer for the Eagles is Bruce Parker with 36 points followed by Claus Larsen with 27 points which consist of extra points and field goals.

Parker is also leading in rushing with a total of 138 carries for 599 yards gained. Quarterback Randy Becnel is leading in passing with 77 attempted and 35 completed for 45%.

**FLAG FOOTBALL**—Several students decided to play intramural football rain or shine when their regularly scheduled game was canceled due to rain. The students found that the rain and mud was probably more fun than their regular time game would have been.

# New Orleans World's Fair almost a memory

New Orleans, a city of charm, beauty, history, and of great restaurants and food has now also claimed the title as the home of the 1984 World's Fair that has become a financial disaster.

The State of Louisiana would probably make anyone a good deal on the fair if you would just take up the payments. With all things considered no one can actually say what caused the fair to become a financial loss. Some claim that it was too much having

the fair and summer Olympics in the same country while others say New Orleans was played up as a party town and not for the family. Others have said why go to a fair where you stand in lines for hours to see displays of the use of water and engineering while you could be at Disneyland or Six Flags. Have you ever tried to explain to a five year old how a hydro-electric damn works while he would rather be riding the log ride and getting soaking wet.

However, November 11, will be the closing date of the New Orleans World's Fair and for those haven't been, you should try and make it before it becomes a memory. Admission prices are lower now and the crowds are not as big as well as the 90 degree heat is in the past so you could make a nice trip for the weekend. The fair is good and the Mississippi exhibit is excellent. The slide presentation at the Mississippi Pavilion can make you really feel proud of your state.

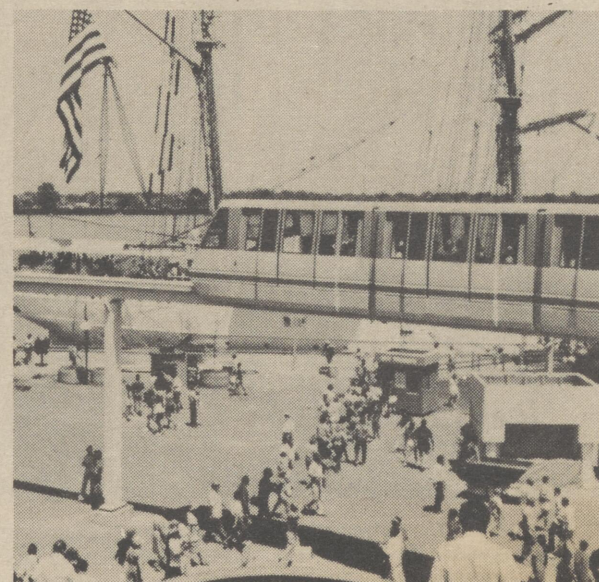

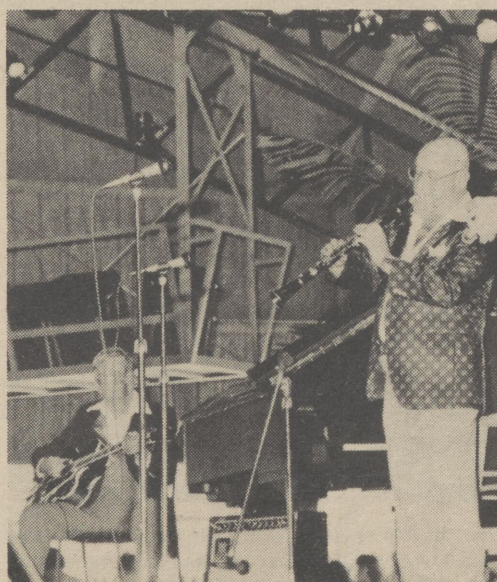

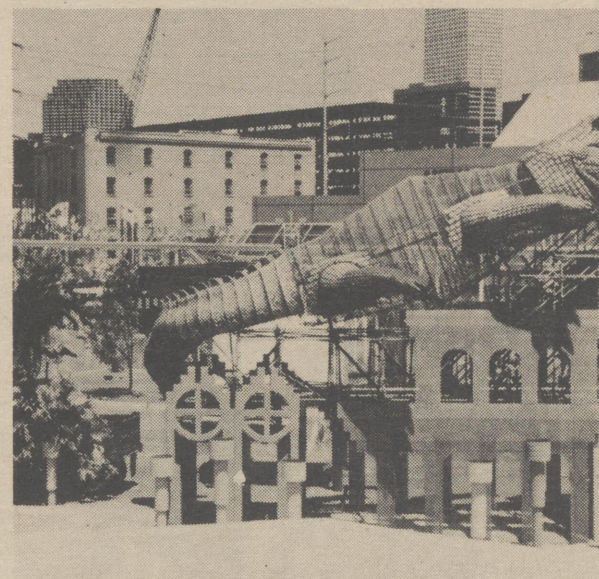

Having the opportunity to attend Press Day of the fair as well as the opening day I had the chance to see the final touches put on before the gates opened on May 12. It was interesting to pass by one spot where nothing existed and then two hours later return to the same location to find a dozen palm trees had appeared. It offered a new insight as to what went on to put such a production together, even though it was not a financial success it is a good fair.

If the fair did nothing else but to clean up the French Quarter then it should be declared a success. New pavement and sidewalks and even most of the strip joints are gone but then maybe that's what made the French Quarter different from other cities.

If you have the opportunity, go to New Orleans and enjoy the fair, enjoy some cajun food, and most of all, just enjoy the city of New Orleans.

Hi-Steppers will appear at the Mississippi Pavilion at the World's Fair October 27th.

## Disney World drafts five HJCD students

Five students from the Hinds Junior College District were selected to participate in the Walt Disney World College Program. They will be leaving in January and staying until May of 1985.

Dori Burke is one of the three freshmen on the Raymond Campus to be accepted. Burke is a night student majoring in communications. She has a steady job and plans to take a leave of absence from her job to go to Disney World. When asked how she felt about the program Burke stated, "I can't believe I made it, I'm very excited, and I really think it will give me a chance to see how other people live, and I'll get a better understanding of how to get along with everybody."

Susan Bryant is a sophomore who has been accepted from the Raymond campus. Bryant attended Raymond High School and hopes to attend the University of Mississippi after graduating from Hinds. Bryant is a communications major on the Raymond campus. "I'm really excited, I think it will be a great help in my major, because I'll meet so many people."

David Harris is also a sophomore from the Raymond campus who has been accepted. Harris is originally from New York where he studied acting. His major here at Hinds is theatre. Harris has performed as a comedian in night clubs here in Jackson as well as some in New York and New Jersey. He is also interested in drama and has performed in some of Shakespeare's plays at Shelton College in New Jersey. Harris is very optimistic about the Walt Disney World College Program and feels it will help his career as an actor. "I'd like to find work in Florida and stay there for a while" stated Harris.

Matt Greger is a freshman here on the Raymond campus who will be attending. Greger is a commercial design major whose cartoons have appeared in *The Hindsonian*. Greger is very excited about the program and he feels it will give a broader perspective of the types of work he could go in to after college.

Eric Rester is a freshman from Forest Hill High School. He is majoring in marketing and he plans to attend either Mississippi State University or the University of Southern Mississippi. "I'm very excited

about the program. I talked to Steve Usry (a student who participated in the program last year) and he really enjoyed it. I think it will help me learn a lot of techniques about being a salesman. I'd really advise students to try it out, it's a great opportunity," said Rester.

Clark Henderson is the on campus co-ordinator of the program. The students will be attending 12 to 13 professional seminars on marketing and business. The students will also receive three semester hours of credit for the work. "It's just a great opportunity for the students, because they will be working with students from around the world" commented Henderson.

## Caricature Workshop

A two-hour workshop teaching the basics of drawing caricatures will be taught Thursday, October 25, at 7 p.m. in the Denton Fine Arts Building on the Raymond Campus of the Hinds Junior College District.

The workshop is sponsored by Alpha Rho Tau, the HJC Art Club, and will be directed by Bob Dunaway, art instructor and chairman of the Art Department. There will be a \$3 fee. For more information call 857-3274.

## Senator Cochran praises Miss. Junior Colleges

U.S. Senator Thad Cochran says he will continue to work in Congress for legislative programs beneficial to Mississippi's junior colleges.

"Mississippi is one of the pioneer states in forging an effective junior college system, and it is one of the best educational investments our state has made," he commented while on a visit to East Mississippi.

He noted the "important role our junior colleges have played in providing educational opportunities for many Mississippians who otherwise might not have had access to higher education or competent vocational and technical training programs."

Senator Cochran said that during the 1983-84 session, over 58,000 were enrolled in various academic and vocational programs at Mississippi's 15 public junior colleges, an increase of more than 4,300 from the previous year.

**RECEIVES SCHOLARSHIPS** - Raymond Campus students Gene Holley and Michael Jones, second and third from left, are recipients of \$200 scholarships awarded by the American Society of Heating, Refrigeration and Air Conditioning Engineers (ASHRAE) October 9 in Jackson. Pat Nelson, left, ASHRAE president, from Mississippi Power and Light Company, and Bernie Steen, 2nd from right, also of Mississippi Power and Light Company, Education Chairman for ASHRAE, presented the awards. Shown with them is Zandra Gray, right, coordinator of the HJCD Development Foundation and Alumni Services.

## Selects officers...

## VICA sponsors cookout

The officers for VICA this year are: President, Larry Moss, Vice-President Andrea Ward, Secretary Andy Drummonds, Treasurer Martin LeBouef, Reporter Robert Grant, and Parliamentarian Jeff Burns.

Larry Moss is a sophomore majoring in commercial design and advertising. He is recently retired from the U.S. Army as a sergeant major and also has two sons attending Hinds.

Andrea Ward is a freshman at Hinds. She is an Industrial Drafting major and is presently working for Rick Griffin Landscape Architects in Highland Village.

Andy Drummonds is a

returning student majoring in Dental Assistance. Martin LeBouef is a sophomore majoring in architecture. Robert Grant is a freshman majoring in bricklaying. Jeff Burns is a freshman majoring in electricity and wiring.

The Vocational Industrial Clubs of America (VICA) held their 'Great American Hot Dog Feast' on October 17. VICA members served 150 people which they considered to be an excellent number.

The menu included hot dogs, baked beans, chips, and soft drinks. The cost of the entire meal was one dollar. Due to numerous requests VICA plans to have another cookout

in the near future. Dates and times for this cookout will be announced at a later date.

Emmitt Johnson commented, "It was a good meal. I would come to the next cookout." Doris Downing, a barbering major, said, "I enjoyed it." It was a lot for the money. I want to do it again." Mike Hataway, the club advisor, stated, "Americans still go for a 50 cent hot dog."

VICA would also like to let students know they are selling M&M candy. If anyone is interested in buying some candy see any member of VICA. The proceeds will go toward VICA state and national competitions.

### Futurist Award Competition...

## Honeywell begins essay contest

On October 1, Honeywell launched its third annual Futurist Awards Competition. The contest asks college students to look into the future and write essays about technological advancements they foresee by the year 2009.

When Julie Kirshner and Allen Gates entered the 1983 contest, they never thought they would be working full-time at Honeywell one year later. Kirshner, an English major, said, "I just entered the contest as part of a class assignment at California State University." Kirshner and Gates were among the 10 winners who received \$2,000 and a summer internship at Honeywell last year.

Gates, a 1984 graduate of Notre Dame, interned at the company's Solid State Electronics Division in Plymouth, Minnesota, which led to his current position as associate automated design engineer. Gates said, "My work is very interesting. Honeywell is on the leading edge of technology."

Kirshner, a 1984 graduate of California State University, interned at the Los Angeles Development Center, which led to her current position as consultant in the Manufacturing Services Documentation Department. "I really enjoy my job and working with an advanced publication system.

I'm learning a lot," Kirshner said.

This year the number of winning entries has been increased from ten to 30. The ten first-place essays will earn each winner \$2,000 and an opportunity to work for Honeywell next summer. Ten second-place winners will receive \$250 and ten honorable-mention winners will receive \$100. All entrants will receive a Honeywell Futurist T-shirt.

The contest is open to all full-time undergraduate and graduate students at any accredited college in the United States. Students are asked to look ahead 25 years and predict developments in two of the following technological areas: electronic communications, energy, aerospace,

marine systems, biomedical technology or computers. A third essay must address the social impact of technological progress. Each essay is limited to 500 words.

Completed essays must be postmarked no later than December 31, 1984. Winners will be notified by February 1, 1985 and will be flown to Minneapolis later that month for the awards ceremonies.

The essays will be judged on the basis of feasibility, clarity, creativity, and legibility.

For more detailed registration information write: Futurist Rules, P.O. Box 2009, 600 South County Road 18, Minneapolis, MN 55246 or call toll free 1-800-328-5111, extension 1523. In Minnesota call collect (612) 870-2142, extension 1523.

## Cooperative Education sponsors Nursing/Allied Health Job Fair

Representatives from the health industry, area hospitals, and nursing homes will meet with Hinds Junior College District students in health related fields during a Nursing and Allied Health Job Fair. The job fair is being sponsored by the Cooperative Education and Placement Office October 30. Registration begins at 10 a.m. at the Nursing Allied Health Center; refreshments will be served.

Students will have the opportunity to ask questions of health care facility professionals concerning employment opportunities within the state of Mississippi. Booths will be set up and free pamphlet information will be available.

Approximately 15 health care facilities are expected to be represented by about thirty professionals.

## Maid of Cotton contest

The deadline is nearing for Maid of Cotton applications. The National Cotton Council says applications and required photographs must be submitted by midnight November 9.

Now in its 47th year, the selection is open to young women between the ages of 19 and 23 inclusive who were born in a cotton-producing state or who have maintained legal residence in the Cotton Belt since at least age seven. Applicants must also be at least five feet five inches and

never have been married.

The new Maid will travel across the United States and to Asia, Europe, and Canada between January and July to promote U.S. cotton. In addition, she will receive a \$10,000 educational grant, a new wardrobe, and the experience of a lifetime.

Applications forms for entering the selection may be obtained from the Council, P.O. Box 12285, Memphis, Tennessee 38182.

## Clinton hires students

Wesley Reeves, Police Science instructor on the Raymond Campus reports that four 1983-84 graduates of the Criminal Justice Program were hired by the Clinton Police Department on October 1.

Greg Craft, Michael Gill, Jack Hust, and William Pirie ranked high among a large

group of candidates who took the special qualifying examinations. The new recruits will undergo an eight-week intensive training course at the State Police Academy in Rankin County, where they will study police techniques, fire arms, and continue with criminal justice subjects.

## Ghostly meal planned

On October 23, the cafeteria on the Raymond campus will have a fortune teller available for consultation in the main dining room. Fortune cupcakes will be served.

A special Halloween dinner is planned for the evening of October 31. The meal will consist of ghostly turkey, 'spooky' fish, 'haunted' dressing, and gravy, 'trick or treat' green vegetables, 'goblin' apples, and a special witches

brew. There will also be a special treat for those who come to dinner in a costume.

Karren Lewis, the assistant food service director, would also like to remind the student body of their next birthday party. The party will be held in the main dining room on Nov. 6. All students with a birthday in November will be eligible for a free private birthday party.

## Jackson Festival on Oct. 27

Mark Saturday, October 27, 1984 on your calendar and plan to attend the first annual Fall Festival in Jackson.

"We promise a full day of food, fun, games, and entertainment for the whole family," said Bill DuBose, chairman of the festival project. "Approximately 100 booths will be set up for craftsmen to display their talents, so shoppers can expect a wide variety of arts and crafts to choose from."

Fall Festival is sponsored by the two Jackson Councils of the Telephone Pioneers of America. All proceeds will go to the Green Valley Boy's Ranch in Louisville, Mississippi and to other community service projects supported by this non-profit volunteer organization.

The fun will start at 8:00 a.m. and last until 4:30 p.m. at the grounds of the South Central Bell Data Center building on Highway 18 West in

Jackson.

"Besides having an opportunity to select from a wide variety of crafts and handmade goods, entertainment will be provided throughout the day. Entertainment includes the James Parker Country Band, breakdancers from Vicksburg, Radio One, Pacesetters, and a karate demonstration provided by David Mabry Karate School. Free finger printing for children aged 2-10 will be offered from noon until 4:00 p.m.," DuBose added.

The Pioneer clown troupe will also be on hand, and there will be a variety of games for children to enjoy. Food will also be available for hungry shoppers.

"We invite everyone to come be a part of our Fall Festival. We hope to make it an annual event that Mississippians will look forward to," DuBose concluded.

**ARSENIC AND OLD LACE**—Nancy Wade, left, and Mary Knight, right, rehearse with Kenneth McDade for the production of "Arsenic and Old Lace" to be performed on the Raymond campus November 13 through 17. McDade is a former Hinds student making a guest appearance in the production. For information concerning tickets contact Denise Halbach at 857-3266.

## HJC Theater Production runs November 13 - 17

by Angela Knapp

The classic play, "Arsenic and Old Lace," will be presented in the Little Theatre November 13-17. The curtain time is 8:00.

"Arsenic and Old Lace" is the Lendon Players' production for this semester.

The play takes place in 1941. The costumes, hairstyles, and props are authentic to that period. The set for the play is one of the most elaborate ones ever built for a play in the Little Theatre.

"The play is about 2 sweet little old ladies," commented Nancy Wade, who portrays one of them. "They're both charitable and compassionate" but insanity runs in their family. They both are so compassionate that they poison their lonely male visitors and bury them in the basement.

"Arsenic and Old Lace is a classic," commented Denise Halbach, sponsor of the Lendon Players. "It's funny and

casts and audiences always enjoy it."

Tickets are \$3.00 for adults, and students will be admitted free with an I.D.

## Hi-Steppers perform at World's Fair

The Hinds Hi-Steppers traveled to New Orleans, Saturday, October 27 to make their second invitational appearance at the 1984 Louisiana World Exposition. The HJC Stage Band accompanied them in their three performances.

The 'Steppers and the Stage Band performed at the Expo on June 25 and drew what Fair entertainment officials called "record crowds" at each of their four performances. So much enthusiasm was generated by the dance team that they were invited for this return engagement.

## Education Week set for November 11 through 17

The Hinds Junior College District will join the rest of the nation in celebrating American Education Week November 11 through 17. There will be activities honoring faculty and staff members in appreciation for their contributions to education in general and at HJCD in particular, according to Nancy Flournoy, chairperson of the HJCEA Education Week Committee.

The theme this year is "Educational Excellence: Our Nation's Strongest Defense," and all District libraries will have displays and posters which highlight this theme. The Raymond Campus will have posters in all classroom buildings.

Also at all locations faculty and staff members will receive hand-delivered cards thanking them for their contributions to education at Hinds, with various student organizations helping in the project.

There are many activities in the planning stages at all HJCD locations which also honor faculty and staff.

"The purpose of American Education Week celebrations in the Hinds District is to call the attention of all of us, faculty, staff and students, to education and to reaffirm its importance in our lives personally and in our country," states Mrs. Flournoy.

The official purpose as outlined by American Education Week sponsors the National Education Association, The National Congress of Parents and Teachers (PTA), the National School Boards Association, the American Legion, and the U.S. Department of Education, is to build public support for American schools.

Watch for the displays and for announcements of the special activities for American Education Week at Hinds.

## DECA students attend

Six students from the Rankin branch of Hinds Junior College District went to the Annual Southern Regional DECA Leadership Conference in Biloxi. The conference was held October 18 through 20.

The six students attending were: Billy Ashley, William Johnson, Melissa Pope, Wesley Redmond, Canda Rials, and Sheila Roberts. The

students were accompanied by instructors Sue Pitts and Lynn Holliday.

The instructors and their students attended leadership conferences held in the conference hall of the Best Western Hotel. The conferences are designed to give students an understanding of the business world and how to handle future jobs.

### Elections set...

## Campus elections scheduled, Dec. 5, Mr. & Ms. HJC, Class Favorites, senate

by Janice Patti

December 5, Wednesday, will be our big election day! Mr. and Ms. HJC, Class Favorites and the Senate will be chosen.

Fourteen sophomore and ten freshmen will be chosen for class favorites—7 sophomore males, 7 sophomore females, 5 freshmen males and 5 freshmen females. The sophomore male and female receiving the most votes will be Mr. and Ms. HJC Organizations and dorms will nominate 1 sophomore male, 1 sophomore female, 1 freshman male and 1 freshmen female.

Forms will be given to the organizations and dorms at the Organizations Council Meeting on November 7 to be given to their nominees. Commuters may use the form in this paper or pick up a form from the Public Relations Office in the Student Union Building. Forms are due on November 20 by noon in the Public Relations Office.

Group pictures of all can-

didates will be taken Tuesday, November 20 at 3:30 for the paper and election day posters. No pictures will be remade if the candidate misses the meeting. Candidates may not provide their own pictures.

The Senate will consist of 30 elected officers—15 Senators (Sophomore students) and 15 Representatives (Freshmen students). Ten sophomore and ten freshmen students will be dorm residents and five sophomore and five freshmen students will be commuters. The Senate will review and recommend amendments to student rules and regulations.

These recommendations will be presented in bill form to the college administration. The Senate will also make decisions on election rules, ASB budgets, and other matters as requested. A workshop will be given at the beginning of the Spring Semester to teach Senate procedures. Forms may be obtained in this paper or the Public Relations Office. Forms are due November 20 by noon in the Public Relations Office. Group pictures

will be taken November 20 in the Student Union Building room 209 at 4:00. Campaign rules and qualifications are listed on the application form.

"I encourage you to become involved in the Senate because this is the only student group formed to make a formal request involving rules set on them and to make decisions involving student life and this is one way you can make a difference," stated ASB president, Janice Patti.

### Scales attends

Dr. Lura Scales, a history instructor on the Raymond campus of the Hinds Junior College District, attended the annual Southern Division meeting of the Community College Humanities Association. The conference was held on October 26 and 27 in Charleston, South Carolina.

Dr. Scales is one of three panelists reporting on the CCHA Summer Institute on the "Introductory History Course and the New History", which was held at the University of Colorado and sponsored by the National Endowment for the Humanities.

## Editorial...

# A Waste Land

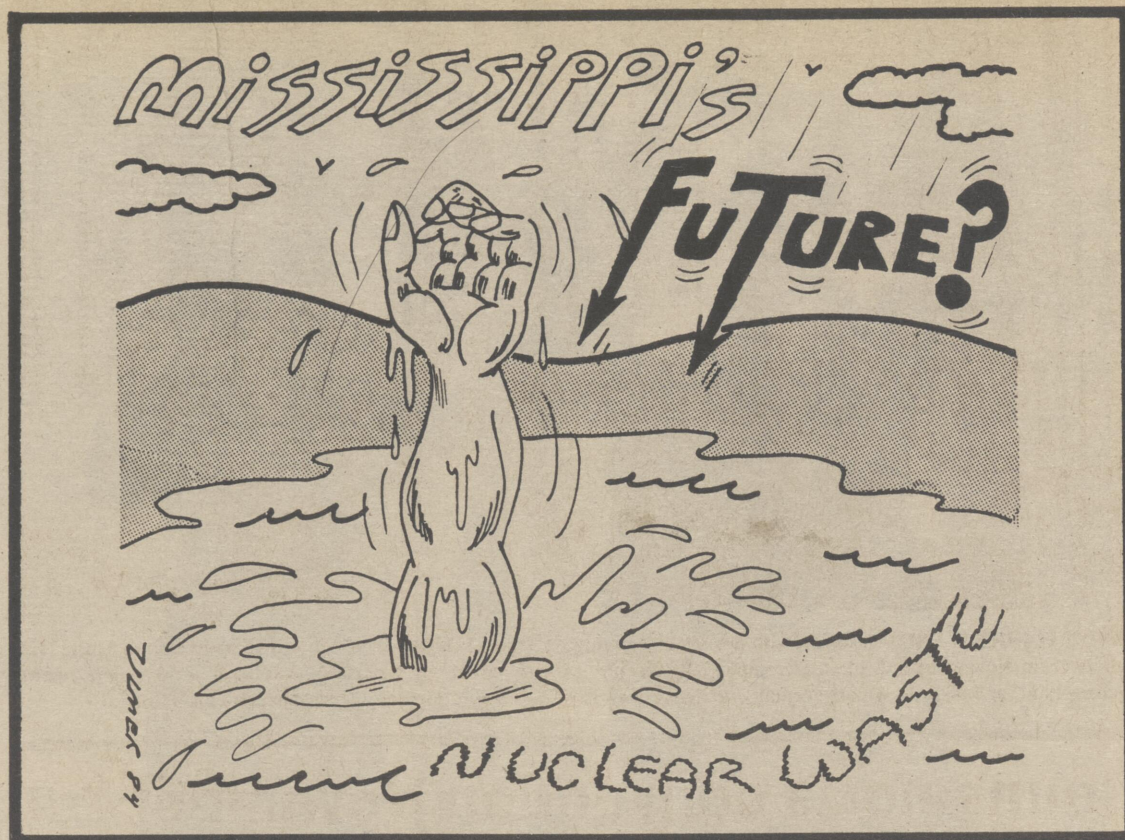

Nuclear waste. What's your first reaction? Most of us shudder and would rather not think about it. But's it's a subject we can no longer ignore.

The people against nuclear waste in Mississippi have given us the idea of Mississippi being a big garbage dump for the whole U.S. I have a feeling some of the people that first suggested nuclear waste be put in Mississippi already saw the state as a big garbage dump. They just planned on giving us more modern garbage.

Yes, we are a rural state. And yes, we are a poor state. But that doesn't give anyone the right to walk (or dump) all over us. We have a nuclear power plant and we should be responsible for the waste from that plant. And by being responsible I don't mean dumping it on someone else. One of the main things we need to be concerned with is dealing with our own problems instead of dumping them off on someone else.

As far as the nuclear waste from the plant in Mississippi goes, I think it should be dumped in Mississippi. Just don't dump it in by backyard. Isn't that a great philosophy? Everybody in the whole world feels that way. So, what do we do with it? There has to be a place, any place, that is not inhabited by people that this nuclear waste can be dumped. and believe it or not, there are more than just cows and possums in Mississippi.

Experts say there is no threat from the nuclear waste once it has been stored, for at least a hundred years. So what the heck, let's go ahead and store it. At the rate we're going, there won't be **anybody** here in a hundred years anyway.

**ARTIST HARRY WARD**—is shown with one of his paintings, "View of the Bay", which will be on exhibit in Marie Hull Gallery from November 5 through December 7. A reception for the artist will be held November 8 in the gallery, with a "gallery talk" at 7:30 p.m. All are cordially invited to view this free exhibit, attend the reception and meet the artist.

## Harry Ward Art Exhibit scheduled for Gallery

The Marie Hull Gallery on the Raymond campus of the Hinds Junior College District, will feature an exhibit of paintings by Harry Ward November 5 through December 7.

An artist's reception will be held November 8 in the gallery from 7 p.m. to 9 p.m. with a "gallery talk" at 7:30 p.m.

Ward, an associate professor of art at the University of Southern Mississippi, draws his subject matter from memories of his life in coastal

Mississippi and Louisiana.

His paintings move through patterns and symbols, deal with alternate perspectives, and attest to the dignity of the society he knew as a child and as a young man.

Gallery hours are from 8 a.m. until 3 p.m. Monday through Thursday, and from 8 a.m. until noon on Fridays. There is no admission charge. The public is cordially invited to attend the artist's reception and to view the show.

## Displaced Homemakers held October conference

Jessie Dawson attended the annual Region IV Displaced Homemakers' Conference held in Biloxi, October 15 through 17. The Conference was entitled "Southern Women Building a Strong America." Southern Women In Partnership for Equity shared the conference agenda. Outstanding women in National politics were speakers during the three day conference.

Information was provided through the workshops on "Entrepreneurship As Alternative Employment"; "Industry Partnerships in Child Care"; and "Accessing JTPA Funds".

The displaced homemaker's program is offered by the Jackson branch of the Hinds Junior College District. The program is designed to develop self confidence and to acquaint participants with career options.

The service is open to women and men of any age or income level. The service was

designed for people who; have been homemakers but have lost the support of their spouses through death, separation, divorce, or disability, single persons who are heads of their household, and homemakers who wish to seek additional education and paid employment.

The program consists of three main activities. The first is options and actions which is a 100-hour course that includes personal assessment, discussion of values and priorities, evaluation of career option, and development of a plan of action. It involves classroom activities, group work, home assignments, and individual counseling. Upon completion, participants will be assisted with educational and employment placement.

The employment search workshops offer 70 hours of intensive training on sources of employment, resume writing, interviewing training on sources of employment opportunities. "Discovering your potential" is a 110-hour workshop for men and women who "want to be doing something else" but need time, support and information. Topics will include conflict resolution, stress management, decision making, values clarification, goal setting and active listening. Participants will also receive information about educational opportunities, career planning, volunteer work and community resources.

For further information or to apply for the program, call the Displaced Homemakers Department at 366-1405. There is no charge for any of the program services. Current class schedules are available upon request.

## Counselor's convention November 7-9

Over 600 guidance and personnel specialists from across Mississippi will convene November 7 through 9 for the Mississippi Counseling Association's annual convention at the Coliseum Ramada Inn.

The MCA is an "umbrella" organization which includes counselors from schools, colleges, agencies, and private settings; counselor educators; psychologists; and psychometrists. It is a state division of the American Association for Counseling and Development.

The theme for the three-day conference will be "Professional Transformation: Revitalization through Change and Renewal". Larry Little, director of guidance for the Warren County Schools in Vicksburg and convention coordinator, said the theme "expresses the change that has taken place in the national and state organizations". He said

that not only have both changed their names (the state organizations was known as the Mississippi Personnel and Guidance Association), but "the state organization has recommitted itself to the involvement of more individuals within the state who work in 'helping professions'".

Dr. Gerald Turner, chancellor at Ole Miss, will give the Keynote address at the opening session on Wednesday night, November 7, at 7:00 p.m. Prior to the convention, Dr. Carrie Hope, associate director for counseling services at Texas A & M University, will conduct a four-hour workshop on the treatment of anorexia nervosa and bulimia in individuals. Dr. Richard Boyd, recently appointed state superintendent of education, will address school counselors in a special meeting on Thursday night.

Other featured speakers will include Ms. Dorothy Thomas,

president of the American School Counselors Association, and Olie Ahlquist, National Employment Counselors Association's president.

An awards luncheon Thursday will recognize individuals who have contributed significantly to the guidance movement within the state. The Hinds Junior College "Hi-Steppers" will be a featured presentation at the luncheon.

Approximately 35 content workshops will be conducted throughout the conference.

Current officers of the MCA are Janie Rugg, director for guidance for the Jackson Public Schools, president; Dr. Dudley Sykes, counselor educator at the University of Mississippi, president-elect; Edrice Polk, counselor for the Jeff Davis Schools, secretary; and Mary Alice Cates, counselor at Delta State University, treasurer.

## Eagles defeat Coahoma; sporting a 6 - 3 record

The Hinds Junior College Eagles added another victory to the win column last Saturday as they defeated Coahoma Junior College 38-27 at Clarksdale. This now gives the Eagles a 6-3 record while Coahoma is 1-8.

Hinds first touchdown came in the first quarter when Joe Robinson scored on a 7 yard run and Claus Larsen added the point after. Coahoma was unable to put any points on the board during the first quarter.

During the second quarter both teams added two touchdowns each to the board. The Eagles scored their two first when Joe Robinson ran the ball in 10 yards for the touchdown and then Tracey Milton ran the ball in 3 yards for the touchdown. Claus Larsen added the point after each time. Coahoma's J.D. Moore scored both touchdowns during the second quarter when on the first touchdown he ran the ball back 75 yards for the touchdown and on the second touchdown he ran it back 32 yards for the touchdown. Jay Johnson made the point after each time. At halftime the

Eagles led 21-14 over the Bulldogs.

Third quarter action began when Eagle quarterback Randy Becnel passed 24 yards to Joe Robinson for the touchdown and Larsen added the point after. Larsen added 3 points to the Eagles side when he kicked a 36 yard field goal. The last score for the Eagles came when Lee Beard made the touchdown on a 24 yard pass from Randy Becnel and Larsen made the point after.

During the fourth quarter Coahoma's J.D. Moore ran the ball in 8 yards for the touchdown while Jay Johnson added the point after. Coahoma's last touchdown came when Don Walker intercepted a Eagle pass and ran it back 75 yards for the touchdown and the extra point attempt failed.

The Hinds Eagles will host the number one junior college team in the nation Saturday, November 3, when they host Mississippi Gulf Coast Junior College who has a 9-0 record for the season. Game time is set for 2:00 p.m. Saturday afternoon at Eagle Field in Raymond.

## Eagles beaten 27 - 12 by 14th ranked Jones

Leading at halftime the Hinds Junior College Eagles with a 10-7 lead were hoping for a victory of the Jones Junior College Bobcats. However, the Bobcats came back fighting during the second half and ended with a 27-12 victory over the Eagles.

With neither team scoring during the first quarter and moving the ball very little Jones Henry Byrd scored the first touchdown of the second quarter when he ran the ball in 12 yards for the touchdown. Doug Eubanks kicked the point after giving Jones a 7-0 on the board.

Hinds Bernard Turner made the first and only touchdown for the Eagles in the second quarter when he caught a 53 yard pass from quarterback Milton Taylor. Claus Larsen quickly added the extra point and the game was tied 7-7. With 11 seconds before the half Hinds Claus Larsen kicked a 46 yard field goal giving the Eagles the lead at the half 10-7.

During the third quarter Jones Mark Boyles ran the ball in from the 1 yard line for the touchdown and the extra point

attempt was no good. With 40 seconds left in the third Jones Henry Byrd ran the ball in from the 4 yard line for the touchdown and Doug Eubanks made the point after.

The Eagles last points were added during the fourth quarter when the Eagles got a safety adding the Eagles last 2 points of the game. Jones Tim Stanley ran the ball in from the 24 yard line giving the Bobcats their last touchdown while Doug Eubanks added the extra point.

The Hinds Eagles now have a 5-3 record for the season while the Bobcats go 7-1.

The Eagles will travel to Coahoma Junior College Saturday, October 27, with game time at 7:30 p.m.

**HINDS DEFEATS COAHOMA**—Hinds fullback Joe Robinson of Jackson makes another touchdown for the Hinds Junior College Eagles in last Saturday's game against Coahoma Junior College at Clarksdale. The Eagles defeated the Bobcats 38-27, giving the Eagles a 6-3 record and leaving Coahoma with a 1-8 record. Robinson made three touchdowns for the Eagles during the game. The Eagles will host number 1 ranked Gulf Coast Junior College Saturday, November 3, at 2:00 p.m. at Eagle Field in Raymond.

## "Soccer Bash" on Nov. 13th

The HJC Soccer team is presently the only junior college team in the state, and competes in the Mississippi Intercollegiate Soccer League (MSU, USM, DSU, UM, MC, and HJC). While the record in league play is 2-5, the HJC team has beaten two of the top three teams with a 3-2 victory over USM and a 6-4 win over Ole Miss.

In its most recent outing, the club led USM for seventy minutes at Hattiesburg before Southern pulled even on a penalty kick. Even though the final score was 3-1 USM, Coach Shepherd and most of the USM supporters said Hinds had the better of the match.

When asked what the team

needed most, Shepherd said, "We need more student support. We are forced to play most of our games on Saturdays and unfortunately, most of our students are not here on weekends."

To help generate student support, Shepherd said the team is planning a "Soccer Bash" on Tuesday, November 13 when Hinds plays Mississippi College on the Hinds soccer field. Since the football season is over on November 3, Shepherd hopes this game can be a night match in the stadium. If a stadium match cannot be arranged, then the teams play at 3 p.m. on the soccer field.

The remaining matches for the Eagles are:

Delta State at Hinds 10 a.m. Saturday, November 3; University of Alabama at Jackson 1:30 p.m. Sunday, November 4; Mississippi State University at Starkville 10 a.m. Saturday, November 10; Mississippi College at Hinds (Time to be arranged) Tuesday, November 13; Millsaps at Hinds (Time to be arranged), Sunday, November 18; Mississippi Intercollegiate Soccer Tournament at Mississippi College December 1 and 2.

"The soccer team at Hinds Junior College is competitive with all of its opponents, and deserves your support. Come see Hinds play and you will get a kick out of it," stated coach Tom Shepherd.

**SOCCER GAME**—Members of the Hinds Soccer Team traveled to the University of Southern Mississippi last week. Hinds led USM the first 70 minutes of the game but USM rallied at the end and beat Hinds 3-1.

**HINDS EAGLES**—Members of the 1984-85 Hinds Junior College Basketball team are: first row from left: Lawson Veal, Jackson; Alvin Morris, Pearl; Brian Jones, Vicksburg; Bruce Robinson, Clinton; Keith Rhodes, Pelahatchie. Second row from left: Donny Crain, Puckett; Leon Smith, Pontiac, Michigan; Bert Wilkinson, Vicksburg; Derrick Edwards, Mobile, Alabama; Robert Bendolph, Mobile, Alabama; James Dixon, Utica; Al Ray Lewis, Jackson; and Lester Poe, Starkville. The Eagles are coached by Bob Garrison. The Eagles will play their first game at home on Thursday, November 8, at 8:00 p.m.

**LADY EAGLES**—Members of the 1984-85 Hinds Junior College Lady Eagles basketball team for this season are: front row from left: Sharon Smith, Pisgah; Mina Conlee, Clinton; Tamra Haggard, Clinton; Ginny Douglas, Clinton; Gail Lobue, Hammond, Louisiana; and Tracey Parker, Jackson. Back row from left are: Lisa Smith, Vicksburg; Carla Fields, Vicksburg; Veronica Atkins, Memphis, Tennessee; Linda Jones, Pelahatchie; Sharon Johnson, Jackson; Jeanette Pate, Jackson; and Pauline Rule, Vicksburg. The Lady Eagles are coached by Terri Baker. The Lady Eagles first home game will be Thursday, November 8 at 6:30 p.m. when they host Mississippi Delta Junior College.

## Basketball home game Thursday, Nov. 8th

The Hinds Junior College basketball teams, the Eagles and Lady Eagles, will open the 1984-85 season on the road with Delta Junior College at Moorhead on Monday, November 5, with the Lady Eagles playing at 6:00 p.m. and the Eagles playing at 8:00 p.m.

The first home game for both teams will be on Thursday, November 8, when they host Mississippi Delta Junior College in the Mayo Fieldhouse on the Raymond Campus with the Lady Eagles game set for 6:00 p.m. and the Eagles game at 8:00 p.m.

Looking for another good year after finishing last year with a 19-5 record Hinds Eagles Coach Bob Garrison has five returning sophomores

on his squad and will be adding six new freshmen to the team. Returning sophomores include Al Ray Lewis from Clinton, Robert Bendolph from Mobile, Lawson Veal from Jackson, Alvin Morris from Pearl, and Bert Wilkinson from Vicksburg.

The six new freshmen Garrison is adding to the Eagle team are: Keith Rhodes from Pelahatchie, Leon Smith from Pontiac, Michigan, Derrick Edwards from Mobile, James Dixon from Utica, Bruce Robinson from Clinton, and Brian Jones from Vicksburg.

Commenting on his team for this season Garrison said, "I believe that the strength will lie with all the sophomore players because they are all good junior college players

and they play together good but our weakness is that we are lacking overall height in the sophomores."

"The freshmen team members have not as of yet come out in practice enough to show that they can replace any of the sophomores and we have a short period of time before season begins for these kids to get it together," stated Garrison. Garrison also feels that the freshmen members are lacking playing experience even though they were high school players the junior college league is different.

### Lady Eagles

Terri Baker's Hinds Junior College Lady Eagles will be trying to better a 17-12 record from last season as they begin

play this year. Coach Baker has five returning sophomores and will be adding seven new freshmen to the team this season.

Returning sophomores for the Lady Eagles are: Carla Fields from Vicksburg, Tamra Haggard from Clinton, Gail Lobue from Hammond, Tracey Parker from Jackson, and Pauline Rule from Vicksburg. Freshmen members of the squad will be: Veronica Atkins of Memphis, Mina Conlee from Clinton, Ginny Douglas from Clinton, Sharon Johnson from Jackson, Linda Jones from Pelahatchie, Jeanette Pate from Jackson, and Sharon Smith from Pisgah.

Coach Baker feels that the strength of the Lady Eagles

will lie with the positions that will be held by Tamra Haggard and Gail Lobue. Baker also believes that she will be playing Rule and Fields quite a bit this season since they are experienced players. Commenting on the freshmen players, Baker said, "Conlee, Smith, and Atkins will be possible starters this season and Smith will probably see a lot of playing time because she can play both guard and forward positions while Atkins has good outside shooting range."

Coach Baker stated, "I feel that our weakness lies in the inside positions because we are trying to replace some sophomores with the new freshmen who lack playing time."

## Mrs. America Pageant set for late April in Reno

Mirror, mirror on the wall, who's the fairest Mrs. of them all?

The annual quest to solve that puzzle and find the most beautiful married woman to represent Mississippi in the 1985 Mrs. America Pageant has officially begun.

Doris McDonald-Modjeski, Mrs. America state director for Mississippi, has announced that her Pageant office is now accepting applications for its state-wide competition to be held March 2-3 at the Metro Ramada Inn in Jackson.

The winner of this competition qualifies for the 1985 Mrs. America finals, which is presently scheduled to be taped for national television in late April from the glamorous showroom of the Reno Hilton. State winners will arrive in Nevada a week before the scheduled taping for a busy period of Pageant activities, preliminary competitions, and rehearsals for the two-hour television special.

To qualify for the Mrs. Mississippi State Pageant, a contestant must be a U.S. Citizen, a minimum of 18 years old, married for at least one year as of the entry date of her state pageant, and a resident of the state she represents for a minimum of six months.

This year's Mrs. Mississippi prizes include an expense paid trip to Reno, Nevada for the National Pageant, a complete Image Building/Personal Development scholarship, and a complete Professional

Modeling scholarship, along with other exciting service and merchandise prizes to be announced later. She will also have the honor of representing the married women of the state of Mississippi and the opportunity for personal appearances during her year's reign.

Last year, over 15,000 married women applied to the Mrs. America Pageant. The 50 finalists ranged in age from 21 to 50 (the average age was 31.8), were married an average of 8.7 years, and had an average of 1.8 children. Forty-two of the 50 delegates were mothers. The currently reigning Mrs. Mississippi is Debbie Yawn of Terry, wife of Victor Yawn, age 34, and mother of three.

For an application or further information, contact Doris McDonald-Modjeski, State Director, Mrs. Mississippi-America Pageant, P.O. Box 170, Edwards, MS 39066-0170, telephone 852-2043. The deadline for applying for entry has been set for November 30, 1984.

## Why do TV shows cost consumers???

Television shows are becoming a very popular form of entertainment today with such shows as "Dallas," "Falcon Crest," "Magnum P.I.," and scores of others. Even college students are watching more television than ever before including many of the day time soap operas.

Bringing us these television programs on commercial television networks such as NBC, ABC, and CBS, are a host of advertisers. These advertisers are the ones who make free t.v. possible for us. However, it may not be considered to be free when consider that what you see for free on t.v. cost you a great deal at the supermarket. For instance, last years leading advertiser was Procter & Gamble Company spending some \$726

million dollars.

The below list shows how much the advertiser must pay the television networks for 30 second ads on the top network television programs. This listing was prepared by Veme Gay and was printed in Advertising Age Magazine.

It may be noted that when we notice the increased prices of products in the supermarket or drug stores that you might notice which television shows these particular products are sponsoring.

The gas companies are also some of the biggest advertisers on television along with automobile manufacturers. A for instance is that in 1973 a Lincoln Town Car was stickered at \$9600 and today that same car which is not as much car is \$21,000.

### Networks' 30-second price list

60 Minutes is not only network TV's highest rated program, it's also its most expensive. According to Advertising Age unit cost estimates, a 30-second spot during the fourth quarter on 60 Minutes averages \$190,000. Closely following 60 Minutes is ABC's Dynasty, which averaged \$187,000 per 30 seconds. Nearly half of the program's audience is women, 25 to 54, one of the most sought after demographics this fall. —By Veme Gay

**SHOOTING FOR PAR**—The Hinds Junior College 18 hole golf course offers students and faculty low rates for playing golf. Sophomore student Ken Anderson shoots for par on the number nine hole behind the clubhouse. Anderson has a student semester pass for only \$27.50.

## HJC Golf course offers good prices for students and public

by Kim Smith

The Hinds Junior College Golf Course is located on Highway 18, south of Raymond. The facility features an eighteen hole course as well as a pro-shop where the public can purchase all types of golf equipment and refreshments.

Students at Hinds are responsible for the management of the course. The course is managed by Anthony Price and anyone interested in the course should contact him at 857-5993. Also, the course is self-supporting in the fact that it turns a profit and reimburses all funds appropriated by the college.

The golf course operates in the summer season from 7:00 a.m. until 7:30 p.m. on

weekdays and 6:00 a.m. until 7:30 p.m. on the weekends. However, the course is now observing its fall hours which are from 7:30 a.m. until 5:30 p.m. on weekdays and from 6:30 a.m. until 5:30 on weekends and tee times need to be reserved on Saturdays and Sundays.

The Hinds Golf Course offers some special rates for the public and Hinds students. There is an all day golf pass which entitles the purchaser to play limitless golf all day for just \$7.50. Hinds students can purchase a semester pass for \$27.50. General public green fees are \$3.00 for nine holes of golf and \$4.00 for eighteen holes.

Rental equipment is also available. Golf carts can be rented for \$6.00 for nine holes and \$12.00 for eighteen holes

of golf. Pull carts cost \$1.00 for nine holes and \$2.00 for eighteen holes.

Accompanying the golf course are two other facilities. First, there is Raymond Lake. Fishing is allowed with a valid fishing license at the cost of \$1.00 a day. Payment for fishing can be made at the golf pro shop. Secondly, there is the Raymond Lake Lodge which can be rented by the public and used for student organizations. The lodge features an outdoor barbeque area, ice machines, a fireplace, and a full kitchen. Anyone interested in renting the lodge should contact Mr. Charles Walker at 857-3233.

Mr. Tom Wasson, Director Auxiliary Services, would like to encourage the public and all students to take advantage of all the available facilities.

## Basic computer programming set

David Durham, Academic Dean of the Raymond campus of the Hinds Junior College District, announced the Raymond campus will offer BASIC computer programming beginning next semester.

The course number is CSC-1213 and will be available 9:00 a.m. to 9:50 a.m. and 11:00 to 11:50 a.m. on Monday, Wednesday, and Friday. The course is entitled BASIC (Beginners all purpose

symbolic instructing code) language. The course will be taught by Mr. Faulkner.

The academic office is responding to requests by students for this course. Many major universities are requiring beginner courses in computer programming in their core curriculum. The academic office feels this will help Hinds students when they get to major universities.

# Hiney-Ho '84

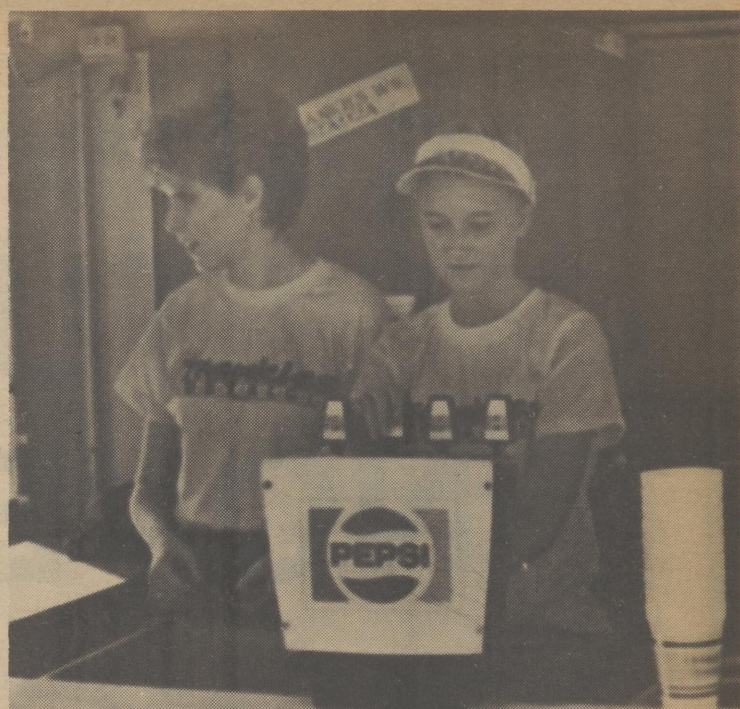

Hiney-Ho '84 was held on October 30 in The Mall area of the Raymond campus. The activities of the day included a dunking booth, break dance contest, and a chance to get Hinds Junior College in the Guinness Book of World Records.

Fifty-one Hinds students piled up on a king size mattress in hopes of getting the event entered in the Book of World Records. The day was organized by the fourth floor residents of Hardy-Puryear. All the money raised will be used to start a scholarship fund to be awarded to a worthy Hinds' student.

However, Hiney-Ho '84 was planned to get Hinds students involved and interested in their school. Jeanne Mayfield and all the girls from Hardy sincerely hope everyone enjoyed the day and that Hiney-Ho Day will become a tradition at Hinds.

## PTK attends Meridian convention for "hugging contest" and Spy contest

One of the highlights of Phi Theta Kappa Regional Convention held in Meridian on October 21-22 was a hugging contest which was won by Mark Huff. Brenda Stevens, PTK reporter, won the Spy contest. There was also a dance.

These activities enabled Gamma Lambda members who attended the convention to meet members of the other

chapters in the Region and have a lot of fun as well. The Region consists of Mississippi, Tennessee, and Louisiana.

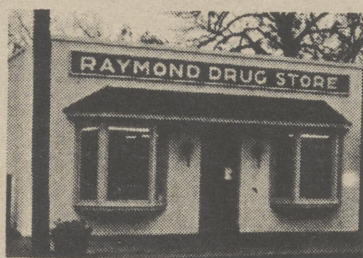

The Gamma Lambda Chapter of the Raymond campus was responsible for providing the Chapter Spotlight, which informed the others about the Chapter and its sponsors, Ms. Sandra Boyd and Mr. W.G. Hairston. It also included slides of the

Hinds Campus.

There were three interesting speakers at the convention including Chancellor Turner from the University of Mississippi.

Members who attended the convention enjoyed the fun and learning and look forward to the national convention which will be held in St. Louis in March, 1985.

## Student Day to be held on Nov. 16

'Sader Search '84, William Carey College's annual prospective student day, will be held November 16 at the school's Hattiesburg campus.

Purpose of the one-day program is to acquaint high school juniors and seniors and junior college students with Carey's campus and its student life and academic programs.

After registration at 8:30 a.m. students will be given a tour of the campus and will have an opportunity to visit classes and discuss financial aid and admission requirements.

Faculty members will be available to discuss students' areas of interest and the program will conclude after lunch, which will be provided by the college.

For more information contact the office of admissions, William Carey College, Hattiesburg, Miss., 39401 or call 582-5051, ext. 210.

## Beauty Pageant set for November 14

The 1984 Hinds Junior College Yearbook Beauty Pageant will be held Wednesday, November 14, in Cain Auditorium at 7:30 p.m. Five beauties will be selected, one of whom will be crowned "Most Beautiful" and featured in the 1984 Eagle yearbook.

Mrs. Anna Bee will serve as director of the pageant and Bob Hodges, yearbook advisor, will serve as assistant director of the event. The Circle K Club will be in charge of the stage decorations for the pageant.

The pageant will be judged strictly on beauty in evening gowns. Any Hinds coed who is interested in participating should stop by Mrs. Bee's of-

fice, located in the Women's Gym or the Public Relations Office in the Student Union Building and fill out an application. All applications must be returned to the Public Relations Office by Monday, November 5.

The first rehearsal for the pageant will be on Sunday, November 10 at 6:00 p.m. in Cain Auditorium on the Raymond campus. Girls who enter the pageant are required to be at all rehearsals prior to the night of the production.

### Information

More information may be obtained by contacting Mrs. Bee in the Women's Gym at extension 3346 or Bob Hodges at extension 3323.

## U.S. Congress sets High Tech Week

The 1984 United States Congress approved September 30 through October 6 as National High Technology Week. The Jackson Campus, Sunset location, of Hinds Junior College District has been dubbed the High Tech Center.

The Jackson Campus is offering five High Tech programs this year: Computer Aided Design Technology, Computer Aided Manufacturing Technology, Electronic Service Technology, Microcomputer Service Technology, and Microcomputer Information Processing Technology.

In accordance with the observance of National High Technology Week the Jackson campus conducted open house on October 3 and 5, from 8:00

a.m. to 3:00 p.m., and October 4 from 8:00 a.m. to 3:00 p.m. and that night from 7:00 to 8:00 p.m. Members of the community, industry and educators were invited to participate in this event.

## Visitation offered on each Friday

Friday visitation at the Hinds Junior College District offers prospective students, their parents, and interested persons the opportunity to meet with Hinds students, faculty, and staff members during an informal tour as they ask questions about the campus or branch of their choice.

Held each Friday during the school year and sponsored by the Office of Recruitment with its student host group, the Hinds Connection, the program shares with visitors an explanation of the quality instruction, educational variety, convenient location, and reasonable cost which are available in the Hinds Junior College District.

Touring visits are available at each of the District's three campuses: Raymond, Utica, and Jackson (Universities Center, Sunset Drive Center, and Nursing Allied Health Center) and at its Branches in Rankin and Vicksburg/Warren counties. For more information contact the Office of Recruitment hotline at 857-3385.

## Sign-to-Voice Workshop held October 29

The interpreter Training Program at the Jackson Campus of Hinds Junior College District announces a Sign-to-Voice Workshop to be held October 29, 1984, at the Woodland Hills Baptist Church fellowship hall from 4-9 p.m.

Marie Griffin, Coordinator of the Southeast Regional Interpreter Training Consortium at the University of Tennessee, Knoxville, will be the workshop consultant. Registration may be paid at the workshop.

Anyone needing additional information may contact Margaret Collier at 366-1405.

**FASHION SHOW**—Yoland Hay, a student at the Vicksburg-Warren County Branch of HJCD, models during the recent fashion show held at the branch. The show was entitled "Fashion Fantasia."

## Staff attended Interpreter's Meeting

Bill Wilson, Assistant Director at the Jackson Campus, and Margaret Collier, Coordinator of the Interpreter Training Program, attended the Southeast Regional Interpreter Trainers' meeting and the Southeast Regional Institute on Deafness in Atlanta, Georgia, October 8-12. Hinds Junior College District is the Mississippi affiliate of the Southeast Regional Interpreter Training Consortium based at the University of Tennessee in Knoxville. Twice a year trainers and administrators meet to share ideas and report on the progress of the pro-

grams.

The Institute is held annually with each state in the southeast region taking its respective turn hosting. It is a meeting of educators and rehabilitation personnel, interpreters, deaf consumers, and people active in all phases of working with the deaf population. The theme of the conference in Atlanta was "Excellence...The Path Chosen". Leaders in the field of deafness from throughout the country participated in the conference leading workshops and speaking, and much information was shared.

In October, 1985, it will be Mississippi's turn to host the Institute in Biloxi. It will be sponsored by the Council of Organizations Serving Deaf Mississippians and the Department of Rehabilitation Services, Division of Vocational Rehabilitation. Margaret represents HJCD on the Council (COSDM), and is serving as its president. Plans are already underway to make this upcoming conference a success in the education and rehabilitation fields as well as in all other areas serving the deaf people of Mississippi and the southeast.

## MINDPOWER Scholarship Planned

The Board of Trustees of State Institutions of Higher Learning has announced plans for the Board of Trustees' 1985 MINDPOWER Scholarship Competition. A \$1,000 scholarship to be used at one of Mississippi's eight public universities will be awarded to the winner of the writing competition.

The second place winner will receive a \$500 scholarship, and a \$250 scholarship will go to the third place winner. All prizes will be forwarded to the public university of the winner's choice.

The writing competition is open to graduating seniors enrolled in public or private Mississippi high schools for the 1984-85 academic session and who plan to attend a public university in Mississippi.

An entry should consist of a 750-1000 word prose essay on the subject "Why I Plan to Attend a University in Mississippi." All entries must be typewritten. The writer's name, school, home address, and telephone number should appear on the cover page.

Entries will be judged according to the following criteria: creative use of the theme "Why I Plan to Attend a University in Mississippi," clarity, coherence, control of language and grammar, originality, reasoning, and the use of relevant evidence. The decision of the judges is final and all entries become the prop-

erty of the Board of Trustees.

Mail entries to: The Board of Trustees of State Institutions of Higher Learning, Post Office Box 2336, Jackson, Mississippi 39225-2336.

The deadline for entries is March 4, 1985. The names of the winners will be announced during the April 1985, meeting of the Board of Trustees.

## Jackson Branch teachers of HJCD attend Fall Conference

On October 12 and 13, Dr. Dell Broadway and Mrs. Inda Milner traveled to Tupelo for the Mississippi Business Education Association Fall Conference. Both teachers are from the Jackson Branch of the Hinds Junior College District.

Dr. Broadway is president elect and attended an Executive Board Meeting on Friday night. She presided at the luncheon meeting on Saturday, October 13. Milner gave two 45 minute presentations of "New Trends in Keyboarding" on October 13.

Dr. Broadway and Milner also attended the Southern

Business Education Association Conference on October 24 through 28. They were accompanied by Dr. Bettye Robinson, Mrs. Millie Lester, Mrs. Anita Messer, Don Milner, and Wayne Lester all of the Jackson branch. This conference is held each October in one of the southern states. The conference was in Hilton Head, South Carolina this year. Dr. Broadway is chairman of one of the sections, and Dr. Bettye Robinson made the presentation during this session. Don and Inda Milner hosted the Mississippi Hospitality Booth on Friday, October 26.

## Miss Mississippi guest at Fashion show Oct. 24

The Vicksburg-Warren County Vo-Tech Branch of the Hinds Junior College District had a fashion show on October 24. The fashion show featured Miss Mississippi Kathy Manning as a special guest. The show was entitled "Fashion Fantasia" and was directed by Joe Loviza.

Area high school students who attended the Fashion Merchandising and Marketing classes at the Vicksburg-Warren County Branch participated. Students were from Vicksburg High School, Warren Central Senior High School and St. Aloysius High School. The fashion show featured clothes and accessories from McRae's department store.

The Fashion Merchandising course is designed to prepare students for employment in a sales or sales-supporting occupation found in a clothing and accessories store. Emphasis is placed on the following areas of classroom instruction: introduction to fashion marketing, basic textiles, coordination of fashion, fashion salesmanship, display design, fashion buying and merchandising, merchandising math,

fashion sales promotion and careers in fashion industry. Students receive actual experience working with fashions by creating fashion displays in the classroom in addition to coordinating fashion sales promotion activities. The marketing class provides instruction in retail sales, and emphasis is placed on "learning-by-doing" in the classroom. Marketing students have the opportunity to simulate the following experiences: working with cash registers, designing and preparing counter and window displays, pricing and marking goods, sales demonstrations and creating layouts for advertisements.

Each student chose their part in the various committee assignments of promotion, decoration and setting, music and choreography, refreshment, invitations, programs, clean-up, security and hostess. The students prepared and had try-outs for modeling, with a panel of judges selecting the top fifteen models. Models were judged on the following criteria: grooming, posture, poise, facial expression and figure.

## PTK initiates members

Students initiated into the Gamma Lambda Chapter of Phi Theta Kappa on the Raymond Campus October 23 are Todd Beasley, Richard Chapman, Roger Clapp, Kyle Cook, Mollie Ferguson, Stacy Gilbert, Yvonne Hardee, Charles Jenkins, Holly Joiner, Lisa Jones, Tim Kornrumpt, Gail Lobue, Susan Maury, Walter Pettway, Shelley Plett, Rusty Scott Rasberry, Sandra Rushing, Melissa Shanafelt, Jana Sharp, Susan Shelby,

Michele Speed, Gary Stephens, Deborah Triplett, Sharon Walters and Karen Wentworth.

Phi Theta Kappa is the national honorary scholastic society for promotion of scholarship, the development of leadership and service, and the cultivation of fellowship.

To join the Gamma Lambda Chapter a student must have a cumulative grade point average of 3.7 or above and be recommended by the faculty.

**MISS MISSISSIPPI**—Kathy Manning, the reigning "Miss Mississippi" and a runner up in the "Miss America Pageant" was a special guest entertainer at the "Fashion Fantasia" at the Vicksburg-Warren County Branch of the HJCD.

## Traffic fines due now

The Campus Police would like to remind all students with outstanding parking tickets to pay them in the Business Office located on the lower level of the Administration Building.

Students with unpaid tickets will not be allowed to register for next semester until the tickets are paid. Transcripts will not be released for students with outstanding tickets.

Admissions and Records will tag all registration packets of students with unpaid tickets and these packets will be held at the registration line until the tickets are paid.

Campus Police suggests all tickets be paid as soon as possible. If you think you have an outstanding ticket check with the Business Office to avoid complications at registration and with transcripts.

**MR. AND MISS HINDS**—Elected in a recent campus election for class favorites were Clint Langley of Prentiss and Lynne Bostick of Brandon were chosen as Mr. and Miss Hinds Junior College.

## Reading Department offers courses to help develop student's skills

Students who need help with spelling skills, vocabulary expansion, faster and more efficient reading, understanding college textbooks, note-taking, test-taking, and improving grades are encouraged to enroll in an appropriate reading course offered by the Hinds Junior College District. Each course is a three semester hour course, and some are transferrable as elective credit at various four-year institutions.

Kimberly Smith, a sophomore from Raymond majoring in history and secondary education, has taken advantage of two of the four courses offered by the reading department:

REA 1213 - Improvement of Reading and REA 1413 - Improvement of Study.

According to Smith after completing these two courses her grades in all courses increased a letter grade. She attributes her improved grades largely to benefits derived from the two reading courses which were aimed at increasing vocabulary, refining general skills needed for college work, and developing study habits for efficient, effective studying.

Smith says the most beneficial study technique she acquired from the study skills course was "periodic review" which has enabled her to take

tests with self confidence and calmness. She also cites other techniques for concentration and memory, test-taking, note-taking, and scheduling time as being especially helpful to her.

Other courses offered by the Reading Department are REA 1103 for the development of improved basic skills in reading, and REA 1213-Speed Reading which emphasizes flexibility, speed, critical thinking, retention, and comprehension.

For further information, call the Reading Department at 857-3309.

## Two Hinds sophomores chosen Mr. and Miss HJC

Campus elections were held December 5 to choose 14 sophomore and 10 freshmen class favorites. The sophomore male and female with the most votes captured the titles of Mr. and Miss Hinds Junior College.

Elected as Mr. Hinds Junior College was Clint Langley of Prentiss. He is the son of Mr. and Mrs. Billy Langley. At Hinds he is a member of the Baptist Student Union and is a photographer for both The Hindsonian and the college yearbook, The Eagle.

After completing his education at Hinds, Langley plans

to attend Ole Miss where he will be majoring in pharmacy.

Elected as Miss Hinds Junior College was Lynne Bostick of Brandon. She is the daughter of Mr. and Mrs. Dexter Bostick. At Hinds she is in the Hinds Connection and is the program chairman for the Baptist Student Union.

When she finishes Hinds she plans to attend the University of Southern Mississippi where she will be a Business Education major.

Other sophomore favorites elected were: Doreen Bryant, (Continued on page 3)

## Delegates from MYC receive superior ratings

Five students from the Hinds Junior College District received superior ratings, were elected to office, and appointed to committees at the 37th Mississippi Youth Congress held in the House and Senate chambers of the New Capitol, November 15-17.

Keith Barnacastle, from Meridian, was elected Democratic Party Leader and appointed to the Rules Committee, Melissa Mohr, of Brandon, was elected Secretary of the Democratic Party, in addition to being appointed to the Rules Committee and the chair position of the Senate Committee.

Judges awarded superior ratings to Gerald Peoples, of Pearl, for speaking on the floor; to Vonda Burke, of Brandon, for debating on the floor; and to Barnacastle for the Bill he presented to the Youth Congress. A bill submitted by Burke was passed by the Youth Congress.

Alternate Vicki Endris, of Canton, was appointed assistant to the Senate clerk and Robert Fox, also of Canton, served as communications assistant to the Senate. The Hinds Junior College District students received more awards than any other junior college attending the Youth Congress.

The Youth Congress is sponsored by the Mississippi Speech Communication Association. Fred Brooks was the faculty sponsor for the HJCD delegates who participated in realistic law-making sessions during the Youth Congress.

## "College Fair" provides senior college recruiters

The Division of Student Affairs and the Counseling Center of the Hinds Junior College District will be sponsoring a "College Fair" on the Raymond Campus on March 27 in the Mayo Field House from 9:00 a.m. until 4:30 p.m.

The "College Fair" will be a day for students to meet and talk with representatives from each college in the state. Each college will set up a booth providing brochures, catalogs and pamphlets to Hinds' students interested in that college. Along with the recruiters there

will be other faculty members from the colleges available to answer questions.

"We feel this will be a very good opportunity for Hinds students to see what is available to them. We'd like to invite and encourage every student to attend," commented Philip Booth, Director of Counseling.

The fair is open to all Hinds students regardless of the number of hours they are taking or their major field of study. No appointment is necessary.

**YOUTH CONGRESS**—Representing the Hinds Junior College District at the 37th Youth Congress in Jackson, November 15-17 were from left, Robert Fox of Canton, Vonda Burke of Brandon, Keith Barnacastle of Meridian, Melissa Mohr of Brandon, Gerald Peoples of Pearl, Vicki Endris of Canton, and sponsor Fred Brooks, speech instructor on the Raymond campus of HJCD.

# Christmas season is big business

Christmas sales, Christmas shopping, Christmas decorating everywhere you look! So, what's wrong with that you might ask? I started seeing all that stuff in **November**. (It began a week before Thanksgiving in some stores.) Everybody talks about how commercialized Christmas has gotten, but no one does anything about it. If we don't slow down this 'Christmas season,' which now begins in early November, soon we'll be entering the 'Christmas season' in July!

Everyone feels the desire to spread joy at Christmas and we've come to associate this with tremendous amounts of gifts. Gifts are great (you'll never catch me turning down one) but there are limits to everything. I can't see the joy of mortgaging your car to buy gifts as a status symbol. What else do you call paying up to \$60 for a doll with a smashed in face? No, "Bah Humbug" is not my philosophy for life. I'm just trying to make a point.

And the point is this, if we had to, we could live without the \$19.95 popcorn popper that also serves as an orange juicer strainer, but there are people in our life that we just wouldn't want to do without. These are the season's best gifts. Enjoy them.

By the way, have a safe and very Merry Christmas!

## Trane Co. donates new equipment

The Trane Co. of Jackson presented the Refrigeration and Air Conditioning Program of the Hinds Junior College District with a completely refurbished 10 ton, open drive, water-cooled condensing unit in late November.

The presentation was made to Dr. Michael J. Rabalais, Vice President for the Raymond campus; Pat Flaherty, Director of Vocational Education for the Raymond campus; Charles F. Williams, Chairman of the Refrigeration and Air Conditioning Department.

The unit was presented with technical manuals so that the unit can be operated and disassembled for 'hands on' training by second year students in the program.

Making the presentation for the Trane Co. were S.L. Caruth, Jr., Bill Kendrick, David Jolly and C.H. Smith.

## VICA selects '84-85 officers

The Vocational Industrial Clubs of America (VICA) for the Rankin Branch of the Hinds Junior College District recently held a meeting and selected their officers for the 1984-85 year.

The VICA officers are: President Terry Fortenberry, Vice President Lee Taylor, Secretary Chanler Aikens, Treasurer Debra Edwards, Parliamentarian Kevin Whittington, and Reporters Mike Roberts and James Friend.

## "Presidential Speaking"

by Clyde Muse

Semester endings at Hinds are fast paced moments of diligent study, fun festivities, and sometimes, reluctant farewells. As the year draws to an end and the Christmas season approaches, I would like to take this opportunity to thank all Hinds Junior College students for making Hinds their first choice. Every student makes a lasting impression and unique contribution to the College, its faculty and staff, and its future.

I hope the Fall semester has been an enlightening and worthwhile experience for each of you. I am very proud of the educational opportunities which the District has to offer. The versatility of our many programs is reflected in the far-reaching talents of our students. I am more proud of the contribution of our students, the success of our students, and the achievement of our students as they continue to pursue their goals at a senior college or establish their careers in the work world.

For those of you who have achieved an Associate Degree or Certificate of Completion this semester, I wish you much

success and look forward to your continued interest and support of the HJCD in our alumni activities.

For those of you who will be returning to Hinds, enjoy your vacation and return refreshed, recharged, and ready to meet the challenges of a new semester. I would like to encourage all students at Hinds to make the most of their college endeavors. In the classroom, be consistent in your dedication to your studies. Outside the classroom, I encourage you to enjoy the varied aspects of student life which are available to you. By joining just one of the many clubs or organizations on campus, you can expand your learning opportunities while enjoying the camaraderie of students who share your same interests.

On behalf of our family, my wife Vashti and I would like to invite the students to an Open House at the President's home on December 12 from 6:00-8:00 p.m. We wish you a Merry Christmas and a happy, healthy, and safe holiday season.

## Two selected All-Region XXIII

Two Hinds Junior College football players have been named All Region for the 1984 season. Kicker Claus Larsen from Denmark and punter Buddy Still from Pearl were the two named.

Statistics for the 1984 football season for Region XXIII which consists of the junior colleges in Mississippi have been released by Bill Ward, Director of Region XXIII.

Hinds finished in fourth place tied with Mississippi Delta and southwest with a 6-4 overall record for the year. Number one Gulf Coast was followed by Jones in second place and Co-Lin in third.

Hinds Bruce Parker was listed in the number ten position for individual scoring leaders with eight touchdowns. Parker was again listed as number five for rushing with 151 carries for

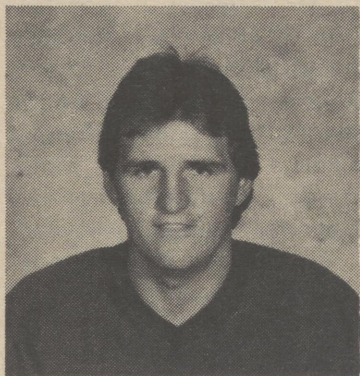

720 yards gained. Hinds quarterback Randy Bechel of Pearl was listed as number 9 in passing with 119 attempts with 50 completed for 659 yards.

Hinds Derrick Newell claimed the 1st place position in individual kickoff returns with 8 for 242 yards. Also in seventh place was Hinds Lovett Dixon with 6 for 151 yards. Punt returns showed Hinds Robert Green in number 10 place

with 15 for 131 yards. Hinds Claus Larsen placed number three in field goals with 10 attempts and completed 6 with his longest being 42 yards. Larsen also captured the number one position for extra points with 25 attempted and 24 completed. Buddy Still placed second in individual punts for 69 attempted for 2,849 yards.

## Men's basketball team now sporting 9-0 record

The Hinds Junior College Eagle Basketball team under the leadership of coach Bob Garrison has been ranked number 12 in the nation in the Top Twenty Junior College teams in the national poll.

The Eagle team is now sporting a 9-0 overall record while they stand 2-0 in conference games. The two conference games the Eagles have won were a 68-59 victory over Jones and a 103-95 victory over Copiah-Lincoln.

Garrison commented, "We have been doing a good job on defense and not doing bad on rebounding this season and we have played a couple of close games such as when we beat Holmes by 2 points in overtime and then we beat Pearl River 2 points in regulation play."

Leading the Eagles in scoring this season is Robert Bendolph from Mobile, Alabama with 165 points for the season. Following Bendolph is Al Ray Lewis from Clinton with 121 points, Alvin Morris of Pearl with 97 points, and Leon Smith from Pontiac, Michigan with 80 points.

The Eagles have scored a total of 726 points this season

while their opponents have scored 611.

Commenting on the national ranking, coach Garrison said, "It always feels good to get a national ranking but the problem is staying there. If our guys keep giving all that they have we hope to maintain our ranking."

The Eagles ended their last season with an overall 19-5 record.

The Lady Eagles have a 1-8 record overall this season and are 0-2 in conference play.

Their only win of the season was a victory over Holmes 76-62. Height and lay-ups are troubling the squad this season with the tallest player being 6'0" Linda Jones.

Even with height being a problem for the Lady Eagles the leading scorer for the team is 5'4" Clinton native, Tamara Haggard with 134 points. Following her is Sharon Smith with 87 points, and Carla Fields with 83 points.

In their last two games the Lady Eagles were defeated by Jones and Copiah-Lincoln. Jones captured a 86-72 win over the Lady Eagles while the Co-Lin Lady Wolves captured a 79-57 win over Hinds.

**LADY EAGLES SCORE**—Sharon Smith makes the goal for the Lady Eagles during the Hinds-Copiah Lincoln game. The Lady Eagles were defeated 79-57. The Lady Eagles are 1-8 for the season.

## Five football players in All-Star Game, Dec. 8

Five Hinds Junior College Eagle football players will be playing on the south team Saturday, December 8, in Tupelo at the Mississippi Junior College All-Star game.

The five chosen from Hinds are Buddy Still of Pearl, Ronald Turner of Vicksburg, Johnny Elmore of Vicksburg, Mike Pitts of Jackson, and Joe Robinson of Jackson.

Buddy Still of Pearl will be punting for the south team and also will be a back-up quarterback. Still, a 6'5" 225 pounder, had 69 punts for the Eagles this season with an average of 41.3 for 2,849 yards. His longest punt was 60 yards. Still was All-Region last year and is All-Region this year as well. Still played football under Coach Doug Merchant while at Pearl.

Ronald "Bernard" Turner played football at Warren Central and he will be playing flankerback in the All-Star game. Hinds coach Bill Buckner remarked, "Turner played for Coach Wright at Warren Central and we recruited him because of his speed and I believe that he has had an outstanding year this season at Hinds." In rushing Turner had 5 for 22 yards for an average of 4.1 with his longest being 31 yards while he caught 16 passes for 310 yards and was credited with 2 touchdowns.

Johnny Elmore, who also comes from Warren Central and played for Coach Wright, will be playing defensive cornerback. Buckner remarked, "Elmore matured a lot this year and he has turned into one of the best cornerbacks in the junior college athletic association."

Mike Pitts, who played for Coach Bobby Barrett, a former Hinds quarterback, at Wingfield High School in Jackson, will be playing as a linebacker for the game. Buckner stated, "Mike is one of the toughest pound for pound players I have ever coached and he has had a good season at Hinds." Pitts was recently selected to the Who's Who In American Junior Colleges.

Joe Robinson played football at Utica AHS under Coach Strong and has been playing fullback at Hinds. He will also be playing in that position in the All-Star game. Buckner remarked, "Robinson is one of the most durable backs in our league and he has never missed a practice or a ballgame during his two years at Hinds." Robinson had 74 rushes this season for 335 yards and his longest run was 28 yards. He had been credited with 5 touchdowns for the season.

Commenting on his Eagle squad this year Buckner remarked, "I believe that we have had one of the finest groups of young men that I have ever had and we are excited about having five chosen for the All-Star game in Tupelo."

Buckner also feels that the Mississippi Junior College All-Star Game is most helpful because the best the junior college's have to offer get to exhibit their talent before hundreds of senior college coaches who are selecting players for their team for next year. "It is a great honor to be selected to the All-Star team and is an honor all junior college athletes desire, commented Buckner."

**ALL-STAR PLAYERS**—Five Hinds Junior College Eagle football players will play in the Mississippi Junior College All-Star football game Saturday, December 8, in Tupelo. The five selected from Hinds are seated from left: Buddy Still of Pearl, Hinds head coach Bill Buckner, and Joseph Robinson of Utica. Standing from left are: Johnny Elmore of Vicksburg, Mike Pitts of Jackson and Ronald Turner of Vicksburg.

## Hinds soccer club places third

The Mississippi Inter-collegiate Soccer Tournament was held this past weekend at Mississippi College in Clinton with the University of Southern Mississippi being the winner in a 2-1 defeat over Ole Miss.

On Saturday, Hinds Junior College defeated Delta State

University 5-3 in 1st round action while Ole Miss defeated Mississippi College 2-0. In the second round of play USM defeated Hinds 3-2 and Ole Miss defeated Mississippi State 2-1.

In the consolation game on Sunday, Hinds defeated

Mississippi State 1-0 while USM took the championship over Ole Miss.

The top three slots were the University of Southern Mississippi in first, the University of Mississippi in second, and Hinds Junior College in third.

## WE'LL HELP GET YOU THE MONEY TO KEEP ON GROWING.

If you're finishing up your first two years of college and you've decided to go on, to complete your education, but you don't know where the money's going to come from, here's a possible solution.

The Army College Fund.

Here's how it works. You qualify to train in a skill you'd like to learn, one that entitles you to the Army College Fund. Then each month you put aside some of your Army salary. Just like a savings account. Except the government matches your savings 5 for 1 or more.

In two years, you could have \$15,200 for college. Your Army Recruiter has a booklet that explains all about Army College Fund.

## ASB Forum

by  
Janice Patti

The holiday season is approaching with the end of the first semester. For the ASB, this has been a productive semester, but we have plans for even a better next semester.

The programming committee is ordering movies that will be shown every other week. The Ms. Hinds pageant and

the Spring Formal will be mid-semester.

The Senate will be reviewing student rules and making proposed changes. We will have student government elections near the end of the semester. Not to mention dances or extras we can have for you.

Good luck on your exams and have a happy holiday.

## Alpha Iota Kappa inducts 13 members

## MGSLA offers millions in guaranteed student loans

"On November 16, 1984, the Mississippi Guarantee Student Loan Agency (MGSLA) surpassed the \$100.5 million mark in guaranteed student loans." That announcement was made by the agency's director, Dr. Jim Flippin, at a news conference in Jackson, Tuesday. The MGSLA was established and placed under the direction of the Board of

Trustees of State Institutions of Higher Learning in April 1981. The staff was employed in September 1981, and the first loan was guaranteed in April 1982.

The Guarantee Agency guarantees loans originated by banks, savings and loan, credit unions, insurance companies, and educational institutions in Mississippi. Lending institutions make loans available to eligible Mississippi students attending postsecondary educational institutions both in Mississippi and out-of-state, as well as students from other states attending colleges in Mississippi. The willingness of lenders in Mississippi to participate in the Guaranteed Student Loan Program allows for most students to secure these loans with their home town lenders. However, should they not be able to secure the loan with a home town lender, statewide lenders and a lender of last resort will provide for their needs.

The Mississippi Guarantee Student Loan Agency provides extensive training for lenders and schools concerning the Guaranteed Student Loan Program. The Agency also provides to lenders, schools, parents, and students several publications concerning the Guaranteed Student Loan Program and other available student financial assistance.

The Mississippi Guarantee Student Loan Agency is currently working with 124 Mississippi lenders, 666 educational institutions nation-

wide, and has guaranteed 46,061 loans for approximately \$100,500,000.00. Providing access to student loans for qualified students who desire to pursue postsecondary education has been the major goal of the Board of Trustees through the Mississippi Guarantee Student Loan Agency. According to Dr. E.E. Thrash, Executive Secretary and Director of the Board of Trustees, "This goal has been accomplished with hard work and cooperation on the part of the lenders in Mississippi as well as educational institutions."

Another key factor contributing to the success of lender participation, according to Flippin, was the creation of the Mississippi Higher Education Assistance Corporation (MHEAC). This private non-profit Corporation was established at the request of the Board of Trustees of State Institutions of Higher Learning. Through the sale of tax exempt revenue bonds the MHEAC can purchase from Mississippi lenders student loans already made by the lenders, thus allowing the lenders to reinvest part or all of this capital back into student loans.

The Board of Trustees operates 14 additional State aid programs which, according to Flippin, provided almost \$3.3 million in various kinds of student financial assistance so far this academic year.

### Commencement set for Dec. 21

The Hinds Junior College District will hold its first fall graduation ceremony December 21, 1984 at 7:00 P.M. in Cain Hall Auditorium. Approximately 110 graduates from all District locations will participate in the commencement exercises which will include the summer, 1984 graduates at the end of the fall semester. The total number of Hinds students who are expected to complete graduation requirements in December is approximately 280.

The guest speaker for the commencement will be Mrs. Sue Brooks, Raymond campus speech instructor, who was named 1984 Distinguished Academic Instructor of the Year.

### Rankin Branch Fashion Show

Marketing students from the Rankin branch of the Hinds Junior College District held a fashion show on December 2. The show was coordinated by Sue Pitts, instructor, and students from her marketing class.

The show was held at the Rankin branch with only marketing students as models. Fashion Plus in Pearl and Gingiss of Metro Center sponsored the show. Entertainment was provided by Mindy Kunz.

The categories modeled were: sporty, casual, business, dressy, and formal. The show was open to the public and approximately 100 people attended. "I was very pleased with the way it turned out. It was a lot of hard work, but we thought it was a success," commented Pitts.

## Father, sons enjoy Hinds education

by Kim Smith

Larry Moss is a sophomore majoring in Commercial Design and Advertising at Hinds Junior College. He is recently retired from the U.S. Army as a sergeant major and also has two sons attending Hinds.

Moss chose HJC to study commercial design and layout because he felt that after examining several other colleges and junior colleges that Hinds offered the best program. He commented, "I think Hinds is an excellent junior college."

Moss has already done some layouts and design work for HJC. He did the layout of the current student handbook cover and is presently designing a new logo for the Hinds marching band.

Moss plans to graduate in May and is confidently looking forward to starting a new career. He is hopeful that he might be employed by the U.S. government.

Moss is an involved student at Hinds. He is presently serving as President of VICA and is also chairman for the Toys for Underprivileged Children which is sponsored by VICA. Moss also serves as a member on the Associated Student Body's Disciplinary Commit-

tee.

Mr. Moss is very familiar with discipline having served for 23 years in the army, 17 of which he was an army recruiter. While in the army he was decorated with the Bronze Star and is also a Vietnam Veteran. Moss retired from the army because of medical reasons.

Besides attending HJC and leaving the army for a new career, Moss spends a lot of time with his family. Moss's wife, Faye, is the Justice Court Clerk in Rankin County. Moss says that Faye deserves a lot of credit for adjusting to his new life and getting him off to school on time.

Mr. Moss also has two sons attending HJC, Danny and Dean. Danny is a freshman majoring in chemical engineering and he plans to attend Mississippi State. Dean is a sophomore and he is also majoring in chemical engineering and plans to finish at MSU. Dean is a transfer student from Mississippi College where he was an All-State football player.

Both Danny and Dean feel good about their father going back to school and are glad that all of them get along like best friends.

The English Department of the Hinds Junior College District sponsored a Communications Workshop held on November 29 on the Raymond campus. Journalism students from Raymond High School and Hinds attended. The students are under the instruction of Retta Porter, English and journalism teacher on the Raymond campus.

The workshop was held in the Reserve Lounge of the Student Union Building. Students interviewed three sets of panelists with the first panel consisting of Walter Saddler,

of WJTV, Marsha Pollock, of WLBT and Randy Bell of WJDX.

The second panel included Michael Rubinstein and Clay Hall of WLBT, Grey Gulfas of WJDX, and Roscoe Nance of The Clarion Ledger.

The third panel was Joe Rogers, of The Clarion Ledger, Deborah Skipper also of The Clarion Ledger, Rae Dillon of Probe on WLBT and Dave Elliot of WJTV.

The panelists answered questions asked by the students and they also offered advice on careers in communications.

## New student senators elected

Thirteen freshmen and fifteen sophomores were selected to serve on the Senate for Hinds Junior College. The Senate will review and recommend amendments to student rules and regulations. These recommendations will be presented in bill form to the college administration.

The Senate will also make decisions on election rules, ASB budgets, and other matters as requested. A workshop will be given at the beginning of the Spring Semester to teach Senate procedures.

The sophomores elected to the Senate are: Ken Anderson of Lake, Cindy Black of Jackson, Alice Ellis of Yazoo, Robert Grant of Jackson, Renee Hilton of Mendenhall, Richard Hitt of Raymond, Calvin Lawson of Raymond,

John Lopea of West Palm Beach, Florida, Curtis May of Mendenhall, Gerald Peoples of Pearl, Walter Pettway of Vicksburg, Steve Shuttleworth of Raymond, Kim Smith of Terry, Douglas Watson of Bolton, and Dennis Wilson of Meridian.

The freshmen elected to the Senate are: Angela Carpenter of Ocean Springs, Jamie Cox

of Terry, Bryan Green of Minter County, Tammy Inman of Clinton, Dan Magee of Magee, Candace McDowell of Ocean Springs, Ralph Miller of Vicksburg, Donna Normand of Vicksburg, Ken Oates of Jackson, Noel Quick of Collins, Jimmy Smith of Richland, Lisa Uzzle of Jackson, and Kathy Smith of Clinton.

## HJC offers different type scholarships

Now is the time for students to apply for scholarships within the Hinds Junior College District. We offer several different types of scholarships.

ACT Scholarships are awarded to students based on their composite ACT score. Students scoring 29 or above are eligible for full Presidential Scholarships, which will cover tuition, room and board. Dean's Scholarships are awarded to students scoring 25-28. These scholarships will cover the cost of tuition. Scholarships are available to first-time entering full-time students who complete all requirements, and are enrolled at any location within the

district. All ACT Scholarships are awarded on a first-come first-serve basis, therefore, interested students should apply now. These scholarships can be retained for two years.

Development Foundation Scholarships are awarded each year to students based on classroom excellence, involvement in extra-curricular activities, financial need, desire for achievement, and letters of recommendation. Some of the scholarships are awarded to students majoring in a specific area or at a specific location. These scholarships can also be retained for two years.

Other-race scholarships are available to students attending the Utica Campus. Students

interested should contact Johnny Crisler, Dean of Students, Utica Campus, Utica, MS 39175, or call 885-6062.

Students interested in band, athletic, or nursing scholarships should contact the director of the appropriate department.

We have enclosed several Scholarship Applications and information sheets. Should you need additional information or applications, contact the Office of Development, Hinds Junior College District, Raymond, MS 39154, or call 857-3385.

We would certainly appreciate your sharing this information with your students.

## Dedication of McKenzie Arena set; marks completion of Phase I project

Dedication of the McKenzie Arena in the Hinds Junior College District is set for February 10, 1985 at 2 p.m. The community and interested persons are invited to attend.

The opening of the facility marks the completion of Phase I of the \$2.6 million Agricultural Complex located on Seven Springs Road two miles from the Raymond Campus.

The Arena, with a seating capacity of 300, also houses the farm management classroom area for the agricultural department at Hinds which has an enrollment of approximately 140 students.

In addition, the facility will be the site of the sale arena for the District's Bull Testing Program as well as programs planned by agricultural groups such as Future Farmers of America, Mississippi Cattlemen's Association, Hinds County 4-H Clubs, Breed Association and the Soil Conservation Service.

The Arena is named in honor of W.M. McKenzie, who is charge of the Hinds Junior College agricultural department from 1930 until his retirement in 1966.

The Hinds Junior College Hi-Steppers and Stage Band will perform at the dedication of the Arena.

For more information, contact Thad Owens, chairman of the agricultural department, at 857-3334.

## College Representatives scheduled for College Fair

by Jimmy Smith

A "College Fair" will be held on the Raymond Campus in the Mayo Field House on March 27 from 9:00 a.m. until 4:30 p.m. The event will be sponsored by the Division of Student Affairs and the Counseling Center of the Hinds Junior College District.

Each major college in the state will be represented at the event. The "College Fair" is a chance for students to meet and talk with representatives from each school. The represented schools will each have a booth set up and will provide students with brochures, pamphlets, catalogs, and applications for financial aid and housing.

There will also be faculty members of each college present to answer any questions students may have. It could be very beneficial to have personal contacts for guidance at

the college a student selects.

Mr. Phillip Booth, Director of Counseling had this to say about the "College Fair", "We'd like the students to come out and take advantage of this opportunity. The senior colleges are very interested in our students".

The fair is open to all Hinds Junior College students, regardless of the number of hours they are taking or their major field of study. The fair could be very beneficial to a student's future, especially sophomores. This could be a key opportunity to get a lot of questions about transferring answered. The "Fair" could also provide insight for freshmen on what type of classes they should be taking currently. There is no appointment necessary. Feel free to attend anytime between the designated times.

## "The American Dame" will run Feb. 26 - March 2

The Lendon Players will perform "The American Dame" in the Little Theatre on the Raymond Campus. The play will open February 26 at 7 p.m. and run through March 2.

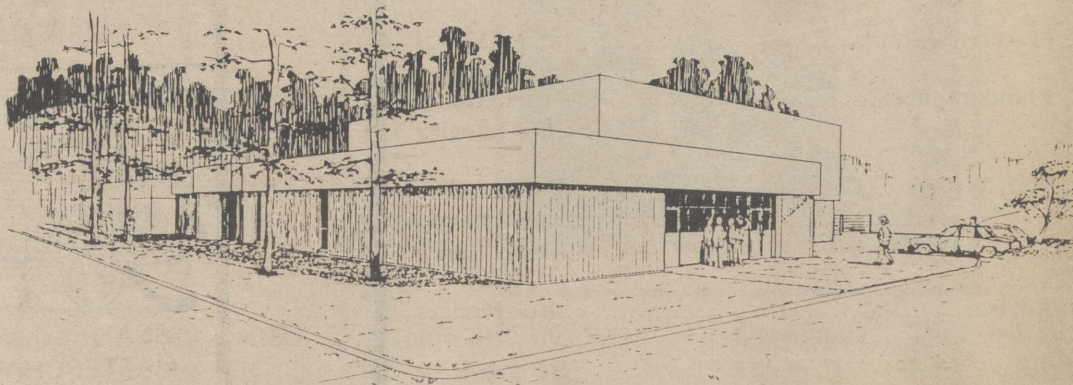

Auditions were held January 14 and the cast members are Terri Edler of Jackson, Jay Ivey of Pearl, Stephanie Lehw of Clinton, John Myers of Flowood, David Newman of Jackson, Laura Tullos of Brandon, Melissa Wade of Brandon, and Nancy Wade of Brandon.

"The American Dame" is a

different type of theatre for the Lendon Players. It's actually a play-out. There are no props or costume changes. The actors will assume many different characters during the play by using simple costumes.

"The American Dame" is a humorous look at the role of women from Adam and Eve to the present. It illustrates how women have handled men and vice versa throughout time.

Ticket information is available in the Speech and Theatre Department on the Raymond Campus by calling 857-3266.

**ARENA DEDICATION**—The new McKenzie Arena, named in honor of former agriculture instructor W.M. McKenzie will be dedicated February 10, at 2:00 p.m. The structure is located off Seven Springs Road.

## Editorial...

## First semester gone, so were the grades...

Haven't we met somewhere before? In an algebra class last semester maybe? Ah, yes, here we are again, back at the old grindstone. This is the time for all good (and not so good) students to improve their GPA's.

After 3 weeks of freedom we're back to class. And I just wanted to take this time to remind everyone to really get on those grades. Sure, it's cold outside, but get up and get to class anyway. Think of it as an adventure. What's more adventurous than walking a mile to class in seven degree weather? At least we'll have a hard luck story to tell our kids!

It's a new beginning, a reawakening! OK, maybe not that great, but at least we'll get another chance to make Mom and Dad happy. So start now and hit the books.

Before we know it, spring will be here and so will finals. So to avoid the 36 hour exam-cram, start now and make life easier later on!

## Portrait Service comes to Raymond Campus

Dean Sanders from Dean's Computer Portrait Service located in McComb appeared on the Hinds Junior College Raymond Campus for the first time.

The Computer Portraits were taken January 22-25 in the Bookstore of the Student Union Building. There were wall hangings for \$6.00, personalized hangings are \$1.00 extra and T-shirts are \$9.00.

There were ten different wall hangings to choose from with different popular quotes.

This event will be carried on an extra week if deemed necessary. Sanders travels to colleges, malls, and fairs selling these items. When talking about his job he said, "I love this job because I get a chance to meet a lot of people and I love working with kids."

## ASB Forum

by  
Janice Patti

Welcome back to a new semester. We have quite a few things planned for you. The Associated Student Body published a calendar of activities that was handed out during registration. If you did not get a calendar, you can pick up a copy in the Student Union Building, rooms 215 or 207. Not all events could be posted on the calendar, so you will need to watch for them on the electronic blinking sign, posted around campus, and in the Hindsonian.

The Films Programming Committee has scheduled movies that will be shown every other Tuesday in the Fine Arts Building, room 165 at 1:00 and 7:00. Admission is 50 cents. The movies to be shown are **Caddyshack** on February 5; **Flashdance** on February 19; **Terms of Endearment** on March 5; **Trading Places** on March 19; **Against All Odds** on April 12; **First Blood** on April 16; **Karate Kid** on April 30 and **Stripes** on May 7. If any organization would like to raise money by selling cokes and/or popcorn, please contact me in the SUB 215, 857-3388.

### ASB Committee chooses movies

At the beginning of the 1985 spring semester the Raymond Campus will have movies available for the students. The movies will be shown every other Tuesday in the Fine Arts Building, room 165. The admission will be 50 cents and showtimes are at 1:00 p.m. and again at 7:00 p.m.

The showing of the movies were coordinated by Janice Patti, President of the ASB, and the ASB Programming Committee. Special thanks to them for offering the students a new form of entertainment.

The movies were selected at random by students here at Hinds. The Film Committee considered 60 movies. Of these 60 the students at Raymond choose the top 10. These movies will be shown during the semester. The movies are not only popular but are also economical at 50 cents a show. "I'm open to all suggestions and ideas from the students here at Hinds on the upcoming shows," commented Patti.

I would like to compliment the cafeteria on the new decor. The surroundings influence attitude many times. If you have any comments or suggestions, they are welcomed by Debbie Hopper. Her office is in the foyer of the cafeteria. Reservations are now being taken for couples to eat a Valentine's supper in the Raymond Room.

I hope this will be a wonderful semester for you. If there is anything I can help you with, please don't hesitate to call on me - 857-3388.

### VALENTINE DINNER

The Raymond Room will be available for dinner reservations on February 14. To reserve your table, call 857-3305 by February 13. Please bring meal ticket or \$3.50 with you.

**ADVERTISING SCHOLARSHIPS PRESENTED**—Freshman Matt Greger of Natchez and sophomore Robin Lee of North Jackson received full scholarships from the Greater Jackson Ad Club, and the Mississippi Association of Advertising. Greger and Lee are Commercial Design and Advertising majors on the Raymond Campus. They are pictured with Zandra Gray, Coordinator of Alumni Services and Development, far left, and Mike Hataway, Chairman of Commercial Design and Advertising, far right. The scholarships were presented by Jake Smith, president of the Greater Jackson Ad Club and Gene Clark, secretary-treasury of the Mississippi Association of Advertising.

## "Mess America" Pageant February 12

by Patryce Allen

The Hinds Connection on the Raymond Campus of the Hinds Junior College District will sponsor the 1985 Mess America Pageant. The pageant will be held on Tuesday, February 12, at 6:00 p.m. in Cain Hall.

The pageant consists of approximately ten to twelve male contestants who will be judged on poise, talent, physical appearance and audience approval. The judges for this spectacular event are well qualified members of the Hinds faculty and staff on the

Raymond Campus.

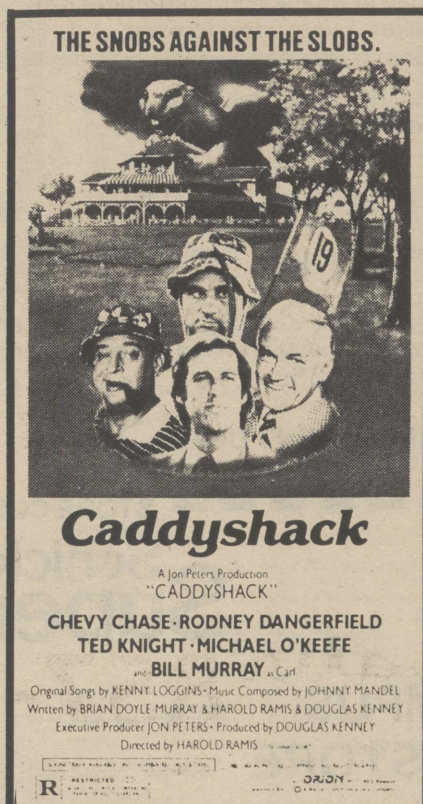

Each contestant must meet the following qualifications: be a Hinds student, be a male, be sponsored by a Hinds club or organization, return application to the Development Office by 4:00 p.m. Friday, February 1 (the applications are available in the Development Office), furnish own evening gown and other outfits, provide own make-up, hair styles, provide a one minute talent presentation (the contestant does not have to have real God-given talent),

attend preliminary practice on February 11 at 3:30 in Cain Auditorium. Any contestant who does not come to the rehearsal will be disqualified.

We encourage you to get involved in this "beauty and talent" pageant. For more information contact any Hinds Connection member or Jackie Granberry at 857-3385, or Alice Walker at 857-3392.

Admission to this once in a lifetime event will be 50 cents. Mess America Pageant will truly be one mess you will not want to miss.

## Lester Walls joins HJC

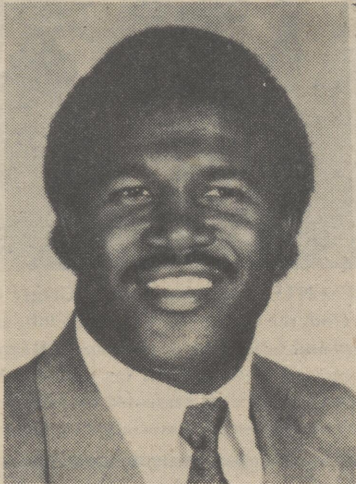

Lester Walls of Jackson is joining the football coaching staff at Hinds Junior College as a defensive back coach announced Hinds head coach Bill Buckner.

Walls was most recently employed by the Jackson Public Schools as a teacher-coach where he had been coaching football, basketball, and track at Whitten Junior High School. In 1980 he served as a substitute teacher for the school system becoming a full time coach and teacher in 1981.

Walls attended Madison-Ridgeland High School where he graduated in 1975. He then attended Jackson State University where he received his B.A., in Industrial Arts and maintained a 3.6. G.P.A. and continued on there to receive his M.A., in Industrial Arts and maintained a 3.8 G.P.A. while obtaining this degree. From 1979 through 1981 he attended Colorado State University where he received a diploma in Institute of Biblical Studies.

His honors and awards include being named top senior in football, basketball, and track at Madison-Ridgeland High School; received the Ben Magee Award for Outstanding Academic Achievement; named Who's Who in American Colleges and Universities; named to the All SWAC first team in 1979-80; represented the Jackson State football team on the first SWAC football

press tour in 1979; played in the Black College All Star Bowl in 1980; and he signed to play football with the Oakland Raiders in 1980 but due to a knee problem he returned to Mississippi.

He has served as a member of Jackson State University's Sports Hall of Fame committee; served as president of Campus Crusade for Christ; president of Fellowship of Christian Athletes; and presently serves as Sunday School teacher and a frequent speaker at religious organizations, local churches, and colleges.

Commenting on Walls, Bill Buckner remarked, "I know that Lester is going to be a good addition to our coaching staff at Hinds and with his accomplishments in both athletics and academics he will help guide our players to become better all round people."

## New tennis coach certified

Dr. Cleon McKnight, chemistry instructor and the new tennis coach at Hinds Junior College, has been certified as an active member of the United States Professional Tennis Association, the world's largest and oldest association of tennis teaching professionals.

Certification of Dr. McKnight came after an intensive testing procedure, which included a 4-hour written exam, successfully giving a private and group lesson and demonstrating stroke execution and diagnosis.

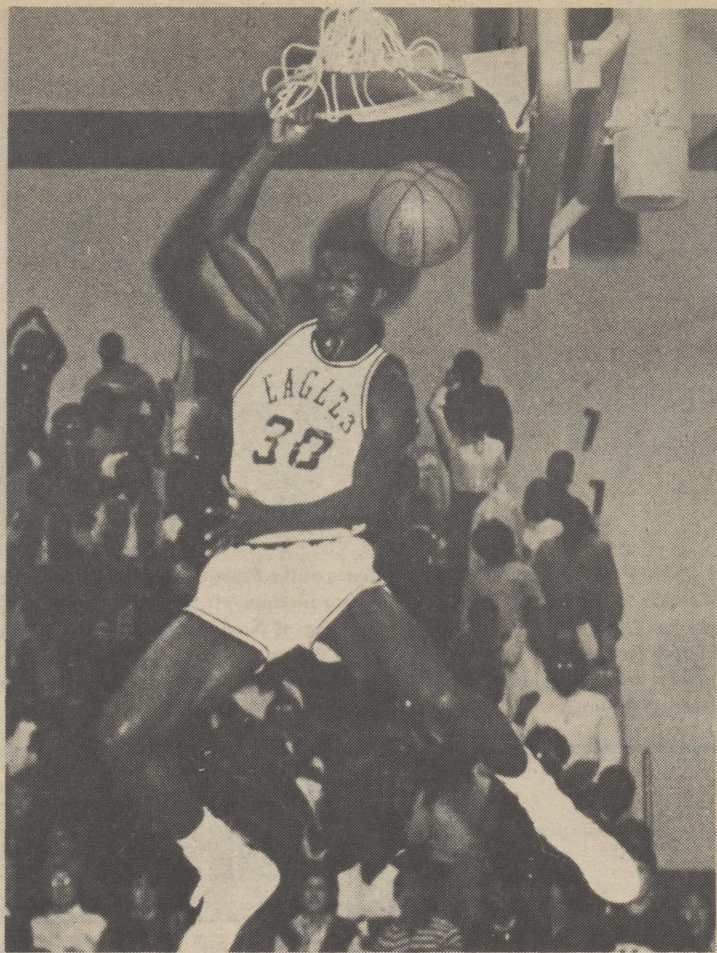

According to the USPTA's Executive Director, Tim Heckler, this procedure serves as an assurance of quality teaching for any prospective tennis student.

"It is important that the student knows that his or her tennis pro has the proper teaching credentials. And belonging to the USPTA is one way that professionals can prove that they are qualified to teach tennis," Heckler said.

The USPTA, which was founded in 1927, currently has more than 3,600 members nationwide and throughout the world.

Dr. McKnight

**LEWIS SHOTS**—Eagle basketball player Al Ray Lewis adds points to the Hinds board during the Utica game. Lewis is second in scoring for the Eagles with 263 total points and a 16.4 average.

## Bendolph, Lewis take lead

The Hinds Junior College Eagle basketball team keeps improving their record week after week and now have a 16-0 record. The Lady Eagles now have a 5-11 overall record for the season.

Last week after the Eagles defeated the Utica Bulldogs 71-65 they traveled to Newton to play Clarke College where they won 81-86.

In basketball action this week the Eagles traveled to East Central where they defeated the Warriors 75-66. Scoring for the Eagles were: Alvin Morris, 14; Lawson Veal, 12; Bert Wilkinson, 7; Al Ray Lewis, 15; and Robert Bendolph, 27.

The Eagles have two home games next week when they host Pearl River Junior College on Monday, January 28, at 8:00 p.m. and on Thursday they will host Jones Junior College.

The Lady Eagles have taken two wins in the past week. One when Meridian had to forfeit a game and the other when they defeated Clarke College 73-62.

The Lady Eagles were defeated by East Central 90-83 putting them at their present 5-11 record. Scoring for the Lady Eagles were: Gail Lobue, 10; Carla Fields, 2; Mina Conlee, 4; Sharon Smith, 12; Tamara Haggard, 20; Tracey Parker, 31; Ginny Douglas, 3; and Pauline Rule, 1.

The Lady Eagles will play Pearl River, Monday, January 28, at Raymond at 6:30 p.m. and Jones on Thursday at 6:30 p.m.

Before a packed crowd of 3200 people the Hinds Junior College Eagles improved their record to 14-0 overall for the season as they defeated the Utica Bulldogs 71-65.

The Eagles, under the leadership of Coach Bob Garrison, also are ranked number 8 in the nation and are 5-0 in their division of junior college

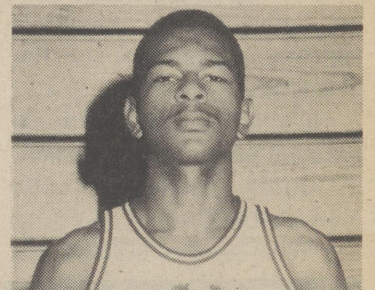

play in Mississippi.

Utica took a seven-point lead 18-11 during the first nine minutes of the game, Garrison called a timeout and the squad regrouped and came back. The final minute before halftime, Hinds' Alvin Morris scored off a steal which put the Eagles ahead 29-28 for the first time since the opening minute and the Eagles ended the first half with a 31-30 lead.

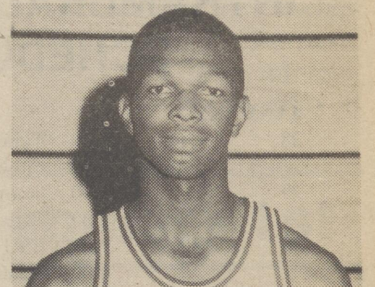

With 7:21 to go in the game the Eagles kept their heads and gradually drew away once more as the Bulldogs had narrowed the lead 57-54 with the Eagles still leading.

Coach Garrison felt that going man-to-man was vital to his team's comeback and he continued, "We didn't do that bad in the zone defensively. Where Utica was getting us was in the transition game, getting those fast break layups."

Robert Bendolph and Al Ray Lewis had 21 apiece to lead the scoring for Hinds while Alvin Morris added 13 and Leon Smith 12. Bendolph is the leading scorer for the Eagles with 270 points with a 19.3 average and following him is Lewis with 216 total for a 15.4 average.

Robert Bendolph; 318 points

Al Ray Lewis; 263 points

## HJC cafeteria has new overall decor

by Cleo Huval

The Hinds Junior College cafeteria has something else to offer besides just food, and that is good looks. After the food survey, changes in the whole atmosphere have been made. Among the results are new carpeting, new tile, new salad bar, and also a new beverage condiment. We can also look ahead for new tables, chairs, and new dishes.

We can thank Mr. Henderson, Vice-President of Fiscal Plant and Auxiliary Services and also Mr. Wasson, Director of Auxiliary Services, for a

joint effort with Valley Food.

For February, Cafeteria Director Debbie Hopper has planned special events to celebrate all these good looks. February 5 will be the Birthday Party where birthday cake will be served in the lunchroom. On the 14th there will be a Valentine's Steak Dinner served. On the 19th for those who miss Mardi Gras, a Mardi Gras Party will happen in the cafeteria. For the early birds of HJC a Strawberry Breakfast will be offered on the 27th. Don't miss it!

**NURSING GRADUATES**—1984 graduates of the Practical Nursing Program at the Vicksburg-Warren County Branch of the Hinds Junior College District are, front row from left, Arthurine Moore of Yazoo City, Lois Cockrell of Rolling Fork, Janorice Linear of Vicksburg, Lynn Whitten of New Hebron, Rose Watt of Vicksburg, Thelma Pettis of Benton, Deborah Holloway of Valley Park, Tamara Woods of Satartia and Betty Hannon of Vicksburg. Pictured in the second row from left are Julia Warren of Vicksburg; Alice Clark of Edwards, Virginia Rebert and Lorraine Boyd of Vicksburg, Janice Saxton of Rolling Fork, and Doris Howard and Darlene Carson of Vicksburg.

## Vicksburg Branch DECA involved in Dec. activities

Students from the Vicksburg-Warren County Branch of the Hinds Junior College District were involved in several activities during December, 1984.

The DECA Club sponsored a breakfast for all co-op students and their employers. Guest speaker was Pam Mayfield, owner of "The Hub". Approximately 85 people attended the breakfast which was catered at the Vo-tech Center.

Members of the Vocational Rehabilitation for the handicapped classes at the Vicksburg-Warren County Vo-tech Center constructed a

float for the Chamber of Commerce for the 1984 Christmas parade. The tugboat, Belle of Vicksburg, featured a Christmas tree and lights for the occasion.

Students attending the Welding class at the Vicksburg-Warren County Vo-tech Center completed an equipment trailer for the Warren County Recreation Department.

Students involved in the project were Ken Bufkin, Johnny Davis, Victor Hoofman, Mark Long, Kerry Ogerty, Mike Patterson, and Mike Traxler. They were instructed by Ray Renfro.

## Income Tax season approaches; Which form should you use?

With more and more college students working there comes another important lesson you must learn. You will be doing this at least once a year for the rest of your life and chances are you will never ever get it correct the first time through, Federal Income Tax Returns.

When taxpayers file their Federal Income Tax Returns this year, they can choose from three different forms depending upon their circumstances, the Internal Revenue Service says. Single taxpayers without any dependents, who do not itemize their deductions, whose taxable income of less than \$50,000 a year is from wages, salaries, tips, and interest income of not over \$400 with no All-Savers interest, and who do not claim any tax credits, may be able to use the

Form 1040EZ. When filing a Form 1040EZ, a taxpayer can claim the charitable contribution for being age 65 or older, or for blindness, and those with dividend income, cannot use the Form 1040EZ.

Taxpayers who cannot use the Form 1040EZ because they have income from dividends or unemployment compensation, in addition to wages, salaries, and tips, or whose interest income exceeds \$400, may be able to use the Form 1040A. When using the Form 1040A, taxpayers can also claim the credit for child and dependent care expenses, the partial credit for political contributions, and the earned income credit and take a deduction for payments to an IRA, the deduction for a married couple when both work, and the partial deduction for

charitable contributions.

Of course, some taxpayers may not be able to use a Form 1040EZ or Form 1040A because of the amount or kind of income received, their filing status, the need to file certain additional forms and/or schedules, or the need to pay other taxes that can only be shown on a Form 1040. In addition, taxpayers may choose the Form 1040 because they may want to claim itemized deductions, adjustments to income, or credits that cannot be taken when using the Form 1040EZ or Form 1040A.

Taxpayers generally receive the tax package which meets the needs of the form they filed in the previous year. Additional forms and schedules are available from local IRS offices and in many local banks and post offices. Many

## Hinds Circle K sponsors blood drive February 13, & roadblock February 20

Hinds Circle K will sponsor a blood drive on the Raymond Campus, Wednesday, February 13, from 8:00 a.m. until 3:00 p.m. in Room 209 of the Student Union Building.

Circle K is working with United Blood Service this semester for the drive. United Blood Service is a community blood center open 24 hours a day, seven days a week and provides and delivers blood products, including platelets to satisfy local hospital needs.

United Blood Services supplies products to 60 hospitals ranging from the Tennessee border to the Mississippi Gulf Coast.

"It only takes 34 minutes to give blood and it is best that you have eaten a meal before giving. If a person has given recently they should not give again for at least eight weeks," stated Circle K President Ken Anderson.

Circle K will also be holding a roadblock for the Mississippi Heart Association on Wednesday, February 20.

The roadblock will be held at the 4-way stop announced Circle K President, Ken

Anderson. Anderson commented, "This is one of the most important projects that Circle K conducts each year and the college and the Town of Raymond have made it very successful each year."

## Development Foundation Scholarships

Development Foundation Scholarships are awarded each year to students based on classroom excellence, involvement in extra-curricular activities, financial need, desire for achievement, and letters for recommendation.

Some of these scholarships are awarded to students majoring in a specific area or a specific location. Most of these scholarships will cover the cost of tuition only. However, two special scholarships, the George M. McLendon Leadership Scholarship and the H.R. Kilby Business Scholarship are full scholarships covering tuition, room and board. These scholarships can be retained for two years.

Other-race scholarships are available to students attending the Utica Campus. Students interested should contact Johnny Crisler, Dean of Students, Utica Campus, Utica, MS or call 885-6062.

Application for Development Foundation Scholarships are available in the Development Office of the Raymond Campus. For more information call Jackie Granberry at 857-3385.

## Marion Brown exhibit Feb. 25 — March 29

by Sonet Womack

The Hinds Junior College District will host photographer Marion L. Brown in the Marie Hull Gallery on February 25 through March 29. Gallery hours are: Monday - Thursday, 8:00 a.m. - 3:00 p.m. and Friday at 8:00 a.m. - 12:00 noon.

Brown is well known around the South for his talents. His past works include a one-man exhibit at Mississippi Museum of Art, solo exhibits at Mississippi State University, photographs exhibited at Jackson Municipal Gallery, a solo exhibit at Yazoo Arts Association, ma-

jor solo exhibit at the Fine Arts Museum of the South in Mobile, Alabama, and selected photographs at Gallery II West, St. George, Utah, and several other well known museums and galleries.

Brown has participated in several workshops and received several awards for his talents. He has two publications, a technical book: **Fertilizer Formulation Manual**, (1976), and he has published twelve technical papers on chemistry and engineering. He has two books in preparation, **The Sense of Light** and a book on creativity (as applied to science and all fields).

## Alpha Rho Tau conducts trip to Chicago, Mar. 27

The Alpha Rho Tau Chapter of the Hinds Junior College District is offering a trip to the Chicago Art Institute. Applications are available in Bob Dunaway's office, located in the Fine Arts Building, room 175. The Applications must be turned in by February 28.

A tour bus will depart Raymond at 10 p.m. on March 27. It will arrive in St. Louis on March 28. There the passengers will have breakfast and visit the famous St. Louis "Arch". They will arrive in Chicago at about 5 p.m. and check into a selected hotel. On March 29 and 30 there will be a visit to the Chicago Art Institute, the Museum of Natural Science, the Sea-Quarium and other landmarks within walking distance of the hotel. The group will depart Chicago at 6 a.m. on March 31 and go to Springfield, Illinois to visit Lincoln's home and Lincoln's tomb.

Groups are welcome. Anyone sponsoring a group of ten or more may deduct \$100 from the cost of the trip. Anyone sponsoring a group will be fully responsible for the conduct of the individuals in the group. All persons 12 years to high school sophomores must be accompanied by parent.

The initial cost will include transportation and three nights in the hotel. For four persons to a room the individual cost will be \$170.00, for three persons to a room the individual cost will be \$166.00, and two persons to a room the individual cost will be \$195.00.

The deadline for turning in the applications is February 28. In the event that the trip

quota is filled at that time, refunds will be made no later than March 15. If you cancel after February 28 only refunds for the hotel accommodations will be made.

Reservation forms along with the check for the trip can be mailed to Bob Dunaway, Box 459 HJC, Raymond, MS 39154. For further information call Bob Dunaway at 857-3274.

## HJC Students work with Outward Bound

Students from the Hinds Junior College District, Division of Associate Degree Nursing, have the opportunity to spend one rotation of clinical rotation in psychiatric nursing at Outward Bound. Outward Bound is a partial hospitalization program for mental health clients in Region 8 serving Rankin, Simpson, and Madison counties.

Outward Bound offers services to chronically mentally ill people that are psychotic or need hospitalization. In the recent past, most of these people would have been patients at the State Hospital in Whitfield.

Outward Bound offers them a facility in which to learn new coping skills and socially appropriate behaviors for living in today's world.

Pat Conway, the director, her staff and Hinds students counsel Outward Bound clients on medications, stress management, crisis intervention, money management and a variety of topics needed for day to day living.

## College Fair scheduled March 27th

The Division of Student Affairs will sponsor a "College Fair" on the Raymond Campus on March 27. It will be held in Mayo Field House from 9:00 a.m. until 4:30 p.m.

The colleges along with the number of representatives (if available) are as follows: Alcorn State, Blue Mountain, Delta State University, three to five representatives, Jackson State, Millsaps College, two representatives, Mississippi College four representatives, Mississippi State University, seven representatives, Mississippi University for Women, Mississippi Valley State University, 1 representative, Tougaloo College, University of Mississippi, eight representatives, and there are possibilities of other colleges being added to this list.

Dr. Phillip Booth, Director of Counseling, would like to stress the importance of students attending this fair. "Hinds is primarily a beginning for students on their way to senior colleges, and we feel this is a wonderful opportunity for Hinds students to see what is available to them," commented Booth.

The representatives will be available for discussion with students. Students will also be able to attain and fill out any necessary forms. Information about transferring will also be available. The fair is open to all Hinds students.

## Deadline for Writers, Inc. articles, Mar. 1

Writers, Inc., the Raymond Campus literary magazine, is accepting poems, stories and essays for the 1984-85 issue. The deadline for entering your literary efforts is March 1.

Raymond Campus students are encouraged to try out for this magazine, by turning their work in to Mrs. Retta Porter in the English Department. Publication is expected by the end of the spring semester.

**MESS HINDS** - Alan Melichar (Alanette) was crowned the new Mess Hinds by college President Dr. Clyde Muse. Melichar competed against other contestants to capture the title. The pageant was sponsored by the Hinds Connection.

## Alan Melichar crowned 'Mess Hinds J.C. 1985'

by Patryce Allen

To help celebrate Valentine's, the Connection group of the Hinds Junior College District, Raymond Campus sponsored a "Mess America Pageant" held on February 12 at Cain Hall Auditorium.

The pageant consisted of eight male contestants: Andy Graham (FCA), John McDonald (Lendon Players), Alan Melichar (Band), Lesley Reeves (Choir), Todd Sandifer (BSU), John Ward (MLT Club), Douglas Watson (Wesley Foundation), and Phillip Whitehead (Soccer).

Alan Melichar (Alanette) this year's winning "Mess America 85" 6'3" (height) freshman from Forest High School was rewarded with a crown, dinner for two and a sports car. Alan's comment was to act like he enjoyed it.

Second Runner-Up, Lesley Reeves received several designer outfits with 3 (third) runners up Andy Graham and Phillip Recieving a free hair and make over.

The Master of Ceremonies for this spectacular event was Mr. Cliff Nelson, along with six well qualified judges who are members of the Hinds faculty and staff on the Raymond Campus. They were Mrs. Anna Bee, Mr. Bob Dunaway, Mrs. Colleen Hartfield, Mr. John Manchester, Mrs. Vashti Muse, and Mr. Tom Shepherd.

Jackie Granberry (sponsor) thinks that the most exciting event was the contestants' talents, and she enjoyed working with each contestant.

Granberry's advice to any male wanting to participate in next year's pageant is to "Get with it!"

## Governor Allain's press secretary addresses PTK

Jo Ann Klein, press secretary to Governor Bill Allain, will be the keynote speaker at the March 5 initiation of new members into the Gamma Lambda chapter of Phi Theta Kappa. The ceremony will be held in Cain Hall Auditorium at 7 P.M.

Miss Klein's talk will center on her experiences, good and bad, along the road to her political success; experiences which will serve to illustrate to the students her belief that success doesn't necessarily come easily, and that people should not let setbacks keep them from realizing their goals.

Miss Klein is a journalist and covered politics and state government for the Clarion Ledger before going into politics.

Following the 1983 Governor's race in which she worked as a publicist, she became the first woman in the state's history named to direct the Governor's transition office. Prior to joining Governor Allain's campaign, she was press secretary to Mississippi's Fourth District Congressman Wayne Dowdy in Washington, and worked in his 1981 and 1982 campaigns. In 1980 she was named the first salaried, full-time executive director of the Mississippi Democratic Party.

A native of Hattiesburg,

Klein holds a bachelor's degree in journalism and political science and a master's degree in communication from the University of Southern Mississippi. She is currently enrolled in a doctoral program in higher education at the University of Mississippi.

Approximately 50 students from the Raymond Campus will be inducted in the March 5th ceremony.

**JO ANN KLEIN**

Phi Theta Kappa is a scholastic honorary society whose purpose is to recognize and encourage scholarship among students in American community and junior colleges.

Qualifications for membership in the Hinds Junior College District Gamma Lambda Chapter are to maintain a 3.7 grade point average; have good moral standing; have accumulated a minimum of 12 semester hours; and have teacher recommendations.

Sponsors of the Raymond Campus Chapter of PTK are W.G. Hairston and Sandra Boyd.

## MSU Engineering Reps. on Campus, March 6

Dr. Walter Carnes, Associate Dean of the Engineering School at Mississippi State University and Mike Matthews, Assistant Director of Cooperative Education at Mississippi State University will be on the Raymond Campus on Wednesday, March 6 to meet with Hinds Junior College District students who plan to transfer to Mississippi State University and major in Engineering and/or participate in the Cooperative Education Program at MSU.

They will be in the Reserve

Lounge of the Student Union Building from 10:00 until 1:00 on this day. All faculty who teach pre-engineering courses are invited to come by to visit with Dr. Carnes and Mr. Matthews.

Also, please let other students know of this meeting. The purpose of this visit is to answer any questions the students may have regarding transferring in Pre-Engineering. Refreshments will be served. This meeting is being sponsored by the Office of Cooperative Education and Placement.

## "Presidential Speaking"

by Clyde Muse

Student life at Hinds Junior College has seen some exciting times this year. I am very pleased with the progress Dr. Barbara Blankenship, director of public relations and student life, has made in expanding the role of student input in campus activities. She is also working in cooperation with Dean of Students Dr. E.R. Wall and vice presidents Rabalais and Puckett.

Last Fall, I had the opportunity to meet with 30 students who expressed their pride in Hinds. At that meeting, the students expressed their concerns and provided many valuable ideas. Their enthusiasm for campus activities is already evident in many events which have been organized by or with students. Out of this meeting came the definite plans to:

- (1) Devise a system to reinstate a student senate that would represent the Raymond and Jackson campuses.
- (2) Charge the new senate to fairly revise their constitution and election procedures to include both Raymond and Jackson campuses.
- (3) Include more students on college committees, especially those committees that affect students and student life.
- (4) Hold another further meeting in the Spring with various students to discuss further ideas, opportunities and concerns.

Janice Patti, ASB president, has done a fine job in preparing the Spring Activities Calendar and movie series. She leads eight committees which exist to serve students.

Also this year, HJC has seen a revival and reorganization of the Student Senate. Jerry File, ASB vice president, chairs the Senate and has appointed five committees which will formulate recommendations for improvement through administrative channels to me. I am excited about their work and support of HJC student life.

In addition, I have directed the Special Activities Committee to include ten students to

assist in planning for events such as Arts Feast and 3-E Week. Dr. Blankenship, chairperson of this committee, is fortunate to have students from the Raymond and Jackson campuses and faculty from all locations who are contributing to the committee. This committee is charged to plan cultural, social and entertainment events, such as Arts Feast, 3-E Week and Mississippi and the Arts Week.

Our goal is to provide you, the student, with learning opportunities in and outside the classroom. During the second nine-week term, senators and club leaders may wish to take a credit class in leadership with Dr. Blankenship will teach.

Now is the time to meet your student senators and give them your input. This is an important time for the future functioning and growth of student life at HJC. I hope to see many candidates petition on March 26 to be your next ASB president, vice president and secretary. The election date will be April 10.

## ASB Forum

Janice Patti

We will surely appreciate Spring Break, March 10 through 15, after cramming for mid-term exams March 4 through 8.

The movies in January and February went so well that the ASB Films Committee was asked to have an additional showing at 9:00 p.m. On March 5, "Terms of Endearment" will be showing and on March 19 the movie will be "Trading Places." The cost is fifty cents and they are shown in the Fine Arts Building, room 165 at 1:00 p.m., 7:00 p.m., and 9:00 p.m.

The ASB Senate had a workshop on February 8 and

## Poll taken for visitation hours

On February 12, a poll was taken in all the residence halls of the Hinds Junior College Raymond Campus to amend the visitation hours and lobby hours of the halls.

The amendments will provide the male dormitory students with visitation on Mondays between the hours of 7:00 and 10:30 and the female dormitories will have visitation on Thursdays at the same hours. Each building will determine their hours within the above times. The second amendment will amend lobby

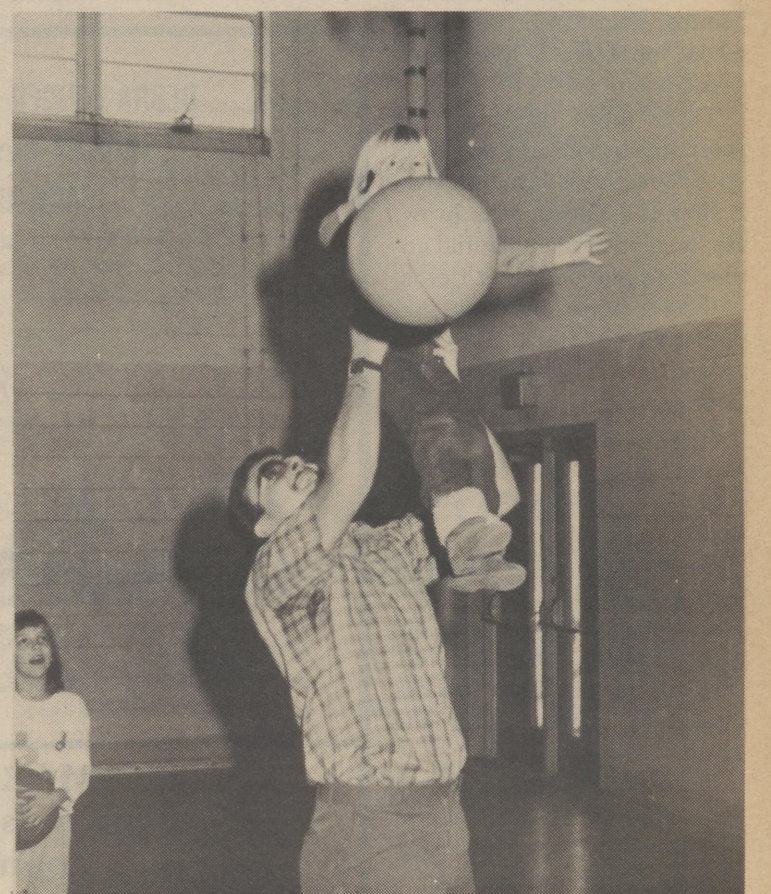

visiting hours to 12:00 noon until 11:30 p.m. daily.

Six hundred and seventy two students (all the residence halls combined) voted on the first amendment. There were 664 votes for the amendment and 8 against it. Six hundred and sixty four students voted on the second amendment. There were 651 votes for it and 13 against it.

The results of the poll were put before the HJC Student Senate on February 19, and from there it will go before the Administration of the Ray-

mond Campus. If the administration approves the amendments, they will possibly go into affect this semester.

The Associated Student Body Housing Committee proposed the amendments and were responsible for the polls. The chairperson for the committee is Angela Carpenter and the members are Lance Cooper, Curtis May, May Austin, Renee Hilton, Linda Kreigre, Jimmy Smith, and Kim Smith.

# Hinds Eagles defeat Utica & Gulf Coast

by Lee Baker

Clarion-Ledger Sports Writer

Trailing by 15 near the end of the first half of Monday's game, things hardly looked promising for the Hinds Junior College Eagles.

Even coach Bob Garrison had his doubts about catching the Utica Bulldogs, who were making a shambles of his team's nationally ranked defense.

Afterwards, Garrison would say, "we were fortunate to get it back to 11 by the half. That helped show we could come back."

And come back Hinds did, to pull out a 69-65 victory in a first-round game of the state JC South Division men's playoffs.

A quick burst starting the second half cut Utica's lead to seven after less than two minutes.

The scored see-sawed for a time with Hinds missing a chance to cut deeper into the lead by missing four of six free throws in a short stretch.

However, when the Eagles did begin to find the range from the line, Utica found itself in trouble.

Hinds got its first lead since six minutes into the game when Al Ray Lewis hit a turnaround jumper in the lane for a 57-56 Eagle edge with 6 minutes left.

The Bulldogs, just like the Eagles when they were down by 15, refused to quit. Utica battled back into the lead, 60-59, on Mike White's fast-break layup.

Three times thereafter the score was locked, the last at 65 with 53 seconds remaining on a Jimmie Johnson free throw. But he missed the potential go-ahead second shot and Lewis, with 44 seconds left, countered with a pair of free throws that turned out to be the winning points.

After a Utica miss with 15 seconds left, Robert Bendolph iced the Hinds victory with a tip-in.

As much as anything—and Garrison and UJC coach Earl Joe Nelson—agreed on the point, Bulldog turnovers were the difference. The coaches disagreed, however, on the cause of said turnovers.

Garrison credited his team's defensive pressure, while Nelson pointed towards a lack of poise among his freshmen.

Whatever the truth, Utica had eight first-half turnovers to Hinds' five, then nine to

three the second half. The 17-8 turnover margin, combined with strong Eagle rebounding, opened the scoring doors for Hinds in the second half.

Utica's Johnson had a game-high 27 points (18 in the first half) before fouling out with 3:39 left, and Jessie Cameron chipped in 14. They were the only Bulldogs in double figures.

Hinds, by contrast, had Bendolph with a team-high 20.

Hinds, rated 16th in the recent National Junior College Athletic Association poll, plays Wednesday at Perkinston against Mississippi Gulf Coast, which beat Southwest Mississippi 43-38 Monday. That winner is assured a spot in next week's state championship playoffs.

Struggling uphill nearly all the way, the Hinds Eagles finally eased past Mississippi Gulf Coast's Eagles 64-60 Wednesday to gain the state junior college South Division final Friday at Wesson against Copiah-Lincoln, which advanced by beating East Central 65-57.

In the North final, also Friday, the Northwest Mississippi Rangers play the Northeast Mississippi Tigers at Booneville. Northeast beat Itawamba 84-72 and Northwest dropped Holmes 84-70 in Wednesday semifinals.

All four division finalists

**LEWIS SHOOT** - Al Ray Lewis (30) goes for the goal for the Hinds Eagles against the Utica Bulldogs in the first game of the South Division playoff games last week at Raymond. The Eagles won the game 69-65 and played Gulf Coast later in the week defeating them 64-60.

advance to the state finals Monday and Tuesday at a North site still to be determined.

Hinds never led until three minutes into the second half and until a pair of win-icing free throws with nine seconds left by Derrick Edwards, the largest Eagle lead was three points as Gulf Coast stayed on top most of the way.

Robert Bendolph, who delivered a game-high 25 points for the Eagles, came up with most of Hinds' big field goals, but it was freshman Leon Smith's jumper from the left baseline with a minute, 45 seconds remaining that put the home team in front to stay, 62-60.

The Bulldogs, working carefully for the good shot against Hinds' 2-3 zone as they had throughout, lost the ball with 53 seconds when Lee Fairley was called for traveling.

The Eagles countered with a delay game, working the ball outside under heavy MGC pressure, until Edwards was fouled and the 6-4 freshman drilled his two free throws to cinch the win.

Hinds coach Bob Garrison, weary though happy to have a ticket for his Eagles into the state finals, said, "We had a tough bracket to get out of—Utica, Gulf Coast, and Southwest. Our finishing second (during the regular season) didn't help us a bit."

Complicating the Eagles' problem on their own Mayo Center court were two narrow earlier wins over the Bulldogs—92-85 at Raymond and 68-66 at Gulf Coast—since, Garrison pointed out, "beating a good team like (MGC coach Bob) Weathers' has is hard to do."

The third time certainly was no charm, the Eagles down by six on three occasions the first half, although tied seven times, and all-even four more times the second half before going up the first time, 44-42, on Bendolph's jumper from the left corner.

Four times thereafter the Bulldogs went in front, once by 52-49, but down the closing six minute stretch, never were ahead again, although twice tied.

For Hinds, now 22-4 for the season, only Al Ray Lewis with 15 points besides Bendolph was in double figures.

For Gulf Coast, 13-12, tightly balanced scoring found Fairley and Kevin Miller leading with 13 apiece, then Steve Bankston, Lloyd Jones and Tony Johnson adding 12 each.

## Eagles complete successful season

by John Myers

With February ending and March fast approaching this can only mean that basketball tournament time is upon us. The 1984-85 Eagle Basketball team entered post season play February 18-20 and the Lady Eagles began play February 21-23. The teams have gone in, somewhat, opposite directions.

The men started the season with a 16 game winning streak by posting decisive victories over perennial powers-Utica, Gulf Coast, and Co-Lin. The Eagles would be ranked sixth in the nation before losing 75-61 to the Southwest Bears in Summit. The Eagles lost three more games but finished the season with an astounding, 20-4, regular season record and ranked sixteenth in the nation. The four losses coming late in the season made many think the Eagles were falling apart but head Coach Bob Garrison felt that his team would get back to their winning ways. "We never told anybody we were unbeatable," admits Garrison. Commenting on the losses to Southwest and Co-Lin, Garrison said, "We just got beat but I'm not going to hang my head with 19-4 record."

The Eagles entered the Men's South Division Tourney seed number two with seven o'clock tip-off time with arch rival, Utica. The Eagles defeated Utica 69-65 even though they were down by 15 points at halftime. Hinds standout, Robert Bendolph led the Eagles in scoring with a team-high 20 points. Hinds was then matched with Mississippi Gulf Coast JC and to the winner a guaranteed spot in the state championship playoffs.

The Eagles beat Gulf Coast

by the score of 64-60 although they found themselves with a two point deficit at halftime. Bendolph led the Eagles with 25. Bendolph, a 6'3" sophomore forward, leads the team in scoring and rebounding. Alvin Morris, a 6'3" sophomore guard, leads the team in assist. Garrison will gladly admit that his sophomore crew consisting of Bendolph, Lewis, Morris, Wilkinson, and Veal, have all been very beneficial to the team's success. Garrison added, "I have a seven man team and all seven are very dependable." After the victory over Gulf Coast JC, the Eagles advanced to play Co-Lin. The Eagles have a 1-1 record against the Wolves this season with the loss coming in a close and controversial game at Mayo Field House.

The 84-85 men's team has been a credit to the Hinds Junior College District. Garrison stated, "Being ranked in the nations helps the school and the basketball program. The attention is good for both fans and players."

The Lady Eagles have seen a season unlike the men. The girls started the 84-85 campaign by losing their first 3 games but continued to fight until they defeated a tough Holmes JC team. This year's team showed great determination but they continued to suffer on the court. The Lady Eagles closed the regular season with a 7-17 record but entered the Women's South Division Tourney with great optimism. Utica's Lady Bulldogs came-a-calling and defeated the Lady Eagles 91-72. Carla Fields, 5'7" sophomore, led the Lady Eagles with 21 and Tamra Haggard, also a sophomore, was close behind with 18.

## Rankin Branch offers new program

by Sonet Womack

The Hinds Junior College District Rankin Branch has a new Principles of Technology Program. The program was originated in late October by Travis Cleitt. There are 32 students in the class.

The Technology Program is

designed to present science in a way that relates to industry and technology. Margaret Sentiff, the instructor, said that the students are studying in the areas of force, work energy and power.

The program is being spon-

sored jointly by the Center for Occupational Research and Research and Development. The two year pilot Program meets an hour a day. Overall the program deals with the students of the power changes in the world.

## Bill would eliminate different boards

by Cleo Huval

The junior college bill that is being considered by the Mississippi Legislature was written and introduced by Rep. Santa Cruz and Rep. Bob Everett of the Education Committee.

The main objective of this bill, is for all junior colleges to be put under the State Board of Education. The result of this would be the termination of three different lay-men

boards and give one main governing body leadership. The State Board would be in consultation with one board representing each county. The legislature wanted this to enhance state-wide planning on development of junior colleges so that there would be no competition over students.

Dr. George Moody, head of the Hinds Junior College Commission and Hinds President, Dr. Muse both were

against the bill. According to Dr. Muse, "I did not feel that the bill was good for the junior colleges. By next year we hope to have a study completed and would like a bill passed to help the junior colleges. It was that this one was not given enough time."

Many aspects of the bill were extracted for the sake of voting. However, the bill was tabled by the Ways and Means Committee by a 3-2 vote.

## Students put on skits

by Angela Knapp

Beginning February 18, 32 dental assisting and dental hygiene students from University Medical Center participated in a major class project. Divided into six teams, the students visited 18 Jackson Public Schools and performed skits on dental hygiene for third graders.

The program, sponsored by the Central District Dental Auxiliary, has been done every year for approximately the last 10 years. The Dental Health Education students, taught by Dr. Richard Gavant and Linda Dunbar, also gave the third graders toothbrush kits and taught the children how to use them. Becky Davidson is the chairperson of the project, which is part of the one-year Technical Dental Assisting program at the Jackson branch of Hinds Junior College.

## MUW Clown troupe to perform Mar. 3

by Elizabeth Thompson

The MUW Stoplights, a clown troupe from the Wesley Foundation at Mississippi University for Women, will present a program at Raymond United Methodist Church on Sunday evening, March 3, starting at 6:00 p.m.

The Hinds Junior College Wesley Foundation is helping to sponsor this event at the Methodist Church. All students at Hinds are invited to attend this excellent program of ministry.

Wesley Foundation would also like to invite everyone to come join them on every Wednesday night at 6:00 p.m. in the Fine Arts Annex Building in room 103 for fun and fellowship.

**FORMER PLAYER**—Will Hickman (right), new appointee to the Board of Trustees of State Institutions of Higher Learning and a Hinds Junior College alumnus, chats with Eagle Basketball Coach Bob Garrison outside the Hinds Junior College District Raymond Campus A.L. Denton Gymnasium. Hickman recently toured the campus where he was a scholarship student and basketball player in 1942-43.

*Former player...*

## Hickman receives letter 40 years late

It should have happened many years ago, but it didn't. In 1943 there was the war. Lives were interrupted. College days were forfeited. Careers were stalled.

Now, over 40 years later, Will Hickman returned to the Hinds Junior College District Raymond Campus to collect the Eagle basketball letter he never received.

The appointment of Oxford native Hickman, a new board member of the State Institutions of Higher Learning, presented Hinds Junior College District President Dr. Clyde Muse with the opportunity to invite the Hinds alumnus to visit the campus he had departed four decades ago to volunteer for the service during the World War II.

Dr. E.E. Thrash, executive secretary and director of the Board of Trustees of State Institutions of Higher Learning, also a Hinds alumnus, joined Hickman on his January 28 journey to the HJCD.

In appreciation of Hickman's fond allegiance to Hinds Junior College, Dr. Muse arranged for retired basketball coach A.L. Denton to present to Hickman the basketball letter he missed collecting.

As the pair thumbed through Denton's 1942 Eagle Yearbook, marked with yellow crayon at the hand of Denton's daughter, Betty, Hickman told "Coach" he well remembered the player's golden rule. "You played to the best of your capability, and, if you didn't, you sat on the bench."

Denton's team was a

disciplined one. Both men also remembered the game where Hickman sprinted up under the basket during a lay-up shot, shot the ball from the other side and missed it. A shot like that was forbidden by Denton. Hickman laughed and said as he remembered, "I didn't even wait to be told. I went straight to the bench."

Hickman's memories of Hinds are fond ones. As a young man, from rural Monticello, he felt "very fortunate" to have the opportunity to attend college and to play ball on a scholarship. During off-season he worked as a janitor in the Chemistry building. He stated, "There is a real place for junior colleges in our education system," adding that he believed junior colleges, like Hinds, greatly enhanced the opportunity for all individuals to go to college.

His support of the junior college system is evident. You will find Hinds Junior College listed in the education credentials on his resume; a practice shared by Thrash. Hickman explained, "I never thought of not listing it (Hinds Junior College)." In fact, after the war, he tried to reenroll, but the college was overflowing with servicemen trying to resume their civilian lives. Dr. Muse told Hickman, "We are very pleased that a man of your prominence continues to list Hinds Junior College on his resume."

Today, there is a move toward employers encouraging the completion of a two-year degree in a variety of fields. A quick glance at the Hinds Junior College Alumnus of the

Year recipients verifies the fact that many very successful individuals began their college education at a junior college.

Hickman, a senior member of the law firm at Sumners, Hickman, and Rayburn, is a fine example of a most talented individual whose roots are in the junior college system.

He said, "Had it not been for my scholarship, and Hinds Junior College, I would not have been able to go to college."

## FCA State Convention set for March 2

*by Elizabeth Thompson*

The Mississippi Fellowship of Christian Athletes will present the Fourth Annual State Convention on March 2-3 at the Hinds Junior College Raymond Campus.

The fee is \$25 which includes: meals, lodging, T-shirt, insurance, printed materials, speakers honorariums, and speakers traveling expenses. The speaker for the convention will be Wales Goebel.

Some of Wales Goebel's accomplishments are: former football and basketball player in high school and college, founder of Wales Goebel Ministries, Sav-A-Life, Lifeline Children's Services and he also received Service to Mankind Award given by Sertoma International.

Mark Dickerson will be the singer for the Fourth Annual State Convention. We hope to see you at the convention.

February 26 - March 2

## "The American Dame" staged by Lendon Players

The Lendon Players will perform "The American Dame" in the Little Theatre on the Raymond Campus. The play opened February 26 and will run through March 2.

Auditions were held January 14 and the cast members are Terri Edler of Jackson, Jay Ivey of Pearl, Stephanie Lehw of Clinton, John Myers of Flowood, David Newman of Jackson, Laura Tullos of Brandon, Melissa Wade of Brandon, and Nancy Wade of Brandon.

"The American Dame" is a different type of theatre for

the Lendon Players. It's actually a play-out. There are no props or costume changes. The actors will assume many different characters during the play by using simple costumes.

"The American Dame" is a humorous look at the role of women from Adam and Eve to the present. It illustrates how women have handled men and vice versa throughout time.

Ticket information is available in the Speech and Theatre Department on the Raymond Campus by calling 857-3266.

*First annual pageant...*

## Hinds County Pageant scheduled for April 6

The first annual Miss Hinds County Scholarship Pageant, a preliminary to the Miss Mississippi Pageant and the Miss America Pageant, is scheduled for April 6, 1985.

In addition to cash scholarships in excess of three thousand dollars, some of the awards will be a two thousand dollar wardrobe from Vance's in Highland Village, a year's dental package from the Landmark Dental Group, aerobics from Phidippides Sports, membership to The Tanning Gallery, a beauty package by Earle and Joseph, makeup consultation by Jan Ramsey, the official Miss America preliminary crown, a full salute page in the Miss

Mississippi souvenir program book, plus professional coaching and training for Miss Mississippi Pageant.

The pageant will be held in the Belhaven College Auditorium and is open to women between the ages of seventeen (17) and twenty-six (26) who are citizens of the United States and are from Hinds County, Mississippi, high school graduates, and never married.

Deadline for entry is March 18, 1985. For more information, contact Benny Riddle at 366-2129 or Judy Rankin at 362-6522 (or write Miss Hinds County Scholarship Pageant, 136 Ashcot Circle, Jackson, Mississippi 39211).

**THE AMERICAN DAME** - The Little Theatre will perform "The American Dame" February 26 through March 2. Pictured left to right are: Jay Ivey, Melissa Wade, and Nancy Wade.

## 1984-85 Eagles win Region XXIII, attend National Tournament

1984-85 HINDS EAGLES—Coach Bob Garrison and his Eagle team captured the Region-XXIII title and represented the region at the National Junior College Tournament in Hutchinson, Kansas. Members of the 1984-85 team are, first row from left: Donny Weems, Brian Jones, Donny Crain-manager, Coach Bob Garrison, Lester Poe-manager, and Keith Rhodes. Second row from left are: Derrick Edwards, Lawson Veal, Alvin Morris, Bert Wilkinson, Robert Bendolph, Al Ray Lewis, and James Dixon. Donny Crain is holding the plaque from the National Tournament and Lester Poe is holding the plaque from the Region XXIII Tournament. This marked the first time for Hinds Junior College to attend the National Tournament.

## ASB schedules April elections for offices

Elections for the Associated Student Body will be held on April 10. Hinds students will elect the student body president, vice-president, and secretary for the 1985-86 semesters. Once the new president is elected he/she will begin selecting the new committee members and a chairperson for each ASB committee.

The following is a list of the committees that make up the student government at Hinds. Any student interested in joining a committee can contact the ASB office at 857-3353 or Dr. Barbara Blankenship at 857-3324.

All committee members are considered by the application and/or interview in which they submit to the ASB President and the Director of Student Life. Directors for these committees will be appointed by the ASB President and/or the Director of Student Life with a senate approval.

**The Public Relations Committee** notifies students of ASB sponsored events through newspaper articles, the electronic sign, posters, etc. The PR committee produces and distributes a semester activity calendar which is given out at registration. They work with the college's Public Relations Department and the Print Coordinator.

**The Student Services Committee** helps with direct services to commuter and residence students including food services, refrigerators, student I.D., handbooks, and gift pax. This committee

works with the Director of Auxiliary services.

**The Traffic Appeals Committee** hears appeals brought by the student for campus traffic violations under the direction of the Campus Police Department.

**The Programming Activities Committee** plans and schedules activities held on campus, such as movies, dances, the Homecoming Dance, and Spring Formal.

**The Intramural Committee** promotes, organizes, and administers a wide range of team and individual games and sports. These sports include flag football, tennis, volleyball, basketball, soccer, softball. This committee works with the Intramural Director.

**The Residence Halls Committee** coordinates the activities for all residence halls under the direction of the Director of Residence Life. Members are elected by the dorm in which they reside.

The ASB President recommends students to the Dean of Students for consideration on the college's Disciplinary Committee and to Dr. Clyde Muse for the Special Activities Committee.

**The Disciplinary Committee** consists of faculty and students which hear charges brought against any student for violation of college regulations governing the conduct and behavior of students and prescribes penalties for the violation.

## Editorial...

## Spring is Here

Spring! Sprang! Sprung! It's finally here. We made it through all the snow and ice (all six days of it) and now we can enjoy the beautiful spring weather. If you omit the three days a week it rains!

The signs of spring at Hinds are different than anywhere on earth. There's nothing like dodging sprinklers on the way to class. Or how about trying to get **into** the library with half the student body sitting on the steps. If the teachers have noticed a decline in students attending class this could be because the students are holding sun worshipping ceremonies at the lake!

As I write this it is dreary and raining, but I'm not worried. It'll be clear and sunny tomorrow. You know the saying, "If you don't like the weather just wait five minutes and..."

So Merry Spring to everybody and remember with spring comes finals so at least take your books to the lake. (It is also recommended to **open** them for studying purposes!)

*The real intellectual life of a body of undergraduates, if there be any, manifests itself, not in the classroom, but in what they do and talk of and set before themselves as their favorite objects between classes . . . . If you wish to create a college, therefore, and are wise, you will seek to create a life . . . [and] fill it with the things of the mind and of the spirit . . . .*

"MISSISSIPPI AND THE ARTS" week in the spring, along with a wide variety of other events throughout the year.

## HJC students attend Ole Miss' Scholar's Bowl

On Friday, March 28, two teams of Hinds students motored up to Oxford to take part in an historic event at the University of Mississippi. It was Ole Miss' first attempt at a Scholar's Bowl, with all of the state's junior colleges invited to vie for scholarships in a TV-game question and answer type of format, complete with buzzers, lights and humor.

It was a nice way to earn scholarship money. There were eighteen campuses represented, with each team having four members, every player came away a winner. They each earned a \$400 scholarship just for playing in the 2 day tournament, and there was the chance to earn scholarship money for their schools at \$5 per correct answer, with first and second place winners taking top individual scholarship prizes.

The Raymond Campus team consisted of Pattie White, Jack Magee, Steve Shuttleworth and team captain Jerry Stroud. Representing the Jackson Campus were Sharon Willis, Bobbie Smith, Latrell Donovan and team captain William Mitchell, Jr. They were accompanied by Dr. Barbara Blankenship, director of student activities at Raymond, and Dr. Glenda Lester, counselor and instructor at the Universities Center.

The students were selected on the basis of their strength in their respective academic fields of study and their willingness to participate in the competition. Every effort was made to insure that Hinds would carry well balanced teams to the bowl, able to hold their own in all of the disciplines.

Both teams stood up very well in the 8-minute games, making it through the preliminaries and into the final rounds. The two teams competed at one point in the third game, producing an unhappy moment for both teams when Raymond came out the winner, carrying on for Hinds as far as the fifth game.

According to Dr. Lester, there was a good balance of intelligent academic questions, as well as what Stroud characterized as "trivial questions", all of which were collected from all departments on the Oxford Campus. According to Stroud, many of the players agreed that some of the non-academic questions

were "a little off-the-wall," and in the realm of trivia, dealing heavily in movies, television and sports. For example, the question that knocked Raymond out of the running was one concerning "Gilligan's Island," and which, he says, turned the tournament for a moment from a scholars' bowl to a "reflex bowl." "The whole board lit up at once," he said. "It was just a matter of determining who hit the button first."

It was moments like that, he stated, that prompted the moderator to apologize for the questions, some of which were so-simple-as-to-seem-hard, and some, which were just plain painfully esoteric, and he humorously disclaimed any personal responsibility.

If there was a few quirks in the questions, everyone was patient, realizing that it was Ole Miss' first effort at this sort of thing. "They said they hope to do this every year," said Stroud, "And they promise to do better."

"Better" couldn't include how the students were treated at Ole Miss. Lester and Stroud agreed that the Hinds teams enjoyed the experience at Oxford very much. Everything possible was done to see that all of the students were comfortable and had a good time. "Everyone was very nice to us," they said. "They couldn't have been better." The students stayed in the campus Alumni House and all of the recreational facilities in the Athletic Complex were kept open past regular hours especially for their use.

To provide a little incentive for Hindsonians for next year's Bowl, here is what the top winners walked away with. Meridian Junior College took first place, earning personal scholarships of \$3900 each to the Oxford Campus, and the Jefferson Davis Campus of Gulf Coast won second place, with \$3400 scholarships for each member.

Shanafelt and Johnson will represent Hinds at the National Leadership Conference in Houston, Texas in July.

## Dr. Pickett receives SCETC Award

by Elizabeth Thompson

Dr. Nell Ann Pickett, Ph.D., won the SCETC - Greg Cowan Excellence in Teaching Award on February 22, 1985 at Greenville, South Carolina, according to Peggy Brent, Chairman of the English Department at Hinds Junior College.

Along with a trophy and a plaque, Pickett also received a check for \$500. Pickett was nominated for this award by her co-workers and other faculty.

Dr. Pickett has been teaching at Hinds Junior College on the Raymond campus in the English Department for 18 years. Dr. Pickett has also co-authored the textbook *Technical English* along with Ann Laster.

Dr. Pickett decided to be a teacher in junior high school, mainly because of her teachers in school. While attending college she received an Associate of Arts degree from Hinds

Junior College, a Bachelor of Arts degree from Mississippi University for Women, Masters from Peabody College, and a Ph.D., from the University of Mississippi.

Before coming to Hinds to teach, Dr. Pickett taught three years at Delta State University and one year at Mississippi State University. Coming to Hinds for Dr. Pickett seemed like a promotion, because she feels a two-year college puts more emphasis on teaching and community service rather than on research. Some helpful advice given by Dr. Pickett for those who plan to go into the teaching profession is "teaching is one of the most enjoyable, but demanding professions that a person could enter. It's demanding and no one gets caught up until the end of the semester." Some of the ways Dr. Pickett feels teaching has changed from when she first started are the physical conditions, better

backgrounds of students, and the emphasis on teaching how to think rather than what to think.

Dr. Pickett has co-authored three books along with Ann Laster. These books include: *Technical English*, *Occupational English* and *Handbook for Student Writing*. Pickett also wrote two other books, which were *Practical Communication* and *Technical and Business Communications in Two-Year Programs*.

Dr. Pickett plans to purchase the 54 vol. set of *Great Books of the Western World* with the \$500 she received. The books will help her in her teaching. To get away from the demands of teaching, Dr. Pickett enjoys reading, fishing, and traveling. This summer she is going to Greece, Italy, and London for five weeks.

Dr. Pickett credits her success to her hardworking family and her encouraging husband.

# Eagles defeated by Allegany & West Ark in Nat'l Tournament

Third ranked Allegany Community College defeated the Hinds Eagles in the first round of play for both colleges at the National Junior College Basketball Tournament in Hutchinson, Kansas. The Eagles were defeated 85-60 by Allegany who now goes 32-3 for the season while Hinds moves to 26-7.

The Eagles moved to the consolation bracket and played West Ark Arkansas in game two for the Hinds team. The Eagles were defeated by the Lions 76-69 in their bid to remain in tournament play.

The Eagles who were ranked 16 going into the first round of play opened the game with a 5-3 lead over the Trojans from Cumberland, Maryland. As the game progressed the lead switched back and forth with the Eagles leading and then Allegany, and at one point the two teams were tied 21-21.

Hinds Robert Bendolph was the first player on both teams to go into double figures with 10 points and as the score climbed both teams were neck and neck. With only 3:34 left in the first half Allegany had a 28-27 lead which continued and with 1 minute left Allegany had a one point lead of 34-33.

Both teams had been reported to play about the same coming into the tournament with Allegany allowing only 59 points a game against them while Hinds had allowed 69 points a game against them.

During the first half the Eagles had 8 turnovers while Allegany had 7 and Hinds Robert Bendolph had put 14 points on the board making him the leading scorer for the first half. Allegany's J.P. Warner was their leading scorer with only 9 points on the board.

As the buzzer sounded and the second half began the Eagles soon fell behind and the Trojans were leading with 11 points 58-47. The Trojans continued their lead throughout the rest of the game and with 5 minutes left they had a 28 point lead. The Eagles were able to close the gap only by 3 points and as the final buzzer sounded the Eagles had lost their bid for the national title.

The Eagles shot 37% from the field and 62% from the free throw line in the game. Hinds Robert Bendolph was the leading scorer of the game

with 28 points which also placed him in the number two slot for leading scorer of the whole tournament.

Other Eagles scorers were Alvin Morris with 8 points, Al Ray Lewis with 16 points, Derrick Edwards with 3 points, Lawson Veal with 4 points, and Bert Wilkinson with 1 point.

Leading scorer for the Trojans was Darren Mosley with 21 points for the game.

In game number two for the Hinds Eagles against West Ark from Fort Smith, Arkansas the Eagles were hoping to remain alive in tournament play.

The West Ark Lions, who are former National Champions of the NJCAA, took an early lead in the game 6-2 and continued their drive to capture the win. With 14 minutes left in the half West Ark still maintained their 4 point lead of 4 and the score was 12-8 for the Lions. With 1:21 left the Eagles were behind by 9 but were able to put 2 more points on the board before the half giving the Lions 23-25 at the sound of the halftime buzzer.

During the first half Robert Bendolph had only put six points on the board for the Eagles while the Lion's Maurice Jackson had added 12 to the board. Each team had 18 rebounds and the Eagles had 7 turnovers while West Ark had 11.

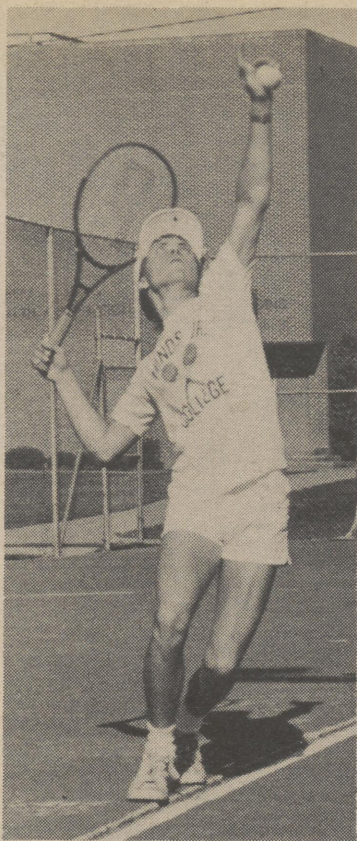

During the second half the Eagles were unable to catch the Lions and narrowed the scoring to 7 points with under 4:00 remaining in the game. With 1:30 to go Robert Bendolph of Hinds got his fifth foul of the game and the Eagles continued to score but could only narrow the gap to 7 points as the buzzer sounded.

Both teams had scored 44 points during the second half with Hinds shooting 45% from the field while West Ark were high scorers with each scoring 22 points.

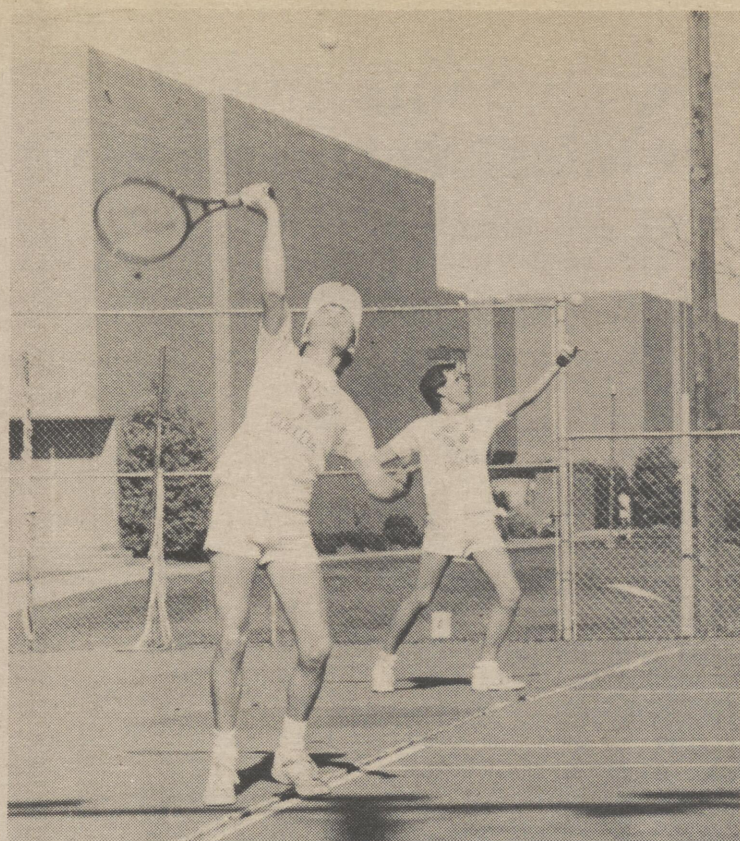

Other Hinds players scoring were: Al Ray Lewis with 15, Alvin Morris with 9, Lawson Veal with 13, Derrick Edwards with 4, and James Dixon with 6.

Going into the tournament Hinds coach Bob Garrison commented on his team, "This year we had three goals we wanted, The first was to win 20 games, the second was to play good enough to go the

## Swimming pool, weight room hours available

The Hinds Junior College Athletic Department would like to make students aware of the pool and weight room available to them on the Raymond Campus.

The swimming pool located in Mayo Field House will be open to all students Monday, Tuesday, and Thursday from 3:00 p.m. to 4:30 p.m. The weight room also located in the Field House will be open Monday through Thursday at the same time.

These dates and times will stand for the rest of the semester. The Intramural Committee, sponsored by the Associated Student Body, is working to have both facilities open more often next fall semester.

## Cheerleader tryouts set

Tryouts for 1985 football cheerleaders, Raymond Campus, will be held April 30 and May 1, Mayo Field House from 6 p.m. to 8 p.m. Squad selection will be made on May 2 beginning at 6 p.m.

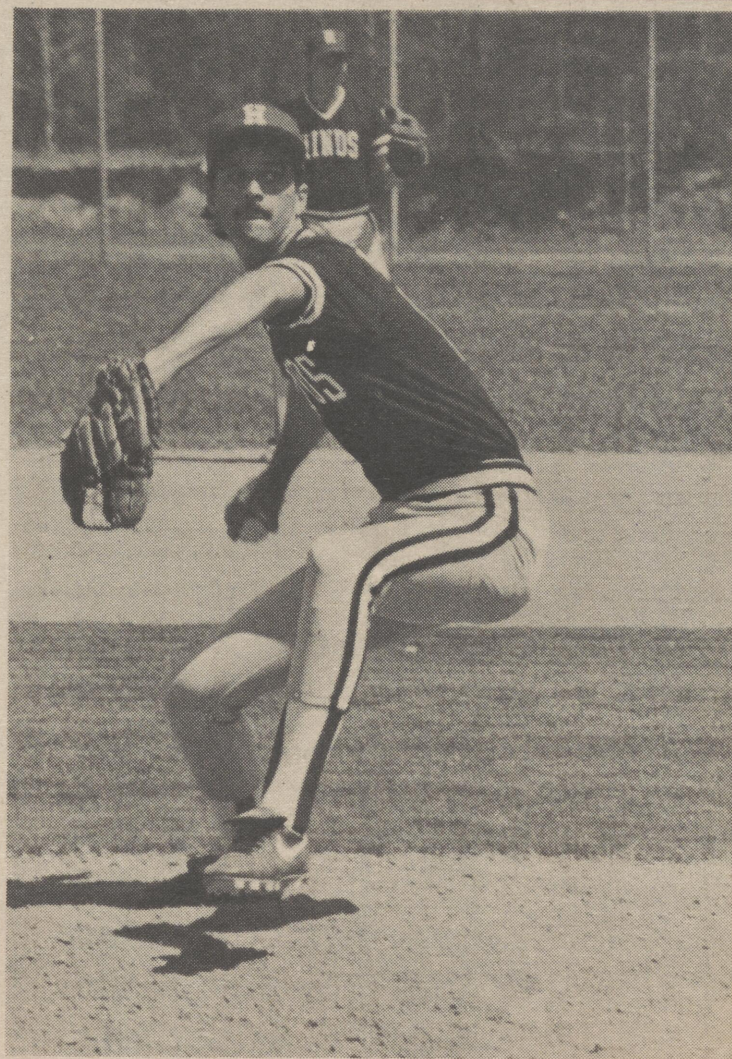

Attendance at one try-out session is mandatory, however, candidates are welcomed to attend both. Currently enrolled students and freshmen are encouraged to participate. The cheerleader squad is open to men and women students. For additional information, contact Bill Oakes, P.O. Box 255, Raymond Campus.

## Thank You Eagle Basketball Fans...

We would like to thank the many Hinds Eagles supporters for their best wishes we received during our attendance at the National Tournament in Kansas. We greatly appreciate the many cards and letters we received and we want to thank the many advertisers that enabled us to broadcast our two ballgames on radio station WCCL. We want to thank Dr. and Mrs. Muse for their great support and attendance at the tournament.

Sincerely,

Coach Bob Garrison  
and the  
Eagle Basketball Team

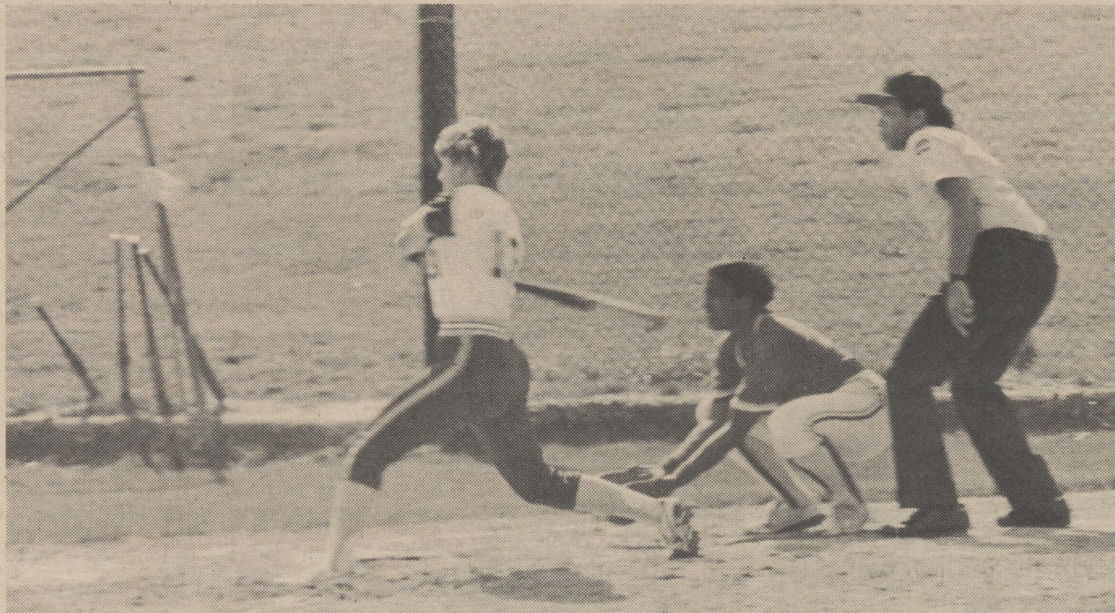

MANTON PITCHES—Kevin Manton, pitcher for the Eagle baseball team, fires away during the Dupage game at Raymond. The Eagles lost the double-header with Dupage.

**SAFE SLIDE**—Kevin Williams, third baseman for the Eagles baseball team, slides into the base during the Hinds-Dupage game. The Eagles lost the double header.

**LADY EAGLES WIN**—The Lady Eagles defeated Meridian Junior College in a double header. The Lady Eagles won the first game 10-0 and the second game 6-1. Their overall record is 5-4 for the season.

## Spring sports offer variety of activities

Spring sports at Hinds Junior College's Raymond Campus are off to a fast start for many while some of the sports teams have faced cancellations due to the weather.

The Eagle baseball team began their season in late February when they opened on the road with St. Bernard at Chalmette, Louisiana where the Eagles captured two of three games played. Hinds won 6-1 and 6-0 and were beaten 7-0 by St. Bernard.

The Eagles then returned home and lost four straight games, two with Utica and two with Pearl River. These scores were 12-2 Utica and 6-5 Utica and the PRC games were 1-0 PRC and 4-1 PRC. They then played Lewis and Clark and won 3-2 and tied 3-3.

Against Kishwaukee the Eagles won 4-3 and lost 3-2; against South Alabama in Mobile the Hinds team lost 7-5 and won 8-5; against Delgado they won 4-0 and tied 9-9; against Paducah the Eagles won 17-3 and 7-5.

With their first division game coming with Copiah-Lincoln Junior College the Eagles won the double header 19-9 and 16-1. In the first game the Hinds team got 19 runs on 15 hits and in the second they got 16 runs on 13 hits. Four homeruns were hit in the two game series.

Eagle coach Rick Clarke commented, "We have good defense and real good pitching this season but we couldn't score runs at first but we have gotten it together now." The Eagles have a 10-7-2 overall record thus far.

The Hinds Golf team opened the season at home and won

the tournament with a score of 300. Coming in second was Gulf Coast with 316, third was East Central with 326, fourth was Co-Lin with 337, fifth was Pearl River with 340, and sixth was Southwest with 377.

The Hinds Tennis team won their first match of the season against Southwest Junior College with the men winning 4-2 and the women won 6-0 by default.

In singles play Hinds Kevin McKay defeated Chris Board of Southwest 6-3, 5-7, 6-4; Charlie Osteen of Southwest defeated Billy Stribling of Hinds 6-2, 6-1; Steve Shuttleworth of Hinds Steve Stalwart 7-6, 6-1; and Breland Hardy of Hinds defeated Lance Donally 6-0, 6-1. In doubles play Board-Osteen of Southwest defeated McKay-Stribling of Hinds 6-1, 6-4; and Shuttleworth-Ron May of Hinds defeated Donally-Stewart 6-3, 6-0.

The Lady Eagles Softball team has had problems with their season winning only one game and dropping four games to their opponents. They won over Mississippi College and then lost two games to Pearl River and two games to Gulf Coast.

Lady Eagles coach Deborah Nichols says, "Our weakness lies with us only having three returning sophomores this season and we need experience while our strength is that our team has unity and team work will help us to pull it together."

The Track team at Hinds has yet to run in a meet due to the weather. Last week's opening meet at Raymond had to be rescheduled.

State J.C. Tournament, and the third was to qualify for the Regional Tournament. Our team worked hard this season, they played hard, and they get along good together and this helped them play good." Garrison also felt that his strong points of the team were that they shot the ball extremely well and they took good shots for the goal.

## Famous poet visits campus

James Dickey, America's most famous living poet, will be on the Raymond Campus of the Hinds Junior College District April 29. He will read poetry at 11:00 a.m. in Cain Hall Auditorium.

Dickey, born in Atlanta, Georgia, on Ground Hog Day, came to write poetry "comparatively late." His first volume **Into the Stone** (1960) was not published until Dickey was in his late thirties. He left a lucrative advertising career to write full time.

And write he has. He has published several volumes of poetry, as well as a novel (**Deliverance**, 1970) which was made into a successful motion picture. Dickey wrote the screenplay adaptation.

Dickey's first three volumes (**Into the Stone**; **Drowning with Others**, 1962; and **Helmets**, 1964) reveal his first

poetic phase. The poems are imagistic, short, concise. Animals, nature, and physical prowess are frequent subjects, and the dominant themes are death and renewal. An interest in the grotesque is also present.

The next volume **Buckdancer's Choice** (1965) shows a shift in technique, as well as subjects and themes. Dickey reveals an increased interest in form as a means to reveal observations. Dickey's sense of the grotesque remains strong.

In later volumes of poetry, Dickey seems to be interested in violence and power as subjects. He continues to show remarkable verbal energy, poetic intensity, and stylistic innovations. Many of his poems seem designed to shock the reader, as well as enlighten

and entertain. He continues to be concerned with the instincts, the unconscious, and the primitive.

Dickey's early admiration for Lord Byron and what he symbolizes--masculinity and adventure--has enhanced Dickey's own poetry career and lifestyle. A football player and track star in high school and college, he is an avid outdoorsman, archery expert, and guitarist. He served as a fighter pilot in World War II and in the Korean Conflict. He has called himself "a wild motorcycle rider."

Dickey has taught at several colleges and universities and has read his poetry and lectured throughout the country. He has served as Consultant in Poetry to the Library of Congress. Poetry remains his primary vocation and interest.

## Bob Dunaway receives award

B. Allan Dunaway, instructor and chairman of the art department on the Raymond Campus of the Hinds Junior College District, was recognized by the Mississippi Art Education Association at their spring conference.

He received the prestigious Bill Poirier Award for Mississippi's Outstanding Art Educator for 1984. Dunaway is a former resident of Columbia, Mississippi and is a graduate of Mississippi College and Illinois State University at Normal, Illinois.

He resides in Clinton, Mississippi.

## Agricultural Education Day features high schools

The Hinds Junior College District will sponsor an Agricultural Education Day Tuesday, April 2 at the McKenzie Arena on Seven Springs Road in Raymond.

Area high schools are invited to participate in this all-day event which includes a free cook-out lunch at noon. Activities begin at 9 a.m. and conclude at 3:30 p.m.

Featured exhibitors include government agricultural agencies, agricultural businesses, Mississippi State University and the Hinds Junior College

District agricultural department. Also on hand will be the Hinds admission office and financial aid office personnel to answer questions for students.

The purpose of this day, entitled, "Agriculture: Tomorrow's Technology Today," is to demonstrate how agriculture touches all facets of our lives and how it will influence the future.

For more information, please contact the Hinds agricultural department at 857-3334.

## Deadlines approaching for most Financial Aid

Deadlines are quickly approaching for summer and fall financial aid, according to The Scholarship Bank.

Students with financial needs should begin now to investigate some of the more than 25,000 private aid sources, according to Steve Danz, Director. These funds are available to students with interests in a number of fields, and many do not depend on demonstrated financial need, as do state and federal funds. For example, students with an interest in business, law and accounting can receive a stipend from the Exceptional Student Fellowship Fund, and apply to the parent corporation for full time work following graduation.

The Scholarship Bank is the largest private scholarship bank in the country for undergraduate and for graduate grants and loans. The computer can help you find sources designed just for you, based on your major, occupational goal, geographic

desires, type of aid requested (scholarships, loans, summer work), and special skills and hobbies. According to the director, the computer guarantees each student at least fifty sources of aid. It has been estimated that each package of aid represents approximately \$20,000 in potential money for college. Private aid comes from America's largest foundations, corporations, unions, and private donors and totals approximately 500 million dollars, or one fourth of all available aid. Thus, it is an extremely valuable addition to the private and state moneys available. As an example of the depth of the search, the bank reports one student found thirty six sources for the most unusual major of "deep sea diver". Students wishing to use the search should send a stamped, self-addressed envelope to The Scholarship Bank, 10100 Santa Monica, No. 2600, Los Angeles, California 90067.

They are also reminded to bring their tax packages received in the mail, if available, so that the name and address label can be used to speed up processing.

There is no charge for assistance through the Volunteer Income Tax Assistance Program.

## Gallery to feature five MS. artists

The Marie Hull Gallery on the Raymond Campus of the Hinds Junior College District will feature the paintings of five Mississippi artists from April 3 through April 26, with a reception for the artists on Sunday, April 14 from 2 to 4 p.m. in the Gallery.

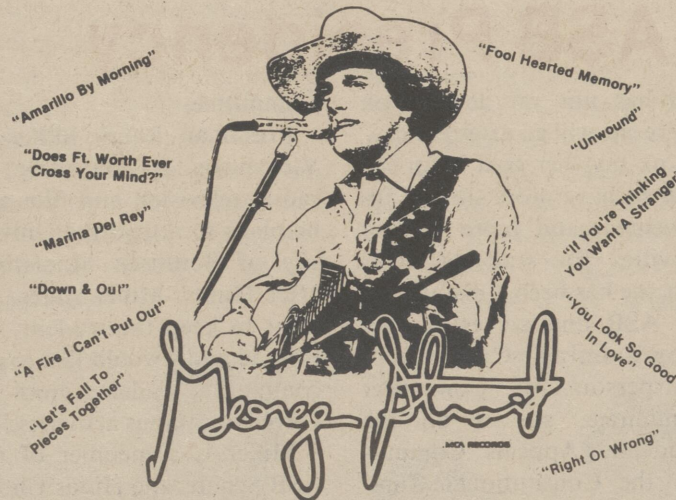

The artists are modern impressionists Edward Towles and Sammy Britt of Cleveland, Gerald DeLoach of Merigold, Dick Kelso of Meridian, and George Thurmond of Starkville.

The public is cordially invited to view the exhibit free of charge and to attend the reception. Gallery hours are Monday-Thursday, 8 a.m. to 3 p.m. and Friday, 8 a.m. to 12 noon.

## 54 students pass State Board Exam

All 54 members of the December, 1984 graduating class of the HJCD Associate Degree Nursing program passed the recent state board examinations according to Mrs. Bobbie Anderson, director of the Nursing/Allied Health Center.

Anderson also stated that not only is it unusual in a class of this size to have 100 percent passing the board of their first try, but two members of the class, Pam Winstead and Linda Pine, had the first and second highest scores, respectively, in the state of all the schools taking the test at this time.

## Three seek ASB Presidency

Three Raymond Campus students are seeking the office of Student Body President for Hinds Junior College. Seeking the title are Alan Melichar of Forest, Ralph Miller of Vicksburg, and Jamie Cox of Byram.

Concerning his candidacy for ASB President Melichar stated, "I would like to get the students more involved because the student government represents them."

Freshman Jamie Cox from Byram is a hotel, motel, and restaurant management major

and has not yet decided on where she will go after Hinds.

Cox says her goal is for the ASB to have more student involvement and more student activities for students. This year she has been a member of the ASB and serves on the Programming Committee, chairperson for Commuter Committee, she is on the Academic Appeals Committee, the Constitutional Committee, Who's Who Committee, Arts Feast Committee, Arts and Lecture Series Committee, and the Homecoming

Committee.

Freshman Ralph Miller of Vicksburg is majoring in radio, television and film and he plans to attend the University of Southern Mississippi after Hinds. Miller states, "I want to keep the students informed and I would like to get commuting students more involved in campus activities."

Miller is a member of the ASB Senate, the Hinds Choir, Programming Committee, Intramural Committee, BSU, and the Special Activities Committee.

## Spring Formal scheduled for April 18, 8:00 P.M. "Snow" to provide entertainment for formal

The 1985 Hinds Junior College Spring Formal will be held at Brookwood Country Club April 18, at 8:00 p.m. The band "Snow" will be providing the music. Invitations are eight dollars per couple. The cost for individuals wishing to go alone will also be eight dollars. Invitations can be picked up in the Student

Union Building, room 215, beginning April 11.

The Spring Formal Committee would like to encourage all Hinds students to attend the formal. "Snow" will be breaking up after May 11 and this could be the last chance for Hinds students to hear them perform.

This is the first year printed

invitations and printed napkins will be provided to the guests. Also punch and hors d'oeuvre will be served. Chief Larry Coleman of Raymond Campus will be taking pictures for couples interested.

Semi-formal wear will be appropriate. Suits or tuxedos for the guys and cocktail or formal dresses for the girls.

## "Charlie Brown" scheduled for April 23 - 27 by Lendon Players

The musical *You're a Good Man, Charlie Brown* will be performed in the Little Theatre on the Raymond campus April 23 through 27 at 8:00 p.m.

Reserved seats will be \$5.00 for adults and \$3.00 for students. Students may get in with their IDs if unreserved seats are available. Reservations can be made by calling 857-3266 and reserved tickets must be picked up by 7:45 on the night of the performance.

The cast for the musical was selected March 25. Cast members are Joe Cassell as Charlie Brown, Cliff Torrence as Linus, Doyle Rains as Schroeder, Nancy Wade as Lucy, Kim Gross as Patty, and Albert Nolan as Snoopy.

The musical will be directed by Denise Halbach and musical direction will be by Mary Lou Lott. The accompanist is Robert Lee and percussion will be performed by Jay Ivey. The props and sets were designed by David Hawkins.

The play is based on the comic strip "Peanuts". The time of action is "an average day in the life of Charlie Brown".

It is a day made up of little moments picked from all the days of Charlie Brown, from Valentine's Day to the

baseball season, from wild optimism to utter despair, all mixed in with the lives of his friends (both human and non-human) and strung together on the string of a single day, from bright uncertain morning to hopeful starlit evening.

## Debts must be paid by May 3, 1985

This is to advise all students with financial obligations to the school that these obligations should be paid at the Business Office before or by May 3, 1985. Any obligation not paid by this date will result in your name being tagged for an obligation at registration, transcripts being held, graduation diplomas not being released.

The personnel in the Business Office will be happy to furnish you with information on any obligation you may have. The word obligation means parking tickets, returned checks, and any portion of your tuition not paid in full for this semester or previous semesters, unless this amount is to be paid by an organization.

## College degree needed

Let's tell it like it is!

You might not like the cold harsh facts or as they may say, "Don't confuse me with the facts," but let's look at what is sure to be a problem for many as soon as the semester comes to a climax.

Every year, at the end of the year, many students become members of the much talked about class of our society, "the drop-out."

Becoming a member of this class, they never find their way back to the ivy halls, and begin a life which will bring many disappointments - and it all started when they made the decision not to continue their schooling.

A strong parallel can be drawn between the rising drop-out rate among students and criminal statistics. Penologists have long recognized the significantly high incident of immaturity and financial problems among convicted felons.

Penal history proves that it is usually the uneducated man who comes to prison. The reason for this seems to be exceedingly simple. He was not prepared to compete in a free society, so he turned to crime to secure his needs and wound up behind bars.

No longer is a high school diploma what is needed, but a person must seek a college degree if he intends to be a competitor for top level jobs.

The problem of the drop-out is one society must reckon with. The more immediate one, that of preparing ourselves to compete in the free world, remains ours.

## Hindsonian wins awards

The Hindsonian took six awards at the Mississippi Junior College Press Association Spring Conference in Biloxi.

The Hindsonian placed second in the semi-monthly division. Editor Lisa Uzzle won the first place award for her editorial "Zooming to Class Causes Problems." First place in cartoons was won by Walter Ulmer with his drawing of

"Nuclear Waste in Mississippi."

The paper also won the first and second place awards in advertising at the conference. The third place award in sports was also won by The Hindsonian with the story on Claus Larsen titled "Danish Kicker Finds New Home."

The conference consisted of workshops conducted by local news personnel of the Biloxi Sun Herald as well as a tour of

Presentation of the awards were by Dr. Michael Rabalais, Vice-President of the Raymond Campus, and Dr. Terry Puckett, Vice President of the Jackson Campus and Branch Operations.

The speaker for the program was Mrs. Ellen Rosenberg, educator and author of "Growing Up Feeling Good."

Ellen Rosenberg is one of the nation's most respected experts on the concerns of relationships in daily living.

In her lecture, "Getting Closer," she talks about communication, trust, expectations, commitment, jealousy, loneliness, and other feelings.

An educator since 1965, Rosenberg created her programs in response to the staggering number of her college students who lacked self-confidence and felt distant from family, friends and others.

She has appeared on numerous television and radio talk shows and has been featured in newspapers throughout the United States and Canada. Her faculty affiliations include Brooklyn College and Nassau Community College where she taught courses in health, family and human sexuality. She is certified as a sex educator by the American Association of Sex Educators, Counselors and Therapists.

## ASB Forum

by  
Janice Patti

As the end of the year approaches, we look back and see all the good times we've spent with the friends we've made.

This has been a special year for me, given the opportunity to learn about student government, leadership and responsibility in getting activities for students. Dr. Barbara Blankenship, the director of Student Life, has been the key person in giving the students the encouragement and guidance needed for many of the activities this year. I wish each student could become as familiar with her as I have, because of all I have benefited by her.

During this year more students have been involved in the planning of campus activities and student regulations. Students have been more creative with ideas to be implemented. This only begins the progress that I would like to see in student life.

The ideas started this year will be continued and expand-

ed upon by the 1985-86 ASB Officers. Jamie Cox will be President; Curtis May will be Vice-President and Lisa Uzzle will be Secretary.

Thank you for the participation and support that you have given me throughout this year.

by Jamie Cox

First, I would like to say thanks to Dr. B. Blankenship and J. Patti for the help and encouragement they have given me this year.

My goal for next year is to see more student involvement in campus activities that the ASB and Special Activities Committee plan for each year. I would like also to get more student input and help on improvement of Hinds whether for the campus or the students directly.

Students interested in being a member of the ASB for next year or would like to make a suggestion should contact Dr. Blankenship or Jamie Cox in Student Union Building, Room 215 or call 857-3388.

Triple jump—1. Nicholas Franklin, Gulf Coast; 2. Edward Larry, Co-Lin; 3. Greg Amerson, Jones; 4. Randy Langston, Delta; 5. Todd Jenkins, Hinds; 6. Jessie Winder, Holmes. Distance—46-8 1/4.

Pole vault—1. Rodney Fulgham, Delta; 2. Terry McDaniel, Holmes. Height—12-6.

# 2+2+2=\$21,000

That's Army math. It means that after 2 years of college (60 semester hours or equivalent) and a 2-year enlistment, you could have up to \$21,000 to continue your education. Courtesy of the New GI Bill + New Army College Fund. (Effective July 1, 1985).

That other 2 means you can get two years of ROTC credit by enrolling in ROTC at the third year level (with the approval of the college's Professor of Military Science) when you reenter college. You'll earn \$100 a month in ROTC.

Qualify, and you'll start your enlistment with a promotion. And just because you're out of school doesn't mean you stop learning. We'll teach you a skill that can help you go places later.

And you'll go places now, because we give soldiers an opportunity to travel. And a chance to make new friends.

Not to mention a lot of money for college. Plus the chance to become an Army officer. Contact your local Army Recruiter today.

# Scholarship Day honors 976 Hinds students

Scholarship Day on the Raymond Campus of Hinds Junior College was held Wednesday, April 24, in Cain Auditorium. Scholarship Day was instituted at Hinds in 1979 by Dr. Clyde Muse and the Special Activities Committee as a means of recognizing superior achievement in scholarship.

Scholarship Day honors all President's and Dean's student scholars. To be named to the President's List, a student must achieve a 4.0 grade point average for a minimum of 12 semester hours. Dean's list students are those with a 3.5 to 3.9 cumulative grade point average for a minimum of 12 semester hours.

Guest speaker for the program was Dr. James A. Hefner, President of Jackson State University. He is a noted scholar, academician and administrator. In his address Dr. Hefner emphasized the responsibility of scholars to serve as leaders who help move the country beyond "the tradition of mediocrity."

The President's Scholars consisted of 257 students who achieved a 4.0 grade average and 719 students who were on the Dean's Scholars list.

Scholarship Day is sponsored by the Gamma Lambda Chapter of Phi Theta Kappa, the national junior college honor society.

## "Presidential Speaking"

by Clyde Muse

The 1984-85 college year has been busy and exciting. This has been our third year in operation as the Hinds Junior College District, and the year has been filled with challenges, but more importantly with opportunities. This marks the first year that our Jackson Campus has been in operation. With expanded programs and facilities at the Jackson Campus-Sunset Drive Center,

the Nursing/Allied Health Center, and the Universities Center, particular attention has been focused on the need for educational services in Jackson as called for in our long-range plan.

At the May meeting of the Board of Trustees, tuition and fees were established for the 1985-86 school year. These are as follows:

Meal Plan I Air Conditioning	Meal Plan I No Air
Meals .....\$309	Meals .....\$309
Room.....270	Room.....235
Tuition.....235	Tuition.....235
Total.....814	Total.....779
Meal Plan II Air Conditioning	Meal Plan II No Air
Meals .....\$330	Meals .....330
Room.....270	Room.....235
Tuition.....235	Tuition.....235
Total.....835	Total.....800
Meal Plan III Air Conditioning	Meal Plan III No Air
Meals .....\$390	Meals .....390
Room.....270	Room.....235
Tuition.....235	Tuition.....235
Total.....895	Total.....860
Other Charges:	
Commuter Meal Tickets.....	\$71
Out-of-State Charge.....	\$56
Out-of-Country Charge.....	1,473
Hourly Rates:	
In-State.....	28
Out-of-State.....	67
Foreign.....	143
Student Dormitory: Summer.....	70

Charges for transportation, registration and late registration, decals, and yearbooks remain the same as last year.

You will note that there has been an approximate 16% increase in the cost of meals for the next year. This is a direct result of requests on the part of students that our meals be upgraded. This increased cost will provide for larger portions of meat, a meat dish at the salad bar, a choice of two meats for breakfast, all meats must be Grade A-1, and increase maintenance and cleaning. In addition, three new steam tables are being purchased so that the food can be kept warm and a new dishwasher and other equipment will be provided.

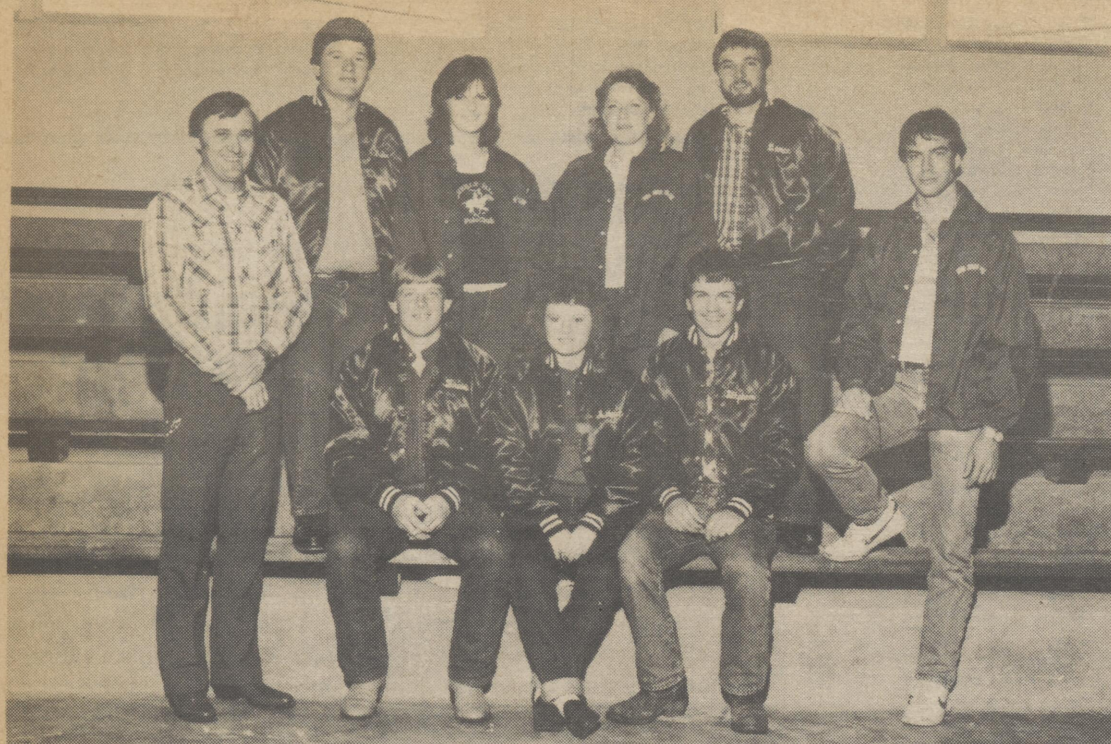

The additional cost in other tuition fees provides for increased cost of utilities, materials and supplies, and in-

structional services. Even with these increases the students who attend the Hinds Junior College District will find the cost for the tuition, meals, and room less than the average cost at the other junior colleges in the state and approximately one half the cost for attending a public four-year university.

I appreciate the contribution that all the faculty, staff, and students have made to our success this year. The Hinds Junior College District exists for students. I hope that your experiences here have been pleasurable and rewarding and that the excitement of learning will not fade. For those of you who have not finished your college's offerings in your course of study, I welcome your return to the Hinds Junior College District to con-

**JUDGING TEAM**—Hinds Junior College District students on the Livestock Judging Team compete on state and national levels when judging beef cattle, swine, sheep and quarter horses. Members of the 1984-85 team include (front, left to right) Dr. Roger Jones, coach; Brian Garner, of New Hebron; Angie Watts, of Madison; Stephen Banes, of Raymond; Mike Sistrunk, of North Jackson (back, left to right) Mike Pierce, of Lexington; Ginger Ford, of South Jackson; Susan Brunson, of South Jackson; and Lance Sullivan, from Terry. To qualify for the team the students complete a three hour academic course in the subject.

**CAMPUS LUAU**—The Mississippi Valley Food Service sponsored a Luau for students on Thursday, April 25. They roasted pigs as the main course and served dinner as an outdoor meal on The Mall area of the campus. Carving the roasted pig were at left: Daryl Anderson, acting manager of the food service and Dan Plaster at right, manager of the campus grill.

## English students make flags

Sophomores Ty Powers and Maria Walston recently participated in the **Shakespearean Celebration** by making huge replicas from William Shakespeare's time. The celebration took place on Tuesday, April 23 and was presented by the Hinds Junior College English Department.

Powers and Walston, members of Dr. Nell Pickett's Honors English Literature class at Hinds, were assigned the duty of making flags for the Shakespearean Celebration. Five flags were made. Each was six feet long and three feet wide. It took ap-

proximately four hours to make each flag. The flags were made of felt and the material for all five flags amounted to ten yards!

The flags consisted of a red and white London's flag that exhibited the cross of St. George and the sword of St. Paul; a gold and black flag adorned with Shakespeare's coat-of-arms; and Scotland's blue and white that displayed St. Andrew's saltire. Other flags included a red and white flag with St. George's cross on it, and the last flag, which was a combination of the last two flags mentioned, was called

the Union Jack flag.

Powers said they chose these flags because they each represented something from Shakespeare's time. For instance, the Union Jack flag came out the same year that Romeo and Juliet was published.

"Making these banners has helped us learn about human relationships simply because when you learn to work together, you learn to work on things even though you don't feel like working and you learn to take compliments!" stated Powers.

## Randy Brieger becomes student writer at Hinds

by Angie Bright

Sophomore Randy Brieger is becoming a legendary student writer at Hinds Junior College.

Brieger entered Hinds' Literary Competition in March and came away with first places in one act drama, formal essay and informal essay. Also, he came in second in poetry.

In state competition, Brieger was awarded second place in drama and informal essay, honorable mention in formal essay and won first in cover design, which will be used for the 1985 journal.

Brieger's writing excellence

is not limited to local areas; Joan Rivers recently bought one of his one liner jokes.

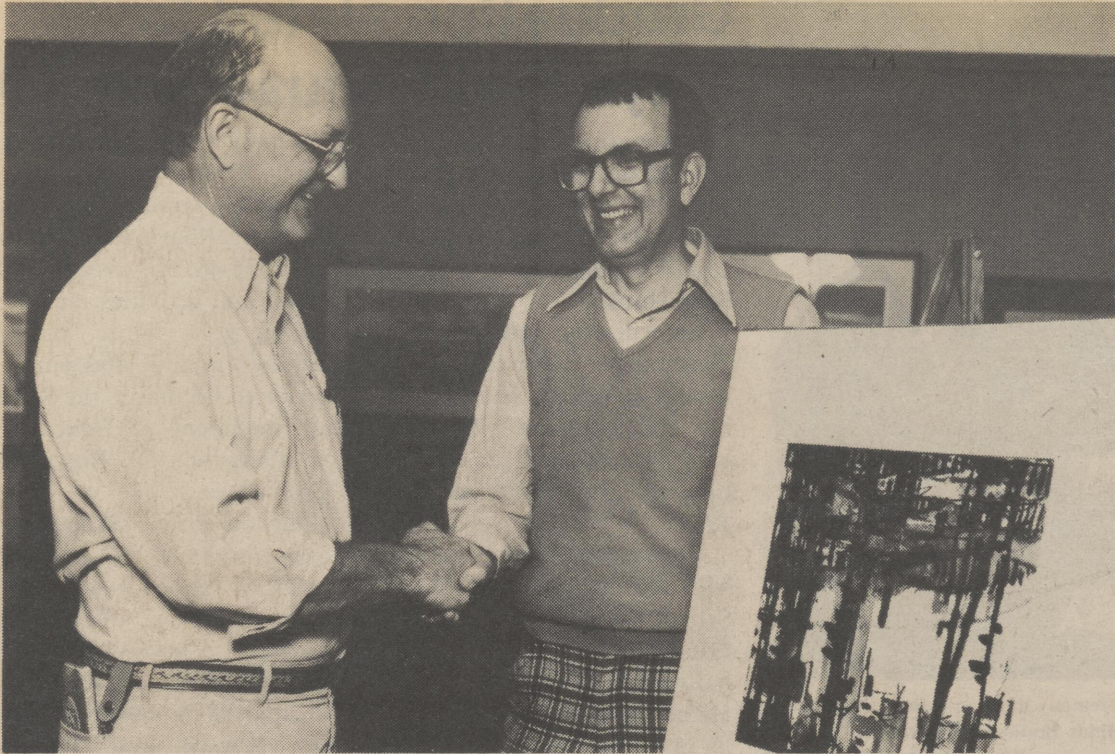

Majoring in Commercial Design and Advertising, Brieger still finds plenty of time to express his unique writing ability. He incorporates the best of both his talents in the staff position of layout and design of **Writers, Inc.**, literary magazine. He also created the cover design of the 1985 edition of **Writers, Inc.**

"He's the best natural writer and the most creative craftsman I've ever taught," stated Retta Porter, English instructor.

**HJCD PLACES THIRD**—Rankin Branch Marketing student Kathe Tagert placed third in the Advertising and Display services competition at the State DECA Career Development Conference held in Biloxi. The competitive event consisted of a written examination and a role play situation. Sue Pitts, at left, marketing instructor, is Kathe's advisor.

**PRESENTS PAINTING**—Artist Robert Burns, III, of Broadway Avenue, North Jackson, presented one of his watercolors, "Abstract #1," to the Hinds Junior College District permanent art collection recently. Receiving the painting on behalf of the college is Bob Dunaway, chairman of the Hinds art department and curator of the permanent collection.

## Actor visits HJC Campus

by Tena Morgan

Rob Hall, born in Florida, but has lived all over in the U.S., and a well known shakespearean actor, performer, visited HJCD recently for the Shakespearean Festival. Hall is a very well traveled actor, who has performed in a number of other states such as, North and South Dakota, Montana, Connecticut, Virginia, and is currently teaching at Alcorn State University.

Hall studied with Pamela Barnard and Rodney Cottier at Lamda. Also, Bridgett Kelly, Associate head of Ballet Rambert, from London, to name a few.

Hall has choreographed and performed in some major

production plays such as, "The Nut Meg Theatre" in Connecticut, "Measure for Measure", "Let's Get a Divorce", Virginia Museum, "Cabare'", "American Revels" and in Mississippi at The New Stage Theatre, "The Taming of the Shrew".

Hall says one of his major goals is, "To change the course of American Theatre." Hall would also like to see the attitude of the south change towards Shakespearean Drama and would like to be a part of that change.

Rob Hall will finish this Semester at Alcorn and hopes to head towards New Orleans in August to perform in the French Quarters.

## Hey Vern, it's me, ERNEST P. WORREL!!!

By The Associated Press

There's this new guy in comedy—know what I mean? Well, this guy is the South's answer to Steve Martin. Only better. I mean, the guy is looking for laughs, Vern. He is cut out to be a cutup.

What's that, Vern? You know him already? He's your ole buddy Ernest P. Worrel?

Jim Varney, the man behind "old buddy Vern" is on his to becoming a star. He is taking the entertainment industry by storm, from the backdoor.

Just looking at Ernest makes one want to laugh. He's got a long, goofy face with Barney Google eyes, a gaping mouth and rubber lips. His garb—khaki cap, vest, sweat-shirt, blue jeans and sneakers—is a caricature of the Southern redneck.

If anybody doesn't know Ernest, he's the good ole boy next door appearing on television commercials all over the country. After a dubious reception in some areas, the spots caught on like wildfire.

The character of Ernest is a self-effacing spoof on an obnoxious, lovable, talkative know-it-all, who is forever intruding on the peace and quiet of his neighbor, Vernon. The audience never sees Vernon, the camera is Vernon's perspective on the scene.

The single perspective concentrates attention on the ludicrous carryings-on of Ernest, who makes himself a laughingstock while trying to be "cool," worldly and knowledgeable.

His constant haranging is obnoxious, because he never gives Vernon a chance to get a

word in edgewise. He juts his jaw into the camera to increase the comic distortion, giving the sketch the flavor of a home movie. At the same time, however, it is plain that Ernest is a harmless, good-hearted, good ole boy just trying to put on a good front. That makes him human and vulnerable.

In the Mississippi area, he has been seen on commercials for Dairy Fresh Milk, Entex and television stations in Jackson and Mobile, Alabama.

In a recent interview, Varney said the character of Ernest was created when "my friend John Cherry called me from Kentucky one day and told me about this character he had in mind. Then we got together and worked it out."

In portraying Ernest, Varney said he draws on people he met from his home state.

"Most of the state of Kentucky is in there," he said.

The comedian's impeccable timing and rapid-fire delivery are outstanding features of the Ernest commercials. Varney said working live helps keep his timing hot:

"I just got back from Vegas. Working before a live crowd develops your timing. If you don't work live, you lose the edge," he said.

When Varney rattles off his lines, syllables run together at a frantic rate, but his words are still intelligible. His live stage training as a Shakespearean actor no doubt helped considerably with timing and enunciation. He has appeared in nearly two dozen stage plays, including William

Shakespeare's "A Midsummer Night's Dream," in which he starred as Puck.

Varney has appeared in several nightclubs, and in a dozen or so television series or specials. It is the character of Ernest, however, that powered Varney's sudden rise to stardom.

Recently, he starred in an hour-long TV special, "Hey Vern, It's My Family

**JIM VARNEY**

Album." It was a full hour of side-splitting cutups, proving that Varney can maintain the pace of a longer format. Varney played six roles in that special about Ernest's "ancestors."

He prefers even longer format, the full-length feature movie.

"TV is too rushed," Varney said. "The deadline pressure is too much. Later you look back and say, 'Gosh, I wish I had done that better.' In a movie, you have time to do it right. You can do it over if you didn't like it the first time."

Varney said TV producers have sent him many scripts.

"It might be fun to do a variety-comedy show," he said, "but I like feature movies better."

Varney just finished shooting a feature-length film, "Dr. Otto and the Riddle of the Gloom Beam," which is to be released soon. Varney plays five villains in the movie, in-

cluding a wicked scientist.

Varney is considering starting another movie in October. Or, he might do another Ernest special.

Cherry said Ernest's hit-and-run style of fast-paced, frenetic humor would be extremely difficult to maintain for a half-hour show, let alone a full-length movie. That is why the character has been limited to the 30-second commercials and other brief appearances, he said.

Although the special was all about Ernest's family tree, Ernest himself appeared only briefly.

Most actors are cautious about being "typed." Doing the same thing over and over can be tiring, and can limit one's career.

Sometimes, however, a character comes along that refuses to die; a character that meshes so well with the actor's personality that they almost become one and the same.

**NURSING OFFICERS**—Recently elected officers of the HJCD Mississippi Association of Student Nurses (MASN) at the Nursing/Allied Health Center are from left, Susie Tarr of Ridgeland, secretary; Jerri Vanlandingham of North Jackson, public relations chairman; Marietta Prewitt of Jackson, president; Beth Mahr of Clinton, vice president; Susan Lea of South Jackson, treasurer; and Lillian Wince of Vicksburg, scrapbook chairman.

**NATIONAL DECA WEEK**—Attending a National DECA Week Proclamation ceremony in Congressman Trent Lott's Washington, D.C. office recently, are from left, Hugh Parish, vice-president of Hinds Junior College District's Rankin Branch Distributive Education Clubs of America Club; U.S. Senator Thad Cochran; Sue Pitts, HJCD-Rankin Branch DECA Advisor; Congressman Trent Lott; and Bill Hembree, National DECA president. The Rankin Branch DECA Club initiated an effort to have President Reagan sign the proclamation for a National DECA Week.

## DECA students attend National

Tammy Moore, a senior at Brandon High School, and Canda Rials, a senior at Pearl High School representing Hinds Junior College - Rankin Branch left April 30 for San Francisco, to attend the 39th Annual National DECA Career Conference of the Distributive Education Clubs of America.

Tammy and Canda are among approximately 100 Mississippi students selected to participate in the conference, which is designed to help develop future leaders for marketing and distribution. It was held May 2-5 had over 6,000 DECA members, state advisors, and local advisors in attendance representing all fifty states plus the District of Columbia, Canada, Puerto Rico, the Virgin Islands, and Guam.

DECA is the only national student organization operating through the nation's schools to attract young people to careers in marketing merchandising, and management. Its purposes are (1) to develop a respect for education which will contribute to occupational competence and (2) to promote understanding and appreciation for the responsibilities of citizenship in our free competitive enterprise system. The purpose of the National DECA Career Development Conference is to promote worthwhile activities to assist students in career development as they prepare to be marketing and distribution leaders from DECA's State Associations.

Tammy is the daughter of Mr. and Mrs. Willie Moore of Brandon. She is employed by

Sunflower #68 where Mr. Houston Ward is manager. Canda is the daughter of Mrs. Nell Youngblood of Pearl. She is employed by Kroger in Pearl where Mr. Tommy Chandler is manager. These students are employed as part of their Diversified Occupations course at Hinds Junior College - Rankin Branch. Tammy and Canda are both members of the HJCD-Rankin Co-op DECA Chapter. Lynn Holliday, Diversified Occupations instructor, HJCD-Rankin is

their DECA Advisor.

A special feature of the conference will be the presentation of scholarships to a number of outstanding Marketing and Distributive Education students for advanced study in Marketing, Management, or Marketing and Distribution Education.

Nationally known leaders from the field of marketing, education, and government will speak at the conference, and serve as competitive events judges and consultants.

## Circle K captures LA-MISS-TENN awards

Representatives of the Hinds Junior College Raymond Campus Circle K Club attended the Louisiana-Mississippi-West Tennessee Circle K District Convention in Thibodaux, Louisiana.

The Hinds club brought home several awards for their years work on various service projects. The group won the 1st place award in the Silver Division of Achievement which is a report on detailed projects they have done for the year. They also won the 3rd place Single Service with a project titled "Kid's Day" which involved children from the Baptist Children's Village in Jackson.

The Hinds club also received a certificate for being one of four clubs that participated in a fund drive for St. Jude's Hospital in Memphis, Tennessee.

Club secretary Robert Campbell of Vicksburg was a

certificate of Administrative Excellence for his monthly reports on club projects and service hours that are reported to the various district officers.

Club president Ken Anderson of Lake, Mississippi was selected as one of five Distinguished Club Presidents for the three state district. He was then chosen from this group of winners as the winner of the J.B. Guillory Outstanding Club President Award for the district. Anderson is serving in his second year as club president and he is also a member of the Student Senate, serves on the college's Special Activities Committee, is editor of the college yearbook *The Eagle*, and serves as a dormitory resident assistant.

Circle K is a collegiate service organization sponsored by Kiwanis International and the Hinds club is sponsored by the North Jackson Kiwanis Club.

## Graduation slated for Mayo Field House May 19
